## Kaplan Admission Test

The Associate Degree Nursing Program at Piedmont Community College uses the Kaplan Admission Test to aid in selecting candidates for the upcoming Nursing Class. Upon completion of ALL developmental courses, students may apply to take the Kaplan Admission Test. The test cannot be taken until PHASE I of the ADN Admissions process is completed and all required materials have been received in the Admissions Office.

**Students are only allowed to test once per academic year. Students who achieve an overall score of 65% will be given priority admission over those scoring lower than 65% due to these score correlating with a student successfully completing the nursing program.** It is the student's responsibility to complete the application to test and schedule a date to take the test prior to the last scheduled day of testing. **Applicants who qualify for testing accommodations, must request accommodation and notify the testing proctor prior to taking the test.**

PCC will administer the exam from **9 a.m. – 1 p.m.** on the following dates in **E-150** :

**Friday, February 3<sup>rd</sup> and Saturday, February 4<sup>th</sup>**

**Friday, February 10<sup>th</sup> and Saturday, February 11<sup>th</sup>**

**Friday, February 17<sup>th</sup> and Saturday, February 18<sup>th</sup>**

**Friday, February 24<sup>th</sup>**

**Saturday, February 25<sup>th</sup> (Inclement weather makeup day)**

In order to reserve a seat for the Kaplan Admission Test on one of the above dates, you must contact the Student Development Office and pay your testing fee in advance. Again, the test cannot be taken until PHASE I of the ADN Admissions process is completed and all required materials have been received in the Admissions Office. **There is a \$25 fee for taking the test.** Seating for each exam is limited. Your seat will not be guaranteed until payment is received. You will need to complete the registration form, return it along with your payment to the Business Office in Building A, and come by the Information Desk in E Building to sign up for the Test. **If you miss the exam for any reason, your money is non-refundable.**

In order to take the test on this date, you must arrive at the testing location no later than 15 minutes before the appointed time. Absolutely no one will be admitted after testing has started.

On the day of the exam, you must bring the receipt showing that you paid for the class along with the following:
