

## **Exit Loan Counseling for Student Borrowers**

When a student graduates or withdraws from the school they are currently attending, the student is required to complete an exit counseling session. Exit counseling will inform the student of their rights and responsibilities as a borrower. If at any time throughout their college career they have any questions concerning their student loan, contact financial aid or their loan servicer.

Loan Exit Counseling is located on the Department of Education's StudentLoans.gov Web site. Click [www.studentloans.gov](http://www.studentloans.gov), in order to fulfill loan exit counseling requirement.
