Distance Learning Course: BIO 111.71P/C General Biology I

Course format: Internet

Textbook: Campbell Biology, ISBN 0321558146

Instructor Information:

Name: Bonnie Glass

Office phone number: 252-916-8321

E-mail address: glassb@piedmontcc.edu

Office hours (if any) and location:

Course Prerequisites/Corequisites: RED 089, MAT 070

Are campus visits required? Yes

Testing is completed: Combination online and on campus

If campus or combination, how many tests are given on campus: 1

Is there any additional software required for this course? Yes

Do course assignments require use of supplements bundled with the textbook? Yes

Additional comments/preferences/suggestions: General Biology 1 is a challenging course to take online. It is a 4 credit hour, in-depth course and requires time and self-motivation. It is not recommended that this be a student’s first online course. Students will complete interactive online labs, participate in discussion forums and chats, and take weekly chapter quizzes. Students are also required to take a proctored exam on campus.
