CAREER & COLLEGE PROMISE

> **"Career and College Promise is an immeasurable tool for high school students. They have the option to save so much money and time, and they can begin to work in their careers that much sooner because of it."**
>
> *–Leia Rollins PCC Coordinator,*
> *College High School Programs*

PCC offers a variety of FREE opportunities for high school students to expand their knowledge and earn college credits. Students are receiving Associate degrees from PCC while they are in high school.

THERE ARE TWO PATHWAYS TO SELECT WHEN CONSIDERING THE CAREER & COLLEGE PROMISE (CCP) PROGRAM:

- Career Technical Education (CTE)
- College Transfer Pathway (CTP)

CAREER AND TECHNICAL EDUCATION PATHWAY PROVIDES HANDS ON EXPERIENCE
(ex. Welding & Cosmetology)

The College and Transfer pathway provides college-level courses that will prepare you for your post secondary education. You have the opportunity to earn transferable credit hours towards your Bachelor of Science and/or Bachelor of Arts.

NEXT NC SCHOLARSHIP

The Next NC Scholarship is a financial aid program that helps most North Carolinians from households **making $80,000 or less** pursue their higher education goals, by fully covering tuition and fees at Piedmont Community College (PCC). The best part? It's money that doesn't have to be repaid.

It combines the federal Pell Grant with the state funded financial aid program to form a simplified and predictable scholarship award that is easier to understand and makes education more affordable so a greater number of North Carolinians can pursue a degree.

It's enough money to earn a tuition-free degree.

Qualifying students attending PCC will receive at least $3,000. That means having their tuition and fees 100% covered.

Applying is simple.

Just submit the FAFSA form. If you're eligible, you'll receive the Next NC Scholarship. There are no additional forms to fill out. The Next NC Scholarship priority filing date is **August 15, 2024** for PCC.

To receive the *Next NC Scholarship*, you must be:

1. A **North Carolina resident** who is eligible for in-state tuition

2. A **high school graduate** (high school equivalency completers are eligible)

3. From a household with an annual Adjusted Gross Income (AGI) of **$80,000 or less**

4. Enrolled in an **eligible undergraduate curriculum program** for the 2024-2025 academic year

5. Taking at least **6 credit hours** per semester (part-time students will receive a partial award)

6. Meeting the **Satisfactory Academic Progress standards** of the school you plan to attend

7. A student who has **completed the 2024-2025 FAFSA**, with a resulting Student Aid Index (SAI) at or below **7,500** (once complete, the financial aid office at the college/university you plan to attend will determine and confirm eligibility)
