

Nursing Evening/Weekend Cohort Caswell County Campus

In January 2022, Piedmont Community College (PCC) started an Evening/Weekend Associates Degree Nursing program that is primarily located on the Caswell County campus in Yanceyville, NC. The inaugural cohort graduated in December 2023 with a 100% first-time pass rate on the NCLEX!

Additional information about the ADN Evening/Weekend cohort:

- **Evening/Weekend cohort**
 - The first semester, students meet up to four evenings each week for lecture and labs.
 - Subsequent semesters, students meet two to three evenings each week and then may have simulation/labs throughout certain courses.
 - Clinicals generally are on Saturdays or Sundays. (*days are dependent on clinical site availability or meeting course objectives*)
- **Program is six (6) semesters long**
 - Sessions start every Spring semester (*January*)
 - Anticipated graduation for these cohorts is every Fall semester (*December*)
- **Same Admissions policies and curriculum as the traditional PCC ADN/AGE programs**
- **Admissions Test: TEAS Test required for entry**
 - See [Admissions Test Information](#) document for more information, including dates, times, and other requirements
- **Important Dates & Deadlines:**
 - Admissions Tests are administered on Person and Caswell campuses
 - Offered **July – August** annually
 - Numerous dates/times will be available
 - Deadline for application
 - **September 1** annually
 - Nursing program applications are completed by candidates when they take the Admissions Test or when their official TEAS transcripts are received from ATI
 - Admission Decision/Letters to Students
 - On/by **October 15** annually
 - Classes Begin
 - **January** annually
 - Graduation
 - **December** annually
