

2017-2018 The Crowder Construction Company Scholarship Fund Scholarship

The North Carolina American Water Works Association and the North Carolina Water Environment Association (NC AWWA-WEA) is a volunteer association dedicated to providing water and wastewater education, training, and service in an effort to protect public health and the environment.

Crowder Construction Company was founded by brothers, O. P. and W. T. Crowder in 1947. Since its incorporation, leaders of the company have endeavored to actualize its mission statement, "We are dedicated to superior performance and committed to making a positive difference for our clients, our community, and in the lives of our employees." Applicants must have a desire to pursue a career in construction with a degree in a construction related program such as: construction management, construction science, construction technology, construction safety, engineering or architecture.

Eligibility

- Student has to be a full time student and must have a desire to pursue a career in construction with a degree in a construction related program such as: construction management, construction science, construction technology, construction safety, engineering or architecture during the 2017-2018 academic year
- Student must have maintained a GPA of greater than 3.0.
- Student must be a US citizen and a resident of North Carolina
- Student must not be related to scholarship sponsors nor employed by such sponsors and not an employee of nor related to officer or director of NC AWWA-WEA, nor to any member of the Endowment Committee.
- Preference will be given to students who are members of a student chapter of NC AWWA-WEA.

Value

- One \$1,000.00 scholarship will be awarded
- The recipient may receive the scholarship annually through his/her senior year by documenting that he/she continues to meet the qualifications stipulated in the initial award of the scholarship.
- Award recipient will qualify for free registration for the Annual NC AWWA-WEA Conference each year in which he/she is awarded scholarship.

How to Apply

In ONE envelope, applicants must submit:

- A completed application form. (Available at <http://www.ncsafewater.org/?page=Scholarships>)
- Recommendation of college instructors (At least two). These should be in sealed envelopes signed by the instructors
- Essay discussing why applicant wants to be a professional in the field of water and wastewater construction and what contributions he/she hopes to make to this sector of the water industry. (Maximum 800 words)
- Official college transcript with college seal
- Academic Advisor Certification (Form is available at <http://www.ncsafewater.org/?page=Scholarships>)

All application materials (including enclosures) must be mailed to the address below, and received by March 24, 2016.

NC AWWA-WEA
2015 NC Safewater Endowment Fund Scholarship Application
3725 National Drive, Suite 217
Raleigh, NC 27612

Please do not submit any additional materials with your application. Materials that are not requested will not be reviewed with your application, nor will they be returned to you.

Letters of notification will be mailed to all applicants by June 2017. If notification of the decision has not been received by July 1st, please contact NC AWWA-WEA staff member Rebecca Aguié at (919) 784-9030 x 1001 or raguie@ncsafewater.org.

ALL APPLICATIONS MUST BE RECEIVED BY MARCH 23, 2017
