**Dual Enrollment**
This program allows High School students to take college level courses while still enrolled in High School. The courses taken must be numbered 100 or above, no developmental courses. Upon successful completion of courses, students are awarded college credit as well as High School Credits. For every six community college semester hours, one high school unit is received. Tuition is waived for some courses, but students are responsible for books and supplies.

Students interested in this program must:
1. Be at least 16 years old before the first day of the class
2. Receive permission and approval from their High School Principal and parent
3. Be enrolled at least half-time in high school. Students enrolled in a high school on a traditional schedule must be enrolled in at least 3 high school classes to be considered a half-time student. Students enrolled in a high school on a block schedule must be enrolled in at least 2 high school courses to be considered a half-time student
4. Take our COMPASS placement test and meet minimum scores, or submit acceptable SAT or ACT scores in order to take Math and English courses
5. Complete an [Admission Application](#) and [Dual Enrollment form](#)

**High School Learn and Earn Online Program**
The North Carolina Learn and Earn Online program is designed for high school students to enroll in online college courses in the areas of science, technology, and mathematics, however, college requirements and prerequisites for courses will apply. Qualified students can take a wide array of college credit courses online. Students receive both college and high school credit for the courses they successfully complete. Courses are available during the Fall and Spring semester. High school students should talk with their school guidance counselors about how to participate in Learn & Earn Online.
