Withdrawals and Refunds:
Students must officially withdraw from courses to be eligible for refunds. To withdraw from a course, students should contact their faculty advisor or the Student Development Office. Students will receive a 100% refund of tuition and fees if they withdraw before classes begin or if a class they are registered for is canceled. A 75% refund is given once classes begin and up to the Census Date* of a given class. Detailed information on tuition and fees, residency requirements, and refund policies are in the college catalog and student handbook:
www.piedmontcc.edu.

*For Census Date, contact the Office of Student Development 336/599-1181 ext 272.
