

ASSOCIATE IN ARTS

The Associate in Arts (AA) degree is designed for students who want to pursue a four-year degree in one of the liberal arts disciplines or training at a professional schedule that requires a strong liberal arts background. In addition to completing core general education requirements, the program allows the student to select additional general education, pre-major, and elective courses in consultation with the targeted 4-year program to which they are seeking to transfer.

Overview ASSOCIATE IN ARTS

Piedmont Community College offers three transfer degrees, the Associate in Arts (AA), the Associate in Fine Arts (AFA) and the Associate in Science (AS). All degrees provide students with a general education core, the foundation for a four-year baccalaureate degree. Courses are offered in the areas of English, literature, fine arts, foreign language, social and behavioral sciences, natural science, mathematics and physical education.

The Associate in Arts (AA) degree is designed for students who want to pursue a four-year degree in one of the liberal arts disciplines or training at a professional schedule that requires a strong liberal arts background. In addition to completing core general education requirements, the program allows the student to select additional general education, pre-major, and elective courses in consultation with the targeted 4-year program to which they are seeking to transfer.

The North Carolina Comprehensive Articulation Agreement (CAA) is a statewide agreement governing the transfer of credits between NC community colleges and NC public universities and has as its objective the smooth transfer of students. A number of private 4-year colleges and universities in North Carolina also subscribed to the CAA. The CAA provides certain assurances to the transferring student; for example:

- Assures admission to one of the 16 UNC institutions (Transfer Assured Admissions Policy)
- Enables NC community college graduates of two-year Associate in Arts and Associate in Science degree programs who are admitted to constituent institutions of the University of NC to transfer with junior status.
- Students are able to meet general education requirements at the 4-year institutions by completing selected pre-approved Universal General Education Transfer Core courses (UGETC)

COURSES

Required Courses for Program
ACA 122 College Transfer Success
CIS 110 Introduction to Computers
COM 231 Public Speaking
ENG 111 Writing and Inquiry
ENG 112 Writing/Research in the Discip
MAT XXX Math Elective
