

Welcome Future Pacer!

We are excited to welcome you to Piedmont Community College. Academic Advisors at PCC are here to help you create a clear path toward achieving your goals. Please use this handout as a guide to help you get started.

1. Choose Your Program of Study

[Piedmont Community College Programs of Study](#) | Undecided? Check out PCC's [Career Coach](#).

2. Complete the PCC Application and NC Residency

[CFNC Application to PCC](#) | [North Carolina Residency Determination Service](#)

Questions about the admissions process? Contact the Director of Admissions and Recruitment at (336) 322-2164.

3. Submit Your Transcripts

Request official transcript(s) from high school, or high school equivalency, and previous college(s). Consider sending additional information including Advanced Placement (AP), SAT, or ACT scores via College Board. This information helps determine your placement into English and math courses.

Transcripts may be sent electronically to admissions@piedmontcc.edu or mailed to:

Piedmont Community College
P.O. Box 1197
Roxboro, NC 27573

Note: Placement testing is not required for all PCC students. It is required for international students and students who are unable to satisfy the Reinforced Instruction for Student Excellence (RISE) placement criteria.

4. Attend Welcome Orientation

[New Student Welcome Orientation](#) is recommended for all PCC students. Don't forget to RSVP!

5. Schedule an Academic Advising Meeting

[Academic Advising](#) is one of the most critical components of student success at PCC. Advisors answer questions, provide valuable information about programs of study and guide students in setting academic goals, selecting courses and making sure they're ready for registration.

Academic Advisors meet with students every semester to assist with course planning and registration through Self-Service, aka the [Student Portal](#).

6. Prepare for Payment

Need a copy of the *Finalizing Registration Flyer*? Ask your advisor!
