Kaplan Information and Application

The Kaplan Admission Test is mandatory for entrance into the Nursing Program, effective January 2017. This test is a computerized admissions test used by Piedmont Community College to measure basic skills in Reading, Mathematics, Science, and English. These entry level skills are important to the nursing program applicants. Kaplan's Admission Test is a tool to determine if students have the academic skills necessary to perform effectively in a school of nursing. The Admission Test is a 91-question, multiple-choice test that evaluates the basic reading, math, writing and science skills of students seeking entry into a nursing program leading to RN licensure.

To qualify to take the Kaplan, students must have completed Phase I of the Admissions Process. This includes having successfully completed required developmental courses, the general biology and chemistry requirements, as well as CIS 070.

Payment of Fees

All students that are taking Kaplan Admission Test at Piedmont Community College must pay \$25.00. Prior to the exam, please take the payment to the Cashier's Office. Once you have paid your fee, you must come to the Information Desk in Building E and let us know that you have registered to take the test. The Cashier's Office is open Monday – Thursday from 8:00 am - 5:00 pm and on Friday from 8:00 am - 4:00 pm.
