Corequisites:

Are campus visits required: Yes

Testing is completed:

Is there any additional software required for this course? Yes, A MyMathLab Student Access Code

If yes, what is the software?

Do course assignments require use of supplements bundled with the textbook? Yes, A MyMathLab Student Access Code. See comments below.

Additional comments/preferences/suggestions: The MyMathLab access code comes packaged with a new book, when purchased in the PCC bookstore. The code can be purchased separately from the publisher at the website http://coursecompass.com. Access codes are generally valid for one year, so if you activated a MyMathLab access code last semester, you should be able to use it again this semester.
