Next NC Scholarship

COLLEGE JUST GOT WAY MORE AFFORDABLE

FOR MANY NORTH CAROLINIANS

The Next NC Scholarship is a financial aid program that helps most North Carolinians from households **making \$80,000 or less** pursue their higher education goals, by fully covering tuition and fees at Piedmont Community College (PCC). The best part? It's money that doesn't have to be repaid.

It combines the federal Pell Grant with the state funded financial aid program to form a simplified and predictable scholarship award that is easier to understand and makes education more affordable so a greater number of North Carolinians can pursue a degree.

It's enough money to earn a tuition-free degree.

Qualifying students attending PCC will receive at least \$3,000. That means having their tuition and fees 100% covered.

Applying is simple.

Just submit the FAFSA form. If you're eligible, you'll receive the Next NC Scholarship. There are no additional forms to fill out.

www.piedmontcc.edu/nextnc

To receive the *Next NC Scholarship*, you must be:

- 1 A North Carolina resident who is eligible for in-state tuition
- 2 A high school graduate (high school equivalency completers are eligible)
- 3 From a household with an annual Adjusted Gross Income (AGI) of \$80,000 or less
- 4 Enrolled in an eligible undergraduate curriculum program for the 2024-2025 academic year
