**Last Revised:** October 2024

**Policy:** Piedmont Community College will receive tuition and fees charged to students who apply to or attend the College.

### **Purpose/Definitions:**

#### **Purpose**

The purpose of this policy is to outline the procedure for receiving and using tuition and fees received from students and the governance of their usage as state funds.

#### **Definitions**

**Enroll**—to become a student in a course section by registering for the course section and either making payment or receiving financial aid for that course section. For the purposes of this definition, a tuition or registration fee waiver is a form of financial aid.

**Local Fees**—a fee charged to a student for a good or service provided by the College other than instruction.

**Register**—to complete the procedure defined by the College to sign up for a course section.

**Registration Fee**—uniform registration fee schedules for non-curriculum extension courses based on course length, consistent with actions taken by the NC General Assembly and NC State Board of Community Colleges. This amount is charged to a student to enroll in a continuing education course section that earns budget FTE as described in 1G SBCCC 100.99.

**Self-Supporting Fee**—a fee charged to a student to enroll in a course section that is offered on a self-supporting basis, as provided by 1E SBCCC Subchapter 600.

**Tuition**—uniform tuition rate per credit hour and a maximum tuition amount per academic term for resident and non-resident students consistent with actions taken by the NC General Assembly and NC State Board of Community Colleges. This amount is charged to a student to enroll in a curriculum course that earns Budget FTE as described in 1G SBCCC 100.99.

**Waive**—to exempt a student from paying a charge that would otherwise be required and adjust the student's account accordingly. The amount waived represents revenue foregone by the entity that would have otherwise received the benefit of the revenue.
