

TRANSFORM STRENGTHEN INSPIRE

2025-2026

General Catalog and Student Handbook

Piedmont Community College updates its catalog each academic year prior to the beginning of Fall Semester. Additional information is available on the PCC website and in the Student Development offices on both campuses.

Accreditation

Piedmont Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees. Piedmont Community College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Piedmont Community College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

The Piedmont Community College Associate Degree Medical Assisting Program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Medical Assisting Education Review Board (MAERB). Contact the Review Board at MAERB. Commission on Accreditation of Allied Health Education Programs 9355 113th St North #7709, Seminole, FL, 33775. (727) 210-2350.

The Piedmont Community College Emergency Medical Science/Paramedic Program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Services Professions. (CoAEMSP). Contact the Review Board at CoAEMSP. 8301 Lakeview Parkway Suite 111-312, Rowlett, TX, 75088. (214) 703-8445.

Notice of Non-discrimination

Piedmont Community College does not discriminate on the basis of race, color, religion, sex, national origin, or any other legally protected status in its programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies: Vice President, Administrative Services, P.O. Box 1197, Roxboro, NC 27573-1197, (336) 599-1181. For further information on notice of non-discrimination, the OCR office for North Carolina is located at: Washington DC (Metro), Office for Civil Rights, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-1475; Telephone Number: (202) 453-6020; e-mail: OCR.DC@ed.gov.

PCC is an Equal Opportunity/Affirmative Action institution and a unit of the North Carolina Community College System.

All students are responsible for the proper completion of their academic program, for familiarity with all requirements of the catalog, for maintaining the grade average required and knowing their academic standing and for meeting all other requirements. Advisors and counselors are available to all students, but final responsibility remains with the student.

All statements in this publication and announcements of present policies are subject to change at any time without prior notice. Piedmont Community College reserves the right to make changes in program requirements and offerings, in regulations and in fees, the college also reserves the right to discontinue at any time any program or courses described in this publication. While every effort will be made to give advance notice of any change of program or course, such notice is not guaranteed or required.

| April 10 | First Class Day After Break |
| May 10 | Last Day of Classes |
| May 15 | Graduation |

*Wednesday, March 4 is designated as the 8th Monday

Approved by the Board of Trustees – August 1, 2023

The College

Message from the President

Dear PCC Students,

Welcome to a new academic year at Piedmont Community College! Whether you're stepping onto campus for the first time or returning to continue your journey, we're so glad you're here. You are now part of the Pacer Family—and we are committed to helping you succeed.

The PCC team has been hard at work preparing for this semester, enhancing programs, expanding course options, and making our campuses even more inviting. Our goal is simple: to give you the best possible learning experience.

As you get settled in, I encourage you to make the most of all PCC has to offer—both inside and outside the classroom:

- ☐ Global Distinction courses
- ☐ Intramural sports
- ☐ Student Clubs and Organizations
- ☐ Learning Commons events
- ☐ Free tutoring, available both online and in-person
- ☐ Free counseling services, offered by phone, online, and in person

Be sure to explore financial assistance opportunities as well. Through the **Pacer Promise** program, students enrolled in eligible technical programs may qualify for free tuition. If you're pursuing short-term training, there's funding available to help you earn valuable credentials with little to no cost.

On behalf of everyone at PCC, I wish you a successful and fulfilling year. If there's anything we can do to support you, please don't hesitate to reach out.

All the best,

Dr. Kenneth Boham, Interim President
Piedmont Community College

About PCC’s Interim President, Dr. Kenneth Boham:

Dr. Kenneth Boham became the interim president of Piedmont Community College (PCC) in March 2025, bringing a wealth of knowledge and experience to the College.

Boham served as president of Caldwell Community College and Technical Institute (CCC&TI) from 1995 until his retirement in 2016. Prior to his presidency at CCC&TI he served as Vice President for Continuing Education at Wake Technical Community College. Boham’s extensive community college experience includes serving as interim president of Mayland Community College, Martin Community College, James Sprunt Community College and Johnston Community College.

During Boham’s tenure at CCC&TI, the college experienced phenomenal growth in student population as well as facilities. He was awarded NC Community College System President of the Year in 2003.

Caswell County Board of Commissioners

- Mr. Finch Holt

Mr. Frank Rose, Vice Chair

Mr. Brian Totten

Mr. Scott Whitaker, County Manager
- Mr. Greg Ingram

Mr. Tony Smith

Mr. Tim Yarborough, Chair

History

Due to the foresight and dedication of progressive-minded Person County citizens, Piedmont Community College was established in 1970. Efforts to create a local institution of higher education that offers job training and educational opportunities for high school graduates and other adults began in the late 1960s. The result was the appointment of a Board of Trustees in 1970 and the establishment of Person County Technical Institute on July 1, 1970, now evolved into Piedmont Community College.

The College initially operated under the NC State Board of Education and the Department of Community Colleges and currently is one of 58 community colleges in the NC Community College System.

After operating in various buildings around the city and county in its first years, the College gained the overwhelming support of Person County citizens, who passed a \$2.5 million bond issue for new college facilities. The permanent campus was constructed on a 178-acre farm off Carver Drive in Roxboro.

The College's service area expanded to include Caswell County, effective July 1, 1985. The Caswell County Campus, located on 15 acres adjacent to Bartlett Yancey High School, opened in 1987.

In 2024, PCC began the process of planning the Center for Health, Advanced Technology and Trades (CHATT) after the Person County Board of Commissioners approved to move forward with the purchase of the former Carolina Pride carwash building at their February 5, 2024 meeting to house PCC programs. Located in Timberlake, NC, CHATT will be the future home of PCC's health, advanced technology and trades programs.

Name Changes

- August 1970: Person County Technical Institute became Person Technical Institute.
- May 1971: Person Technical Institute became Piedmont Technical Institute.
- October 1979: Piedmont Technical Institute became Piedmont Technical College.
- January 1988: Piedmont Technical College name changed to Piedmont Community College.

Campus Growth

July 1974: The Board of Trustees requested that the County Commissioners authorize a \$2.5 million bond issue. The voters of Person County showed overwhelming support for the bond issue in November 1974. The Person County Campus facilities were built, and the institution moved to its permanent campus in November 1977. The campus was formally dedicated on June 4, 1978.

1985: Piedmont Technical College was designated by the North Carolina General Assembly as the primary service provider for Caswell County. The initial building on the Caswell County Campus was constructed on property provided by the Caswell County Board of Commissioners after funds were allocated through special appropriations from the North Carolina General Assembly.

1992: The building that is now known as the Business Development and Entrepreneurship Center (BDEC) was donated by Matt Long Jr. and Oveida Long Goss for use as a Small Business Incubator.

1993: A positive vote of the citizens of North Carolina resulted in additions to both campuses that were approved for construction by the Board of Trustees from 1995-1997. The Adult Learning Center addition to the Caswell County Campus, occupied in 1997, nearly doubled the size of the Caswell County Campus facilities. The new Classroom/Faculty Office Building on the Person County Campus opened in 1998.

2000: The Student Success Center (renamed the Academic Success Center in fall 2009) began providing educational support services to students in addition to providing access to computers and the Internet.

2000: The Science Lab Initiative, led by the PCC Foundation, resulted in the renovation of science labs on the Person County Campus, equipping the labs with modern equipment and technology.

2000: North Carolina citizens approved a \$3.1 billion Higher Education Bond, providing \$600 million to colleges in the North Carolina Community College System for new construction and for repair and renovation of existing facilities.

2005-2010: Resulting facility improvements on the Person County Campus included the renovation of the gymnasium to house the Learning Commons and Distance Education in 2005. In 2006, the former location of the Learning Commons was renovated to house Student Development services in one location, as well as to provide office space for two Continuing Education programs, Human Resources Development, and Adult Basic Skills. The Student Center was remodeled to include a new entrance, additional restrooms, and other upgrades.

2006: On the Caswell County Campus, an additional classroom building was constructed in 2006 with special facilities to accommodate two of the College's signature programs, Film and Video Production Technology and Digital Effects and Animation Technology.

2009: In 2009, the Technical Education Building was constructed on the Person County Campus. It includes a large meeting room with a serving kitchen and classrooms for Electrical Power Production and Electrical/Electronics.

2011: PCC and Person County Government developed a partnership to improve the space and use at the Kirby Cultural Art Complex on Main Street in Roxboro. In addition to adding a Learning Studio classroom for PCC's Fine Arts program, the Kirby Rebirth: Upstairs-Uptown campaign raised significant dollars to renovate the second floor of the current facility. That space now includes music rooms, visual art rooms, and gathering spaces available to the community. PCC assists with the operations of the Kirby, in partnership with Person County Government and Person County Arts Council.

2016: Person Early College for Innovation and Leadership opened on PCC's Person County Campus in 2016 and in 2019, a building was added to the campus landscape specifically for this early college program.

2019: A community partnership developed between PCC, Caswell County Government, and the citizens of Caswell County in 2019 that will increase the education opportunities in the area of agriculture and agribusiness. The agreement between the County and the College approved property in the Pelham Industrial Park for a future agricultural center called CEAD, Center for Education and Agricultural Development.

2020: A Science Lab is installed on PCC's Caswell County Campus, with assistance from the PCC Foundation.

2022: Groundwork for the Center for Educational and Agricultural Development began in Pelham, NC.

2024: The Person County Board of Commissioners approves to move forward with the purchase of the former Carolina Pride Carwash building in Timberlake, NC to house the Center for Health, Advanced Technology and Trades (CHATT).

2024: 50 years later, a new phase in the College's history has become a reality. In August, thanks to efforts of the Person County Board of Commissioners, Piedmont Community College (PCC) Board of Trustees and PCC leadership, along with support from Representative Ray Jeffers, PCC closed on the Center for Health, Advanced Technology and Trades (CHATT) building.

2024: The PCC Foundation received an anonymous gift for the Center for Health, Advanced Technology and Trades (CHATT). The transformative \$1,000,000 gift is the largest anonymous donation from an individual in the College's history. The funds are designated for CHATT and will be recognized in the planned hospital simulation lab, marking an exciting milestone for our community.

2024: During the Agricultural Summit in Caswell County, Mr. Daniel Jackson presented a check to the PCC Foundation for \$100,000 to endow the BLAST (Breakthrough Learning in Agriculture Science Technology) program, named for family friend Bessie Heath Daniels

2024: PCC celebrates the graduation of the inaugural Practical Nursing cohort with 15 graduates

2024: PCC saw its highest enrollment growth in 10 years, 13%.

Other Milestones

- The Piedmont Technical Institute Foundation (now known as the Piedmont Community College Foundation) was organized in December 1978 to support the students, faculty, and staff of the College through private solicitation of financial support.
- Piedmont Community College, along with all community colleges in the state, converted from the quarter system to the semester system of instruction in the fall of 1997.
- The PCC Alumni Partnership was organized in 2004 to engage alumni in ongoing support of the College.
- The College was designated multi-campus status in May 2005, which increased the resources available to the Caswell County Campus.
- A model of cooperation has been developed among the College, the Person and Caswell County Boards of Education, and the Person and Caswell County Boards of Commissioners. This model enhances the capability of the College to provide post-secondary education, and job training opportunities to new and expanding industries in Person and Caswell Counties.

Mission, Vision, and Values

Our Mission

Piedmont Community College transforms lives, strengthens community, and inspires individuals to excellence.

Our Vision

Piedmont Community College envisions a learning community where each student is supported in achieving personal success, gaining valuable skills, and preparing for meaningful employment. We are committed as a Hometown College to deliver high-quality education that equips students to build strong futures and make lasting contributions to their families, workplaces, and communities. (Vision statement is pending Board of Trustees approval)

PCC Values

- **Learning** by committing to PCC's core competencies — writing, reading, communication, math, and computer skills — and engaging instruction and training in a supportive environment that inspires each person to learn at the highest levels of achievement for personal and professional success.
- **People** by creating a caring, inclusive, and safe environment that inspires all people to achieve their goals, express their creativity, share their successes, and encourage others.
- **Diversity** by fostering understanding and appreciating the dimensions it adds to our quality of life.
- **Access** by reaching out to our communities and inviting and supporting all learners and partners to achieve their goals thereby improving the economic prosperity of our students, our community, and the surrounding regions.
- **Integrity** by respecting the ideals of freedom, civic responsibility, academic honesty, personal ethics, and courage to act.
- **Continuous Improvement** by ensuring that all employees engage in ongoing meaningful professional development that will produce ever evolving, data-driven policies, procedures, and practices to ensure excellence in every area of the College.

Curriculum Information

The Business Office is responsible for collection of out-of-pocket tuition and fees. Office hours are 8 a.m. to 5 p.m. Monday through Thursday; 8 a.m. to 4 p.m. on Friday, with extended hours during registration periods. Summer hours do vary. Tuition and fees for each semester are payable at the time of registration.

2025-2026 Tuition and Fees

Tuition and Fees

Visit the College's website for the latest [tuition and fees chart](#).

Books and Supplies: (average per semester): \$975

Additional Fees: Visit www.piedmontcc.edu/tuition for additional fees by course number and names.

Students are not eligible to register for additional classes if they have an outstanding debt due to the institution or to any other North Carolina technical or community college.

A fee of \$25 is charged to students for each check returned for "insufficient funds." No other personal checks will be accepted during that semester or the following semester.

Residence Status for Tuition Purposes

The specific requirements for establishing residency for tuition classification purposes are prescribed by state law.

In order to receive in-State tuition, a student must be classified as a resident for tuition purposes. Completing Residency Determination Services (RDS) is a required step in the community college application process. North Carolina law sets forth the eligibility criteria required to receive in-State tuition. Residency determinations are implemented through a centralized, uniform process called Residency Determination Services, more commonly known as RDS. RDS ensures that no matter which North Carolina community college or university you want to attend, your residency status will be the same. The North Carolina State Education Assistance Authority (SEAA) is the State agency responsible for implementing and administering North Carolina residency law and the RDS system.

To qualify for in-state tuition or to establish eligibility for state grant determination under North Carolina law, a student must prove:

- ☐ they established and maintained their legal residence in North Carolina for 12 months before claiming residency
- ☐ intent and capacity to maintain permanent legal residence in North Carolina
- ☐ they are here for a purpose other than going to college (some students may never qualify as an in-state resident for tuition purposes, particularly if they came to North Carolina to attend college)

Simply residing in North Carolina is NOT enough. A student must show permanent ties to North Carolina by proving that any previous state of residence has been abandoned. Students may not have more than one legal residence (domicile) at one time.

Those not meeting the 12-month legal residence requirement may be classified as North Carolina residents for tuition purposes only if they fall within one of the limited categories authorized by the North Carolina Legislature. All other persons are ineligible for classification as a North Carolina

"resident for tuition purposes" and will be charged out-of-state tuition. To learn more about residency and complete a determination, go to www.ncresidency.org.

The RDS goal is to provide students access to transparent information and the opportunity to claim NC residency in a simple, accurate and straight forward manner.

As residency is determined at the state level by RDS, if you have questions or concerns regarding the residency determination, you will need to call the RDS help line (844) 319-3640 or e-mail them at rdsinfo@ncresidency.org

If you need help logging into RDS please contact Student Development at (336) 322-2159. We also have computers on campus if you would like assistance in person.

Residency Reconsideration – If you are required to complete a residency reconsideration (because you need to correct an error, change a personal circumstance, or your determination is about to expire) and your residency status changes, you must notify the Admissions office by sending an email to admissions@piedmontcc.edu.

Financial Obligation and Collection of Debts Owed to PCC

Any student having an outstanding debt to PCC, including charges, fees, fines, resources checked out from the Learning Commons, defaulted payments or student aid overpayments, is not allowed to register.

Tuition Refund Policy

Unless otherwise required by law, PCC does not issue a refund of tuition or registration fees except under the following circumstances:

- a. On-Cycle Course Sections: PCC refunds 100 percent to the student if the student officially withdraws or is officially withdrawn by PCC prior to the first day of the academic period as noted on the college calendar.
 - b. PCC refunds 100 percent to the student if PCC cancels the course section in which the student is registered who did not register for another course.
 - c. After an on-cycle course section begins, PCC refunds 75 percent to the student if the student officially withdraws or is officially withdrawn by PCC from the course section prior to or on either of the following, as determined by local college policy
 - i. The 10 percent point of the academic period; or
 - ii. The 10 percent point of the course section.
 - d. Off-Cycle Course Sections: PCC refunds 100 percent to the student if the student officially withdraws or is officially withdrawn by PCC prior to the first day of the off-cycle course section.
 - e. PCC refunds 100 percent to the student if PCC cancels the course section in which the student is registered who did not register for another course.
 - f. After an off-cycle course section begins, PCC refunds 75 percent to the student if the student officially withdraws or is officially withdrawn by PCC from the course section prior to or on the 10 percent point of the course section.
- I. To comply with applicable federal regulations regarding refunds, federal regulations will supersede the state refund regulations stated in this rule

If a student, having paid the required tuition or registration fees for a course section, dies prior to completing the course section, PCC refunds all tuition and registration fees for that course section to the estate of the deceased upon PCC becoming aware by proper documentation from the Executor/Administrator of the estate.

For a class(es) in which the College collects receipts which are not required to be deposited into the State Treasury account, the College shall adopt appropriate local refund policies.

*For Census Date, contact the Office of Student Development. For additional guidance, refer to [PCC Policy 6.4.6 Tuition and Registration Fee Refunds](#).

Military Tuition Refund Curriculum:

Pursuant to 23 NCAC 02D .0202 (f), upon the request of the student, each college shall:

Upon request of the student, grants a full refund of tuition and registration fees to military reserve and National Guard personnel called to active duty or active-duty personnel who have received temporary or permanent reassignments as a result of military operations that make it impossible for them to complete their course requirements. For additional guidance, refer to [PCC Policy 6.4.6 Tuition and Registration Fee Refunds](#).

- Buy back textbooks through the Colleges' bookstore operations to the extent possible. The College shall use distance learning technologies and other educational methodologies to help these students complete their course requirements under the guidance of faculty and administrative staff.

Extension:

Pursuant to 23 NCAC 02D .0203 (e), upon request of the student, each college shall:

- Grant a full refund of registration fees to military reserve and National Guard personnel called to active duty or active personnel who have received temporary or permanent reassignments as a result of military operations taking place outside the state of North Carolina that make it impossible for them to complete their course requirements; and,
- Buy back textbooks through the colleges' bookstore operations to the extent possible. Colleges shall use distance learning technologies and other educational methodologies to help these students, under the guidance of faculty and administrative staff, complete their course requirements.

Registration

The College operates on the semester system. The fall and spring semesters are 16 weeks in length (excluding holidays) and summer semester is eight weeks in length (excluding holidays). Students must register for each class they plan to attend. Semester registration is held at designated times and will be announced in advance.

Early registration and payment of fees are encouraged. Tuition and fees must be paid on or before the published payment deadlines. Early payment reserves a seat in class.

Students cannot participate in or attend any class unless they are officially registered for the class. There should be at least ten (10) students enrolled in a class for the class to be conducted unless special circumstances exist. Any student registering for classes at Piedmont Community College and at another

community college for the same semester must contact the Cashier in the Business Office. The Cashier will ensure that tuition charges are not excessive.

Admissions

Piedmont Community College subscribes to the open-door policy established by the North Carolina State Board of Community Colleges. The College provides educational opportunities for high school graduates or equivalents, high school leavers eighteen years old or older, high school leavers sixteen years old who have been granted release from a school system, or high school juniors and seniors who have obtained required approval from the high school/ homeschool they attend. The open-door policy applies to admission to Piedmont Community College programs which do not have restricted admissions. Procedures for special admissions programs are available upon request. The institution's graduation rate is available upon request from Office of Vice President, Student Development.

Applicants are encouraged to complete admissions procedures at least thirty days prior to registration. Early application is important since some program enrollments may be limited. There is no application fee. [Applications](#) may be obtained by visiting the College website.

All applicants receive counseling for financial assistance upon request.

General Requirements

Associate Degree Programs

High school graduation or the equivalent is required of all applicants for Associate Degree programs. The Adult High School Diploma or the High School Equivalency is acceptable in lieu of a high school diploma. PCC will only recognize high school diplomas from accredited schools and private high schools, or home schools.

Diploma and Certificate Programs

Applicants for admission to all Diploma and Certificate programs may be a high school graduate or equivalent; or 18 years old; or an individual, sixteen years old who has been granted release from a public school system; or an individual high school student who has obtained required approval from the high school/homeschool they attend.

Admissions

Associate Degree Programs

1. Complete an online admissions application.
2. Submit official transcript(s) of high school education and all post-high school coursework to the Office of Admissions. High School Equivalency scores or a transcript of courses for the Adult High School Diploma may be submitted in lieu of the high school transcript.
3. Complete admissions placement tests if required. Prospective students who have previously attended an accredited college or university and have completed college level courses in English and math may be exempted from the admissions placement tests.
4. Submit report of scores on SAT or ACT, if available. Scores may determine course selection. The College Entrance Examination Board sponsors an advanced placement program, which

enables high school students to complete college level courses by demonstrating their mastery of college level material through examinations. The scores on the examinations, if acceptable, will allow students to earn college course credit. The examinations are scored by the Educational Testing Service. Based upon the earned score, up to one year of credit may be granted.

5. Additional requirements are necessary for applicants who wish to enter Nursing, Medical Assisting, Emergency Medical Science, Gunsmithing, Sonography, and Practical Nursing programs. Students should contact the Office of Admissions for more information about these programs.

Diploma and Certificate Programs

1. Complete an online admissions application.
2. Complete admissions placement tests if required.
3. Additional requirements are necessary for applicants who wish to enter some programs. See the program guides posted on the College's website for specific information.

Special Students (students who do not plan to earn a certificate, diploma, or degree)

1. Complete an online application for admissions.
2. Special Students are ineligible to receive financial assistance from the College.
3. Special students seeking enrollment in a course for which there is a prerequisite must provide evidence of having met that requirement.
4. Special students will not be permitted to accumulate more than 16 credit degree/diploma/certificate hours without completing the regular admissions requirements.
5. When a program of study is declared, the student must complete all regular admissions procedures for the declared program.

International Students

1. Complete an online admissions application as well as the international Application Packet.
2. Submit and complete the international F-1 student visa admissions requirements by the application deadlines to gain an I-20 form.
3. Once students receive the I-20 form from admissions, take the I-20 form to the U.S. embassy or consulate office in your country and complete a non-immigrant visa application to apply for a student F-1 visa.
4. Provide an 'Affidavit of Financial Support'.
5. Provide an "International Student (F-1) Medical Form" which must be signed by a practicing physician.
6. Provide an "Affirmation Statement" affirming the student is the same person who submitted the application for admission.
7. Submit official transcript(s) of high school education and all post-high school course work to the Office of Admissions. If the records are not in English, an official translation must be included.
8. Provide evidence of proficiency in the English language.*
9. Complete PCC's Admissions Placement Tests.
10. Complete an admission interview with the Director, Admissions and Recruitment or designee.
11. Applicants must enroll full-time each semester.

**Evidence of English proficiency must come in the form of a statement from the American Embassy in the prospective student's country of origin or a score of 550 on the Test of*

English as a Foreign Language Examination (TOEFL). The institution code for Piedmont Community College is 5518.

Transfer Students

1. Complete an online admissions application.
2. Submit official transcript(s) of high school education and all post-high school course work to the Office of Admissions.
3. High School Equivalency scores or a transcript of courses for the Adult High School Diploma may be submitted in lieu of the high school transcript.
4. Complete the admissions placement tests if required.
5. Additional requirements are necessary for applicants who wish to enter Nursing, Medical Assisting, Emergency Medical Science, Gunsmithing, Sonography, and Practical Nursing programs. Students should contact the Office of Admissions for more information about these programs.

Readmission

1. Curriculum students who have not been enrolled for two consecutive semesters, excluding summer semester, must submit an updated [application](#) online. Applicants may come to the Office of Student Development for assistance.
2. Curriculum students dismissed from the College for disciplinary reasons must meet with the Vice President, Student Development to confirm eligibility for readmissions before resubmitting an application for admission.
3. Curriculum students who have been dismissed from the College for academic reasons must meet with an academic advisor in Student Development to confirm eligibility for readmission before resubmitting an application for admission.

Pathways for High School Students - College Transfer Pathway

1. The Career and College Promise College Transfer Pathway requires the completion of at least thirty semester hours of transfer courses, including English, Mathematics, and ACA 122 – College Transfer Success.
2. To be eligible for enrollment, a high school student must meet the following criteria:
 - a. Be a high school junior or senior (freshmen and sophomores may be considered upon meeting special criteria);
 - b. Have an unweighted GPA of 2.8 on high school courses; *OR*
 - c. Demonstrate college readiness on an assessment or placement test. A student must demonstrate college readiness in English, reading, and mathematics to be eligible for enrollment in a College Transfer Pathway.
3. To maintain eligibility for continued enrollment, a student must
 - a. Continue to make progress toward high school graduation; and
 - b. Maintain a 2.0 GPA in college coursework after completing two courses.
 - c. A student who falls below a 2.0 GPA after completing two college courses will be subject to the College's policy for satisfactory academic progress.
4. A student must enroll in one College Transfer Pathway program of study and may not substitute courses in one program for courses in another.
5. A student may change their program of study major with approval of the high school principal or their designee and the College's Chief Academic Officer.

6. With approval of the high school principal or their designee and the College's Chief Academic Officer, a student who completes a College Transfer Pathway, while still enrolled in high school, may continue to earn college transfer credits leading to the completion of the transfer degree associated with the pathway.
7. With approval of the high school principal or their designee and the College's Chief Academic Officer or Chief Student Development administrator, a student may enroll in both a College Transfer Pathway and a Career Technical Education program of study.

Pathways for High School Students - Career Technical Education Pathway (*Juniors & Seniors*)

1. The Career and College Promise Career Technical Education Pathway for juniors and seniors leads to a certificate or diploma aligned with a high school career cluster.
2. To be eligible for enrollment, a high school student must meet the following criteria:
 - a. Be a high school junior or senior (freshmen and sophomores may be considered upon meeting special criteria);
 - b. Have an unweighted GPA of 2.8 on high school courses; OR
 - c. Demonstrate college readiness on an assessment or placement test. A student must demonstrate college readiness in English, reading, and mathematics to be eligible for enrollment in a Career Technical Education Pathway.
3. To maintain eligibility for continued enrollment, a student must
 - a. Continue to make progress toward high school graduation; and
 - b. Maintain a 2.0 GPA in college coursework after completing two courses.
 - c. A student who falls below a 2.0 GPA after completing two college courses will be subject to the College's policy for satisfactory academic progress.
4. A student must enroll in one College Transfer Pathway program of study and may not substitute courses in one program for courses in another.
5. A student may change their program of study major with approval of the high school principal or their designee and the College's Chief Academic Officer.
6. With approval of the high school principal or their designee and the College's Chief Academic Officer or Chief Student Development administrator, a student who completes a College Transfer Pathway, while still enrolled in high school, may continue to earn college transfer credits leading to the completion of the Associate in Arts or Associate in Science.
7. With approval of the high school principal or their designee and the College's Chief Academic Officer or Chief Student Development administrator, a student may enroll in both a College Transfer Pathway program of study and a Career Technical Education program of study.

**Pathways for High School Students - Career Technical Education Pathway
(*Freshmen and Sophomores*)**

The Appropriations Act of 2013, S.B. 402, amended NC General Statutes 115D-20(4)a.2 to allow "academic transition pathways for qualified freshmen and sophomore high school students that lead to a career technical education certificate or diploma in industrial and engineering technologies.

1. The Career and College Promise Career Technical Education Pathway for freshmen and sophomores leads to an industrial or engineering certificate or diploma aligned with a high school career cluster.

2. The college may enroll high school freshmen and sophomores only in Industrial Technologies (Program Code 50xxx) and Engineering Technologies (Program Code 40xxx), Business (program code 25xxx) certificate and diploma programs.
3. To be eligible for enrollment, a high school student must meet the following criteria:
 - a) Be a high school freshman or sophomore;
 - b) A qualified freshman must:
 - i) have passed Math I with a grade of “C” or better;
 - ii) scored a 3, 4, or 5 on the 8th grade End of Grade ELA assessment;
 - iii) meet prerequisites for the career pathway; and
 - iv) have the recommendation of the high school principal or their designee (based on assessment of student maturity and ability to effectively participate in a class that may include adult students).
 - c) A qualified sophomore must:
 - i) have passed Math I with a grade of “C” or better;
 - ii) scored a 3, 4, or 5 on the 8th grade End of Grade ELA assessment;
 - iii) have a weighted GPA of 2.8 on high school courses;
 - iv) meet prerequisites for the career pathway; and
 - v) have the recommendation of the high school principal or their designee (based on assessment of student maturity and ability to effectively participate in a class that may include adult students).
4. College Career Technical Education courses may be used to provide partial or full fulfillment of a four-unit career cluster. Where possible, students should be granted articulated credit based on the local or state North Carolina High School to Community College articulation agreement.
5. To maintain eligibility for continued enrollment, a student must
 - a) Continue to make progress toward high school graduation; and
 - b) Maintain a 2.0 in college coursework after completing two courses.
 - c) A student who falls below a 2.0 GPA after completing two college courses will be subject to the College’s policy for satisfactory academic progress.
6. A student must enroll in one program of study and may not substitute courses in one program for courses in another. The student may change their program of study major to another industrial or engineering program of study with approval of the high school principal or their designee and the college’s chief student development administrator. A student may concurrently enroll in two engineering or industrial CTE programs of study provided the exception has been approved by the college’s Chief Academic Officer or their designee.

Denial of Admissions

The College reserves the right to refuse admission to any applicant who

1. has been suspended or expelled for disciplinary reasons from another educational institution
2. has an active court order or any other legal restrictions that prohibit admission
3. poses an articulable, imminent, and significant threat to others shall be evaluated by the Vice President, Student Development and Director, Campus Safety
4. Applicants who have been denied admission to the College may appeal the decision to the President. The appeal must be in writing and must be submitted within seven business days of the date of the written denial of admission.

Financial Aid

Piedmont Community College offers financial aid to qualified students from a variety of Federal, State and private sources. Students may apply for financial aid at <https://studentaid.gov/h/apply-for-aid/fafsa>. All applicants for financial aid must possess a high school diploma, high school equivalency, or prove ability to benefit, prior to awarding of funds. Financial aid options include the following:

Federal Pell Grant

Federal Pell Grant awards are based on financial need. A recipient must complete the Free Application for Federal Student Aid (FAFSA).

Federal Supplemental Educational Opportunity Grant

The Federal Supplemental Educational Opportunity Grant is funded by the Federal Government. A student must demonstrate need by completing the Free Application for Federal Student Aid (FAFSA).

Federal Work-Study

Federal Work-Study provides jobs for students who have a demonstrated financial need. Eligible students are employed at the institution on a part-time basis. The financial aid administrator will consider the student's need for financial assistance, class schedule, and academic progress, when assigning a job and determining how many hours a week a student may work under this program. The rate of pay is at least equal to the current minimum wage. A student must demonstrate need by completing the Free Application for Federal Student Aid (FAFSA).

Next NC Scholarship

The Next NC Scholarship combines the federal Pell Grant with state-funded financial aid to provide at least \$3,000 for full-time enrollment if you have an Adjusted Gross Income (AGI) no greater than \$80,000 and a Student Aid Index (SAI) no greater than 7,500. Students with the greatest need for financial aid could qualify for even more funding.

The State Employees Credit Union Foundation

The State Employees Credit Union Foundation "People Helping People" two-year scholarship program was established to assist North Carolina Community College System (NCCCS) students achieve academic success. Piedmont Community College may award two scholarships with a value of up to \$5,000 each. These scholarships are distributed semi-annually in two payments. Contact the Financial Aid Office for more details.

The Golden LEAF Scholars Program

The Golden LEAF Scholars Program offers scholarships for permanent residents of counties designated as an economically distressed highly tobacco dependent county and demonstrates an economic need under the federal TRIO formula (Person and Caswell Counties are included). Applicants must demonstrate the effect of the declining economy on the student's family, successful academic record, and involvement in leadership and/or community service. Contact the Financial Aid Office for more details.

Piedmont Community College Foundation

The Piedmont Community College Foundation administers private scholarships three times each year with application periods open in March, June, and October. Criteria for the scholarships listed below have been determined by each donor.

With just one application, every applicant has the opportunity to be considered for any curriculum scholarship for which he or she meets the requirements. Final selection of scholarship recipients is the responsibility of the Foundation's Scholarship Committee, comprised of representatives from the organization's board of directors.

Scholarships for short-term workforce development are also available. There are various funds for courses that offer certificates or credentials.

[Scholarship applications](#) are available on the College's website.

- William T. "Billy" Watkins Scholarship Endowment
- Womack Scholarship Endowment
- Zeke & Pam Smith Family and Friends 327 Scholarship Endowment

Student Consumer Rights and Responsibilities

Student Consumer Rights and Responsibilities Students have the right to ask:

- What financial assistance is available, including information on all federal, state and institutional financial aid programs.
- What the deadlines are for submitting applications for each of the financial aid programs available.
- What the cost of attending is, and what the refund policy is.
- What criteria are used to select financial aid recipients.
- How financial need is determined. This process includes how costs for tuition and fees, room and board, travel, books and supplies, personal and miscellaneous expenses, etc., are considered in each budget.
- What resources (such as parental contribution, other financial aid, assets, etc.) are considered in the calculation of need.

- How much financial need, as determined by the institution, has been met.
- About the various programs in the student aid package. If the students believe they have been treated unfairly, they may request reconsideration of the award made.
- How the school determines whether the students are making satisfactory academic progress and what happens if the students are not.

It is the student's responsibility to:

- Review and consider all information about a school's program before enrolling.
- Pay special attention to the application for student financial aid, complete it accurately, and submit it on time to the right place.
- Understand errors on financial aid application can delay processing and awarding of financial aid.
- Intentional misreporting of information on application forms for federal financial aid is a violation of the law and is considered a criminal offense subject to penalties under the U.S. Criminal Code.
- Return all additional documentation, verification, corrections and/or new information requested by either the financial aid office or the agency to which the application was submitted.
- Accept responsibility for all agreements signed.
- Notify the loan servicer of changes in name, address, or school status if the student has a loan.
- Perform in a satisfactory manner the work that is agreed upon in accepting a Federal Work Study award.
- Know and comply with the deadlines for application or reapplication for aid, the College's refund procedures, and the requirements for the return of federal and state aid when a student withdraws from school.

All students receiving financial aid, or any other aid administered by Piedmont Community College should be aware that their financial assistance is conditional upon maintaining good standing and satisfactory academic progress.

Violations of Piedmont Community College's Code of Conduct may result in a return of federal or state funds. Failure to maintain satisfactory academic progress may result in placement of the student on financial aid warning or financial aid suspension.

Financial aid may be reinstated upon regaining good standing and satisfactory academic progress. Students on financial aid suspension may appeal their satisfactory academic progress if they have mitigating circumstances.

Satisfactory Academic Progress Policy

Minimum Grade Point Average (GPA)

Students must maintain a cumulative GPA at or above 2.0. This minimum GPA calculation is specific to financial aid calculations and uses grades for all attempted hours except grades of EI, EW, WE and IE. Note: The minimum GPA for financial aid calculations should not be confused with the minimum GPA required for graduation. For additional guidance, refer to [PCC Policy 6.12 Grading System – Curriculum](#).

Minimum semester Credit Hour Completion Rate Requirement

Students must earn 67% of the cumulative credit hours attempted (hours earned, divided by hours attempted), where earned hours include A, B, C, D, P, P1, P2, P3, and CE (Credit by Exam), and attempted hours include all grades except EI, EW, WE and IE. For example, a first-year student who enrolls in 12 hours for the fall term must have completed at least 8.04 hours at the end of the fall term.

Completion of a degree within a maximum number of credit hours attempted

Students receiving financial aid will have a maximum time frame in which they are expected to complete their program of study. The maximum time frame at Piedmont Community College is 150% of the published length of the program of study per the student handbook/catalog. For example, a student enrolled in the Business Administration Associate Degree program (65 hours required) will be able to attempt 97.5 hours. Once students have attempted the maximum number of credit hours for their program of study, they will be placed on financial aid suspension. Transfer credits applicable to the program of study are included in the determination of maximum time frame. Moreover, if it becomes mathematically impossible for a student to complete their degree within this maximum timeframe, they are also deemed ineligible for federal aid and are placed on financial aid suspension. This determination is made when it's clear that the student cannot finish their program without exceeding the allowed timeframe.

Financial Aid Warning

Students not making satisfactory academic progress will be put on financial aid warning. Students on financial aid warning may be allowed one semester to achieve satisfactory academic progress. During the warning period, the student is eligible to receive financial aid. At the end of the warning period, academic progress will be evaluated to determine whether requirements have been met. If not, financial aid will be suspended until satisfactory academic progress is achieved or an appeal is approved.

Financial Aid Suspension

Students who fail to re-establish satisfactory academic progress during a period on financial aid warning will be placed on financial aid suspension.

Appeal Process

Students on financial aid suspension may appeal their satisfactory academic progress if they have mitigating circumstances. Examples of mitigating circumstances may include injury to student, illness of student or immediate family member, death of a relative or undue hardship due to special circumstances beyond a student's control. Students should submit their appeal form, along with their supporting documentation to the Financial Aid Office. The Appeals Committee reviews the student's appeal, and the Financial Aid Office notifies the student in writing of the committee's decision. If an appeal is denied, a student may follow the college's grievance and appeals procedure if they feel the policy has not been applied correctly. For additional guidance on Policy 7.12 Student Grievance Process, visit the College website at <https://piedmontcc.edu/about/policies-procedures/policies-procedures-section-7-students/>

Students on appeal must complete an Academic Plan. Students on an Academic Plan must achieve a 100% pass rate of all courses and a GPA of 2.5 or better during their terms on the plan. If they do not meet the requirements of the appeal, they will be placed back on financial aid suspension. Students

with extreme mitigating circumstances during their term(s) on appeal may submit a second and final appeal to the Dean of Enrollment Services.

The complete Satisfactory Academic Progress policy can be found on the Piedmont Community College website on the Financial Aid page.

Return of Title IV Funds Policy

For those financial aid students who completely withdraw from classes on or before the 60 percent point of the enrollment period for which they are charged, the College will calculate a return of Title IV funds. The unearned portion of Title IV Aid (Pell and SEOG Grants) must be returned to the Federal Government. Future eligibility for federal funding may be affected when a student withdraws from classes.

State Grant Return of Funds Policy

When a student withdraws on or before the 35 percent point of the enrollment period in which they are charged the College will calculate a return of State Grant funds. Students receiving state grants will be required to return any unearned portion of their state grants. Calculations as to the amount to be returned will be made using the return of funds policy outlined by the NC State Education Approving Agency.

*Alternative guidance from federal, state and/or institutional regulations may be applied to financial aid and/or veterans' affairs policies during a declared state of emergency issued by governmental agencies.

Veterans Educational Assistance Program

Persons who serve active duty in the Army, Air Force, Navy, Marines, and Coast Guard, as well as members of the National Guard and the five service components of the selected Reserve, may earn entitlement to educational assistance benefits as a veteran, or while on active duty or as a drilling Guard or Reservist*.

Educational Assistance Benefits are available for Veterans, Active-Duty Military, National Guard and Selected Reserve and, in some instances, spouse, surviving spouse, or child of the veteran who is totally disabled due to service connection or deceased as the result of service- connected disability. Individuals must qualify based upon conditions and benefits in effect at the time of entry into the service and kind of discharge issued upon separation.

**Visit the Department of Veterans Affairs GI Bill[®] website at www.benefits.va.gov/gibill for information on eligibility requirements.*

Veterans Benefits Procedures

Veterans who enroll in the College for the first time and wish to receive benefits should consult with the Veterans Affairs certifying officials in Building E, Person County Campus.

Veterans cannot receive benefits until they have completed all the admission procedures of the College; therefore, it is advisable to submit an application as early as possible. The Veterans Administration requires about six to eight weeks to approve an application for benefits. Veterans

need to supply appropriate information upon request, and failure to do so jeopardizes their receipt of benefits.

Veterans enrolling in approved courses must pursue the exact curriculum listed in the College catalog, unless adequate documentation is received from the corresponding program administration. Students must adhere to the college's attendance policy, maintain satisfactory academic progress, and exhibit satisfactory conduct for continued eligibility for benefits.

Independent study classes will be certified as distance learning unless the class meets the requirement to be certified as a resident class.

Standards of Progress

Veterans are not certified for auditing a course or distance learning remedial courses. A grade of "W" will be reported as a reduction in the number of certified hours to the Department of Veterans Affairs based on the last date the student attended class. A grade of "F", with a last date of attendance prior to the last day of the term will be reported as a reduction in the number of certified hours.

The student must maintain satisfactory academic progress as required by the College. If the student does not maintain satisfactory academic progress, the student is placed on academic probation. A veteran may receive Veterans Administration benefits for only (1) semester while on academic probation. If the student has not regained satisfactory academic progress after the following semester of enrollment, they may lose their benefits until they regain satisfactory academic progress.

*Alternative guidance from federal, state and/or institutional regulations may be applied to financial aid and/or veterans' affairs policies during a declared state of emergency issued by governmental agencies.

Student Life

Student Life Housing

Piedmont Community College does not have dormitory facilities nor assume responsibility for housing.

Identification Cards (ID)

Piedmont Community College is committed to providing a safe, healthy, and nurturing environment for all campus activities. In keeping with that purpose, the College issues student identification cards.

Student identification (ID) cards will be issued when the student is officially registered for classes. ID machines are in the Student Development Office on the Person County Campus and in a designated area on the Caswell County Campus. Visitors may obtain a temporary campus ID at the reception desk on the Caswell and Person County Campuses.

Student ID cards will admit students to social, cultural, and educational events on campus, and students must always have an ID card available for identification on campus. Student ID cards help PCC maintain a safe and secure environment, and students must provide identification when requested by

any College official. Students who do not display or cannot produce a College-issued ID card will be escorted to the Student Development Office for verification of enrollment. Students losing IDs will be charged a \$5 replacement fee.

First Aid and Illness

Any student who is ill or requires first aid should contact the instructor or the nearest employee of Piedmont Community College. First aid kits are provided in all buildings in the following locations:

| Building | Location |
|-----------------|---|
| A | Kitchen |
| B | B104/105 |
| C | C101 |
| D | D107 |
| E | E110, E120, E201 & Student Development |
| F | F101, F201, F204B, F208, F107, F201A, F209 |
| G | G109, G201, G204B, G206, G210 |
| H | H201, H208, Learning Commons Reference Desk |
| I | I110, I114, I115 |
| K | K103, K106, K116, K121, K129, K157, K213 |
| L | K105 |
| M | M101 |
| P | P116 |
| S | S100, S110, S120, S130 |

Automated External Defibrillators (AED) are provided in all buildings in the following locations:

| Building | Location |
|-----------------|-----------------|
| A | A109 |
| E | E146 |
| D | Lobby |
| G | G107B |
| H | Lobby |
| K | Lobby |
| P | P111 |
| S | S106 |
| T | T2603 |
| BDEC | Hall |

College Colors and Mascot

Piedmont Community College's school colors are green (HEX #00492C), Orange (HEX #F58220) and White (HEX #FFFFFF). The mascot is a horse called a "Pacer."

Student Center (Building E)

- The Student Center is open during regular College hours.

- Food service hours are determined by the food service contractor, in consultation with the Vice President, Administrative Services, and posted in the Student Center.
- Vending machine service will be available during the open hours of the Student Center.
- All students, faculty, and staff have priority use of the Student Center. Visitors may eat in the Student Center.
- Community groups wishing to use the Student Center must use procedures as spelled out in PCC Policy [4.4 Use of College Facilities](#) and must indicate when booking the facility if they plan to serve food.
- The Student Center facility, furniture, and equipment will be the responsibility of each person who uses the Student Center. In the event of damage or vandalism, the individual or individuals responsible will be held liable. Each case must be brought before the Vice President of Administrative Services for disposition.
- All violations of the Student Code of Conduct must be reported to the Vice President, Student Development.
- Each person is responsible for throwing personal trash in the waste cans or recycling receptacles as appropriate.

Bookstore (Building E, Lower Level)

Hours & Policies

- **Bookstore Hours**
 Mon. – Thurs., 8 a.m. – 5 p.m.
 Fri. – 8 a.m. – 12:30 p.m.
 Summer hours vary
 - Smoking, eating, and drinking are not allowed in the Bookstore.
 - Buyback Policy: Contact bookstore for current buyback policy.
 - **Textbook Refund Period**
 1. Textbooks must be returned within 10 days of the first day of classes. (Purchase receipt must be presented to receive a refund, and textbook must be in new condition).
 2. Refunds will be mailed for purchases made by cash and check. Please allow three weeks for processing. Purchases from financial aid will be credited to the appropriate financial aid account.
- Shoplifters will be prosecuted.

Career Services

Piedmont Community College provides several resources and support services to help students prepare for careers, learn job skills and identify employment opportunities. Career services are available to all students and graduates of our programs: certificate, diplomas, and associate degrees. Staff members are available to assist students in the Student Development Suite in Building E on the Person County Campus. The hours are Monday-Thursday from 8 a.m. - 5 p.m. and Friday 8 a.m. - 4 p.m.; other hours can be arranged by appointment. Walk-ins are also welcome. On the Caswell County Campus, careers services are available in the Student Development Office in K122.

The following services are offered:

- **Accenture Skills Academy:** Free access to a range of high-quality tutorials on career selection, the job application process, interviewing skills, and more.

- Career Coach Platform: A free online software program available to all PCC students. It is designed to assist students in identifying a viable career using the most current data on wages, employment, job posting and associated education and training.
- Career Fairs: Annually, PCC offers career fairs to introduce students to employers and professionals from various fields of study. Students are afforded the opportunity to complete job applications, speak directly with hiring managers, and share their resumes.
- Career Oriented Workshops: We offer various workshops throughout each semester geared towards strengthening skill sets and providing up-to-date information on career trends.
- Job Postings: Employers are encouraged to post job opportunities online through the Career Coach Platform. This is a free opportunity for employers. Students and community members can view the site easily under the Career Coach link on the PCC website or directly at <https://piedmontcc.emsicc.com/work-opportunities>

Additional services such as resume development, proof reading, job search strategies, and interviewing techniques are offered through the Workforce Development Department, located at the Business Development and Entrepreneurship Center, 105 North Main Street, Roxboro, NC.

Counseling Services

Counseling services for students are provided by the personnel of the Counseling Center during business hours at the Person and Caswell County Campuses. Information concerning entrance and graduation requirements, financial aid, employment trends, job opportunities, and student policies and procedures are part of the services provided by the Counseling Center staff. By the request of the student, counselors may administer and interpret assessment instruments to help the student better understand their strengths, needs, interests and values.

Accessibility Services

Piedmont Community College is in compliance with Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 (ADA) and the ADA Amendments of 2008. PCC ensures that policies, procedures, activities, and facilities are appropriately accessible to all students.

Federal Law prohibits PCC from making pre-admissions inquiries about disabilities. It is the responsibility of the student to self-identify through contact with Disabilities Services. The student must provide appropriate documentation to the Counselor/Disabilities Services.

It is strongly suggested that the student begin this process at least 30 days before the start of the semester in which they plan to enroll.

Advising

Each student is assigned an advisor during the admissions process. The advisor provides the student with information about educational, administrative, career, extracurricular matters; and guides the student through the chosen program of study. Students are encouraged to utilize advising services when planning courses each semester. Advisors can help students make the most of their educational experiences.

TRIO Educational Opportunity Center (EOC)

The TRIO Educational Opportunity Center (EOC) is a federally funded program that

provides college access to first-generation and low-income participants. The goal of the TRIO EOC Program is to increase the number of adult participants who enroll into post-secondary education institutions.

Types of Service

TRIO EOC services are free and include academic and personal advice, career workshops, information on postsecondary education opportunities and financial literacy; help in completing applications for college admissions, testing, financial aid, and coordination with postsecondary institutions. EOC also assists with media activities to acquaint the community with higher education opportunities.

Target Areas

The TRIO EOC serves 2500 participants annually and is hosted by Piedmont Community College, serving the counties of Alamance, Caswell, Chatham, Durham, Franklin, Granville, Person, Rockingham, Vance, and Warren. To serve each student more effectively, EOC partners with several agencies including NC Works Career Centers, Department of Social Services, county schools, churches, correction facilities, local housing authorities, area colleges, and universities, along with a plethora of other community partners.

For more information regarding the TRIO EOC program, please contact the Program Coordinator/Data Manager at (336) 322-2162.

Learning Commons

Located on the Person and Caswell County campuses, the Learning Commons serves as the central location for resources to help students succeed. The Learning Commons is a welcoming space that incorporates distance education, collaborative workspaces, resources for research, tutoring and testing, a College Transfer Center (Person County Campus), meeting areas, library instruction, and professional development. The goal of the Learning Commons is to be a one-stop shop to meet student needs and encourage engagement in an academic setting.

The Learning Commons has access to over 100 electronic databases and an audiovisual collection; other available services include library orientation and instruction, and research guides. Educational resources are available for use by faculty, staff, students, and the public.

North Carolina Community College Evergreen (NCCCE)

Piedmont Community College is networked with 58 other community colleges in the state. The online catalog gives users access to the collections of all NCCCE libraries. Patrons can request items from in-state or out-of-state libraries through an interlibrary loan system. Any fees for this service are paid by the patron. Most requests are filled within one to two weeks. The staff of the Learning Commons consists of specialists in several areas. The Learning Commons is responsible for print, electronic, and Internet resources, and for information literacy instruction. Learning Commons staff members are trained to assist patrons in locating and using materials that meet individual needs and interests.

Learning Commons policies and procedures are published on the college's web site and are posted in the Learning Commons.

Learning Commons Hours (subject to change and have a reduced schedule during Summer Semester and semester breaks.)

Person County Campus

Monday - Thursday: 8 a.m. - 8 p.m.

Friday: 8 a.m. - 4 p.m.

Saturday - Sunday: Closed

Caswell County Campus

By appointment

Tutoring

Tutoring is available in the Learning Commons on the Person County Campus, Mon.-Thurs. 8 a.m.- 8 p.m. and Fri. 8 a.m.- 4 p.m. in Fall and Spring (with abbreviated hours in Summer). Tutoring hours are available by appointment on the Caswell County Campus. Students can sign up for a face-to-face, or virtual appointment at piedmontcc.mywconline.com. First-time users will be prompted to set up an account. Walk-ins are also welcome.

Student's Role in Institutional Decision-Making

The President of the SGA is an ex-officio, non-voting member of the Board of Trustees. Students appointed by the SGA and approved by the President of the College serve as active members on the following standing committees of the College: Curriculum, Distance Learning, Community Engagement, Environment/Safety, Institutional Effectiveness, Learning Commons, Marketing, QEP Steering, Student Affairs, and Technology. Other ad hoc committees or task force groups are established periodically and may seek student representation. Students serving on program advisory committees are appointed by faculty in the program area.

Student Government Association (SGA)

Piedmont Community College's SGA serves as the official student body organization representing the best interests of the students and the College. The SGA will provide opportunities for students to engage in professional development activities and will serve as a liaison to the administration of the College. The SGA will act as the coordinating body for all student clubs and organizations. The executive officers (as defined in the SGA Constitution) will serve as the governing body of the student government and will focus on the following activities:

- Communication—Finding better ways to communicate what is happening on campus through campus social media, flyers emails, and community resources.
- Community Relations—Activities such as the Angel Tree, bloodmobile, and other community services.
- Funding—Managing, allocating, and evaluating the use of budgeted funds generated by the Student Activity Fee and other sources.
- Leadership Development—Utilizing workshops and conferences to expand the development of student leadership.
- Student Clubs—Reviewing the activities of current clubs and organizations on campus along with chartering new clubs and organizations.

- Student Involvement—Increasing students involved in activities, organizations on campus, and encouraging the formation of new clubs and organizations that will encourage increased student involvement.
- Student Issues—Current issues, needs of students, and needs of future students to be addressed in accordance with SGA policies.
- Student Representation—The SGA Executive Council will make sure that all students have the opportunity to have their issues heard and addressed.

Student Clubs, Organizations, and Committees

A student's experience at Piedmont Community College does not begin and end in the classroom. Various activities, opportunities and functions of a social and professional nature are offered in order to provide a well-rounded campus atmosphere. The College encourages participation in student organizations and activities.

All student organizations must be approved by the administration and chartered by the Student Government Association. Activities of the organization must be approved by the assigned faculty or staff advisor under the supervision of the Vice President, Student Development. Each organization must meet and adhere to the criteria and procedures established by the administration and the Student Government Association. Copies of the criteria and procedures may be obtained from the Office of Student Development.

- Pacer Gaming Club: Provides a forum for Piedmont Community College students interested in video, board, card, tabletop games, and/or digital art and design to congregate and find community.
- Piedmont Community College Ambassadors: The Piedmont Community College Ambassadors are an honorary group of students who have been nominated and selected by faculty and staff to represent the College at special events on campus and in the community. The PCC Ambassadors receive financial support from the Piedmont Community College Foundation. Duties of an ambassador include giving campus tours, hosting campus activities, speaking to community groups, assisting with Foundation activities, assisting with student activities and welcoming groups to the campus.
- Rotaract Club: The Rotaract Club of Piedmont Community College is a service-oriented organization sponsored by The Rotary Club of Roxboro. The Rotaract Club organizes activities such as volunteering, fundraising events, social gatherings, and professional skills workshops. Rotaract Club members engage in hands-on service projects at a local and international level, develop leadership skills, and network with peers and professionals in various fields. The Rotaract Club offers students at PCC the opportunity to make a positive impact on their community and the world.
- Student Nursing Association (SNA): The purpose of the Student Nursing Association is to promote health care in the community, supplement the cost of the nursing program at Piedmont Community College for students, and promote awareness and recognition of the Associate Degree Nursing program at Piedmont Community College.

Social and Cultural Activities

The Student Government Association sponsors socials, dances, films, art shows, musical entertainment, voting initiatives, forums, and related activities of interest to the students and the community. Students may participate in the planning and choice of these activities through working with SGA committees. All students are notified of these events by announcements electronic signage, campus bulletin boards, flyers, emails, etc.

Honors Association

Phi Theta Kappa (PTK): Phi Theta Kappa is an international honor and service society. The major purposes of Phi Theta Kappa are to encourage scholastic effort and reward academic merit, to stand for and promote worthy character and high ideals and to foster, disseminate and improve education through service projects. Phi Theta Kappa is open to students who have completed at least 12 semester hours in an associate degree program or at least six semester hours towards a certificate with a cumulative grade point average of at least 3.5.

Awards and Honors

Each year, Piedmont Community College faculty and staff nominate outstanding students for various honors; these awards are presented annually at the College's Honors Convocation ceremony.

Student Literary Magazine

ReFormations is PCC's literary magazine, which was founded in the 2023-2024 academic year. The magazine is published annually and features creative work, scholarship, and art of the Pacer community—faculty, staff, and students. Each fall and spring, there will be a call for submissions for the magazine, and it will be published each year in the spring semester.

For more information on the publication, reach out to the faculty advisors, Dr. Chandler Fry (chandler.fry@piedmontcc.edu) or Ryan Smith (ryan.smith@piedmontcc.edu) and be on the lookout for the call for submissions in the next academic year.

Student Publications

Student-generated publications will be used to inform faculty, staff, and the student body of activities, events, or general information related to PCC. The Director, Student Engagement, is responsible for monitoring SGA student generated publications.

Students interested in working on student-generated publications should contact the SGA for more information. Club and organization advisors are responsible for monitoring club and organization student-generated publications. The Director, Student Engagement should approve all publications created by clubs or organizations before posting.

For student generated publications the student is responsible for contacting the Director, Student Engagement for final approval before posting any student-generated publication. All student-generated publications must be consistent with the policies and procedures of PCC and the PCC style guide. Student-generated publication is defined as any publication (examples include social media, flyers, PCC Pacer articles, etc.) created by the Student Government Association (SGA), student clubs and organizations, or an individual student.

Policies and Procedures

Administrative Office Hours

The administrative offices are open Monday through Thursday from 8 a.m. to 5 p.m.; Friday 8 a.m.-4 p.m. unless otherwise posted. Office hours are subject to change during the summer months. Evening and weekend supervision is provided on both the Person and Caswell County campuses in coordination with course offerings.

Inclement Weather Policy and Procedures Curriculum and Off-site Classes

If weather conditions are sufficiently severe to cause hazardous driving conditions and/or limit accessibility to the campus and campus parking areas, the President or designee will decide if classes are to be cancelled. For additional guidance, refer to on [PCC Policy 2.10 Inclement Weather](#).

Announcements regarding class changes will be made on PCC's social media, website, and the following radio and television stations:

- WKRX/WRXO-Roxboro (96.7 FM)
- WAKG-Danville, VA (103.3 AM)
- WRAL Raleigh (101.5 FM)
- WTVD-Durham (Channel 11)
- WRAL-Raleigh (Channel 5)
- WFMY-Greensboro (Channel 2)

Individuals may also receive notices of class cancellations via the Emergency Alert System described below.

Emergency Alert System

The Emergency Alert System (EAS) is activated when the switchboard is notified of an incident and contacts a College Safety Official, the President, or any available Vice President. Notifications of emergencies will be communicated via Connect (includes text message, voice recorded calls, and e-mail), Voice/IP speaker phones and verbally via College Safety Officials.

The President or designee will determine when a message is to be broadcast and activate the Emergency Alert System.

It is extremely important that all faculty and staff assist with announcements of emergency information as all visitors and students may not hear or understand the emergency message.

The [Emergency Alert System](#) via Connect is an opt-in process. You must visit the College's website and click on the Campus Alert button to connect to your account. Follow the directions on the sign-up page to your preferred contact information. Only PCC students and employees may receive the notification service.

Visit the College's website to sign up for the [Emergency Alert System](#)

Campus Visitors

Visitors to the campus who are driving their own vehicles must check in at the Administration Building reception area. If the visitor is staying for over one hour, he or she is asked to park in the student parking lot.

While friends and relatives of students or other visitors are welcome on the Piedmont Community College campus, these persons must agree to conduct themselves according to the Student Code of Conduct. Visitors who refuse to abide by this Code are asked to leave by college safety personnel or by other administrative personnel. Any problems are referred to the civil authorities if necessary. All visitors may be asked to present their identification and state their business by staff members of Piedmont Community College.

Visitors who would like a tour of the campus may request this at the reception area of the Administration Building and arrangements will be made for a guide.

While students are encouraged to invite their families to campus for planned student activities such as Awards Night and Graduation, visits on campus by young children are discouraged except for these appropriate occasions. Children must always be under adult supervision. The College will not assume responsibility or liability for unsupervised children. Family pets are not permitted on campus.

Bringing children to campus for extended periods of time or on a regular basis is prohibited. When attending classes, students should not bring children with them to campus. Children should not be brought to other campus facilities such as the Student Center, Student Success Center, or Learning Commons except for brief and occasional visits.

Facilities Utilization

All community groups wishing to use the Piedmont Community College facilities must apply to the Vice President for Administrative Services.

Staff and Student Responsibilities

In an educational environment, each instructor has the responsibility to maintain a classroom climate conducive to student learning. The instructor also has the authority to dismiss students from class or remove any element that disrupts that climate or interferes with the rights of other members to learn. The instructor does have an obligation to make students aware of rules for the class and to inform students if they are violating any class rules. Students are encouraged to express their opinions and ideas in class in an orderly manner since a free exchange of views enhances the learning process. However, verbal combat and abuse between or among students and instructors are unacceptable in teaching/learning situations.

Piedmont Community College honors the right of free discussion and expression, peaceful picketing and demonstrations, and the rights of petition and assembly. However, willful disruption of the educational process, destruction of property, and interference with the rights of others are not tolerated. It is the policy of the College to deal with any such disruption, destruction, or interference promptly and effectively, but also fairly and impartially, without regard to race, religion, sex, or political beliefs. Persons who engage in, or incite others to engage in, disruptive

acts shall be subject to prompt and appropriate disciplinary action, which may include suspension, expulsion, discharge, or dismissal from the College.

All students are encouraged to maintain and take pride in neat, clean, and appropriate clothing and appearance while on campus. Safety in vocational shop areas requires the wearing of shoes, safety glasses, and, in some cases, protective clothing. Instructors explain to students the clothing necessary in their areas.

Violations of the Piedmont Community College Code of Conduct may result in disciplinary action, and expulsion from the College and/or legal action against the violators. For additional guidance, refer to [PCC Policy 7.5 Code of Conduct](#).

Code of Conduct

All students at Piedmont Community College have the same rights and privileges of any adult citizen of the United States. The students at Piedmont Community College are required to always conduct themselves as responsible adults.

For additional guidance, refer to [PCC Policy 7.5 Code of Conduct](#).

Tobacco Use Policy

Effective August 1, 2017, PCC prohibits the use of tobacco products on PCC property. Tobacco products include cigarettes, cigars, cigarillos, blunts, pipes, bidis, hookahs, chewing tobacco, dip, smokeless tobacco, snuff, vapes, or any other items containing tobacco products or reasonably resembling tobacco or tobacco products, including electronic cigarettes. Tobacco use includes smoking, chewing, dipping, or any other use of tobacco products.

Students who repeatedly violate this policy will be referred to the student disciplinary process. Visitors, volunteers, contractors, or other service providers who repeatedly violate this policy will be asked to leave PCC property.

Alcohol and Drug Abuse Policy

It is the policy of Piedmont Community College to comply with the Drug-Free Schools and Communities Act of 1989 (Public Law 101-226), as implemented by regulations contained in 34 CFR Part 86, Subpart B. Therefore, it is the policy of Piedmont Community College that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance on the College's campuses or at any site or activity operated by Piedmont Community College is prohibited. Any student violating this policy will be subject to disciplinary action up to and including permanent expulsion.

Students who violate the College's policies relating to drug abuse will be referred to the appropriate legal agencies for prosecution under the federal and state laws governing the use and possession of a controlled substance. North Carolina General Statute 90-95 prohibits the unlawful manufacture, sale or delivery or possession of controlled substances.

Persons who violate this statute may be convicted of a felony and may be imprisoned for up to 10 years or fined up to \$10,000 or both at the discretion of the court. Use of alcoholic beverages may

result in referral to counseling programs and/or legal agencies for prosecution under federal and state laws.

Each employee or student is required to inform the College, in writing, within five (5) days after he or she is convicted for violation of any federal, state or local criminal drug statute or alcoholic beverage control statute. A conviction means a finding of guilt or the imposition of a sentence by a judge or jury in any federal or state court.

Those who desire counseling or treatment for the abuse of alcohol or drugs, you should contact any of the following agencies:

Those who desire counseling or treatment for the abuse of alcohol or drugs, you should contact any of the following agencies:

- Alcohol-Drug Council of NC 1-800-688-4232
- Freedom House 355-C S. Madison Blvd. Roxboro, NC 27573 (336) 599-8366
- Durham Co. Substance Abuse Service, District 32 P.O. Box 61281, Durham, NC 27705 (919) 286-9499
- Alcoholics Anonymous Alcoholism Information Center (919) 286-9499
- Alamance-Caswell-Rockingham Area Local Management Entity (336) 694-4333

Infectious Disease Policy

Students infected with a communicable disease will not be excluded from enrollment or restricted in their access to college services or facilities, unless medically based judgments in individual cases establish that exclusion or restriction is necessary for the welfare of other members of the institution. For additional guidance refer to [PCC Policy 7.16 Infectious Diseases](#).

FERPA

The Family Educational Rights and Privacy Act provides students the following explicit rights with respect to their education records:

- ☐ To inspect and review records covered under FERPA
- ☐ To challenge (seek correction of) the content of these records
- ☐ To a formal hearing, if necessary, for a fair consideration of such a challenge
- ☐ To place an explanatory statement in the record in the event that a challenge of contents is unsuccessful
- ☐ To control, with certain exceptions, the disclosure of the contents of the records
- ☐ To be informed of the existence and availability of the College policy covering FERPA rights

The following information is categorized as “directory information” and release does not require consent of the student: student’s legal name, (for additional guidance, refer to [PCC Policy 6.17.1 Chosen First Name](#)) PCC student email address, city, program of study, dates of attendance, and credentials and awards received. Currently enrolled students may request that directory information not be disclosed by completing the appropriate form available in the Student Development Office by the end of late registration each semester.

Questions concerning PCC policy and procedures on educational records may be directed to the Student Development Office. For additional guidance, refer to [PCC Policy 7.6 The Family Educational Rights and Privacy Act of 1974](#).

Grievance and Student Appeal Procedure

Piedmont Community College encourages the resolution of all non-discipline related disputes involving students through open and informal communication between the affected parties. If a non-disciplinary dispute remains unresolved, students are provided due process to seek a resolution.

Final Course Grade Appeal Procedure

Piedmont Community College encourages the resolution of all final course grade disputes through open and informal communication between the affected parties. If a final course grade-related dispute remains unresolved, students are provided due process to seek a resolution. For additional guidance, refer to [PCC Policy 7.12.3 Final Grade Appeal Process](#).

Statement of Nondiscrimination

Piedmont Community College is committed to the principle of equal opportunity. It is the policy of the College not to discriminate on the basis of race, color, religion, sex, or any other legally protected status with regard to its students, employees, or applicants for admission or employment. Such discrimination is also prohibited by federal law. Any complaints alleging failure of this institution to follow this policy should be brought to the attention of the College's Affirmative Action Officer who is the Vice President for Administrative Services.

Disabled

Piedmont Community College does not discriminate on the basis of handicap in the recruitment and admission of students, the recruitment and employment of faculty and staff or in the operation of any of its programs and activities, as specified by federal laws and regulations. The designated coordinator for compliance with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973, as amended, is the Vice President for Administrative Services.

Vocational Rehabilitation

By act of Congress, any physically handicapped student may be eligible for scholarship assistance under the provisions of Public Law 565. Application for this scholarship aid should be processed through the District Vocational Rehabilitation Office nearest the applicant. Inquiries may be directed to the Financial Aid Office.

Title IX Complaint Process

Piedmont Community College (PCC) is committed to the provision of equal opportunity as required by North Carolina General Statute 115D-77 and by Title IX of the Education Amendments of 1972, 20 U.S.C. Section 1681 et seq (Title IX) and its implementing regulations, 34 C.F.R. Part 106. Therefore, PCC will not discriminate on the basis of sex in the education programs, or activities it operates.

Title IX of the Education Amendment of 1972 is a federal law that prohibits discrimination on the basis of sex in educational programs, activities, and employment practices. Therefore, students,

employees, applicants, and other members of the PCC community (including without limitation, vendors, visitors, and guests) may not be subject to discrimination or harassment or otherwise treated adversely based upon a protected characteristic. This includes, without limitation, sexual harassment, sexual assault, domestic violence, dating violence, and stalking.

Title IX applies to conduct occurring on campus, during any College program or activity on or off-campus, including academic programs, admissions, recruitment, financial aid, employment, as well as certain off-campus conduct perpetrated or suffered by a PCC student, employee, staff member, or third-party member of the College community.

The College encourages individuals to report all gender-based misconduct immediately to the Title IX Coordinator, or another College staff or faculty member. The College will fully and promptly investigate all allegations of gender-based misconduct and will impose disciplinary measures, or take similar actions, as may be appropriate.

Title IX Coordinator

The Title IX Coordinator may be contacted in any of the following ways:

- Direct meeting Title IX Coordinator, Building E, Room 146
- Email: titleix@piedmontcc.edu
- Phone: (336) 322-2163

Harassment Policy

It is the policy of PCC to maintain a work environment and a learning culture that is free from harassment and intimidation of any kind, including harassment on the basis of race, color, religion, sex, national origin, or any other protected status. Additional guidance on PCC [policy 2.17](#) can be found on the College's website.

Sexual Assault

Piedmont Community College is committed to providing an academic environment free of sexual assault, as required by Title IX of the Education Amendments of 1972, 20 U.S.C. Section 1681 et seq (Title IX) and its implementing regulations, 34 C.F.R. Part 106; and the 1992 Higher Education Amendment to the 1990 Crime Awareness and Campus Security Act. Additional guidance on PCC [policy 2.8](#) can be found on the College's website.

Clery Act

The federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires colleges and universities, both public and private, participating in federal student aid programs to disclose campus safety information, and imposes certain basic requirements for handling incidents of sexual violence and emergency situations. Disclosure about crime statistics and summaries of security policies are made once a year in an Annual Security Report (ASR), and information about specific crimes and emergencies is made publicly available on an ongoing basis throughout the year.

For more information, visit the Campus Safety [Campus Safety](#) page on the PCC website or visit the College Safety office on the Person County Campus, Building E, Room 229A.

Emergency Procedure

During any emergency first contact 911, then notify the College Switchboard for assistance:

- Dial 0 (zero) on any Person County Campus phone;
- Dial (336) 599-1181 on a cell phone;
- Dial (336) 694-5707 on the Caswell County Campus

Report all Incidents and Emergencies in writing to the Office of College Safety using the approved college incident report.

Safety Quick Reference Guide

Color-coded Safety Quick Reference Guides are posted in classrooms and public areas throughout the College. These Guides provide instructions for responding to the following types of safety emergencies:

- Child Abduction / Missing Child
- First Aid / CPR / AED
- Bomb Threat
- Hazardous Material / Chemical Spill
- Fire / Evacuation
- Severe Storms / Tornado
- Violent & Nonviolent Behavior
- Active Shooter

Academic Regulations

Student Course Load

A full-time student is one who is enrolled in a minimum of twelve (12) semester credit hours in a degree, diploma, or certificate program. A normal course load is fifteen (15) semester credit hours with a maximum of twenty-one (21) semester credit hours. A full-time Summer semester student is one who is enrolled in a minimum of 9 total semester credit hours with a maximum of twelve (12) semester credit hours. *Federal Financial Aid regulations define full-time status for aid at 12 semester credit hours for any semester.

A student who desires to register for additional coursework above the maximum indicated for the curriculum must secure a recommendation from the faculty advisor and approval from the Vice President, Instruction/Chief Academic Officer.

Class Attendance

At Piedmont Community College (PCC), regular attendance at all class meetings is necessary for student success. For additional guidance, refer to [PCC Policy 6.8 Class Attendance](#).

Advanced Placement Examinations

The College Entrance Examination Board sponsors an advanced placement program, which enables high school students to complete college level courses by demonstrating their mastery of college level material through examinations. The scores on the examinations, if acceptable, will allow students to earn college course credit. The examinations are scored by the Educational Testing Service. Based upon the earned score, up to one year of credit may be granted.

Advanced standing credits applied toward graduation may be granted for a minimum score of three (3) on AP exams equivalent to a Piedmont Community College class. In determining the grade point average for graduation, only the quality points earned for courses taken at PCC will be considered.

Placement Testing

Only students without a high school GPA are required to take the placement test. This includes students who graduated from foreign high schools, those whose GED scores are <170 on each section, and some home-schooled students. A student can use ACT or SAT scores in lieu of their GPA. Contact the Admissions office for the scores.

Any student who would like to take a placement test may do so; the student must contact the Admissions office.

The results of these tests determine the courses a student will enroll in during the first semester of attendance.

Adding Classes

A student may add a class after the general registration period by contacting their advisor. Classes may be added through the 10% census date.

Students who add classes after the general registration period are responsible for attending the class and/or completing enrollment verification by the census date.

Multiple Entry Points

The College offers a variety of curriculum course schedules and start dates. Some classes are a full 16 weeks, while others may be shorter. We offer a variety of 8-week courses in the first and second 8 weeks. Even after the semester begins, there are still opportunities to enroll in courses. Start and end dates for all courses are included on the student's course schedule in Self-Service.

Withdrawals

A student may withdraw from class or the College by completing a withdrawal form, which is available in [TeamIA](#). The electronic approval of the student's instructor(s) is required to finalize the withdrawal. A student who does not participate in a course for two consecutive weeks may be withdrawn by the instructor through the 70% point of the course. If a student stops participating after the 70% point, the instructor is authorized to award the student an I or the grade earned. For additional guidance, refer to [PCC Policy 6.9 Deletes, Drops, and Withdrawals](#).

Transfer Credit

Piedmont Community College will determine transfer credit for courses taken at accredited institutions by the Registrar, upon recommendation of the instructional dean in collaboration with the program coordinator or content area expert, as needed. Transfer credit will be based on the following:

- An official transcript is submitted by the student.
- A grade of "C" or better was earned in the course.
- The content and number of credit hours of the course to be transferred parallels the content and number of credit hours of the course offered at PCC. One quarter hour = 0.67 semester hour.

- The course is part of the requirements for the program of study that the student is following at PCC.
- Transfer of courses with NUR prefix is at the Director of the Nursing program's discretion.

Due to the open-door policy for admission established by the State Board of Community Colleges, all transfer students are admitted in good standing. To earn a degree, diploma, or certificate from PCC, a student must earn at least 25% of the credit hours required for the specific program at PCC. For additional guidance, refer to [PCC Policy 6.10 Credits – Curriculum](#).

Transfer Credit to Other Colleges

The determination of what credit will transfer from Piedmont Community College to another institution rests with the receiving institution. Students interested in transferring credit to another college should contact the institution being considered. Transfer will be facilitated by the Comprehensive Articulation Agreement. For additional guidance, refer to [PCC Policy 6.10 Credits - Curriculum](#).

Course Prerequisite

To ensure that all Piedmont Community College students are prepared to successfully complete college-level course work, prerequisite courses have been established. Courses may be taken only after all prerequisites have been met. For additional guidance, refer to [PCC Policy 6.11 Prerequisites/Co-Requisites](#). Any waiver of prerequisite must be approved by the appropriate instructional dean.

Course Substitutions

A student may request permission to substitute another course for a course in the student's program of study. The course must be at least equal in semester credit hours and similar in content to be eligible for substitution. The student's advisor or program coordinator must submit an electronic request including the rationale for the substitution through TeamIA. Approval for the substitution must be obtained from both the respective instructional dean and Vice President, Instruction.

College Level Examination Program (CLEP) and Defense Activity for Non- traditional Support (DANTES) Program

Appropriate scores on the CLEP or DANTES general and specific examinations may result in credit for up to 20 semester hours where applicable to the student's program of study. The appropriate faculty member and Office of Student Development determine the applicability of the examinations to the student's program of study.

Military Education and Training

- ☐ At minimum, the College shall award CPL based on military education and training consistent with the standards adopted by the appropriate Military Prior Learning Academic Panel. The College may award CPL for military training and education related to occupations and/or courses for which standards have not been established by an approved Military Prior Learning Academic Panel.
- ☐ Once the Office of Admissions receives official transcripts, the Registrar will submit the information to the American Council of Education College Credit Recommendation Service for review and assessment.
 - The Registrar will consult with the appropriate instructional dean that houses the courses for credit and subsequently issue credits based on the American Council of Education's Guide to the Evaluation of Educational Experiences in the Armed Services. Applicability of credits to degree

programs is determined by the academic department requirements. For additional guidance, refer to [PCC Policy 6.10.1 Credit for Prior Learning](#).

Credit for Prior Learning

Piedmont Community College (PCC) awards credit to students for prior learning through non-credit coursework and from previously completed instruction, training programs, and experiences. For additional guidance, refer to [PCC Policy 6.10.1 Credit for Prior Learning](#).

Grading System

| Grades | Grade Points | |
|--------|-------------------------|-----|
| A | Superior | 4 |
| B | Above Average | 3 |
| C | Average | 2 |
| D | Below Average | 1 |
| F | Failure | 0 |
| W | Withdrawal | * |
| WE | Withdrawal Emergency | *# |
| I | Incomplete | 0 |
| IE | Incomplete Emergency | 0# |
| AU | Audit | * |
| CE | Credit-by-Examination | * |
| AP | Advanced Placement | * |
| TC | Transfer Credit | * |
| NS | No Show | * |
| P | Pass | * |
| P1 | Pass-Tier 1 | * * |
| P2 | Pass-Tier 2 | * * |
| P3 | Pass-Tier 3 | |
| | Repeat – Developmental | * |
| R | Course only or Reenroll | |
| TP | Tech Prep Credit | |

Explanation of Special Grades

- **I (Incomplete):** indicates that a student is unable to complete the course requirements within the semester. The student must complete the remaining course requirements by the end of the following semester (Summer Semester is excluded) or the agreed upon date in less than one semester. If not completed, the I grade becomes a F. A student's grade point average will be recomputed when the instructor files a Special Conditions Report with the Office of Student Development changing the I grade to a permanent grade of A, B, C, D, F or W.
- **AU (Audit):** indicates that a student chooses to attend a course but does not desire to earn credit. The intent to audit a course must be indicated at the time of registration. Course audits will be allowed on a space available basis. An audit cannot be changed to credit or credit to audit after the deadline for adding courses.

No course may be audited more than two times within a five-year period. Attendance, preparation, participation in the classroom discussion, laboratory exercises, examination and tests shall be agreed upon with the instructor. The tuition for auditing a course is equal to the tuition for registering for a course for credit. Courses taken for an audit grade are not eligible to be included in Pell Grant or Veterans Education Benefits.

- **CE (Credit-by-Examination):** Indicates that a student has demonstrated above average mastery of the course content on an examination. A grade of CE carries no grade points, but credit is received for the course. Credit-by examinations are given each semester. Eligibility to take a credit-by-examination may be based on high achievement in secondary schools, postsecondary schools, or experience. Arrangements for examinations should be made with the content area instructor. A student may complete only 50 percent of the courses in a program of study through credit-by-examination. Credit hours received through credit-by examination are not used in computing financial aid or Veterans Education benefits. A student who receives an F, I or W grade in a course is not eligible to attempt credit-by- examination for that course. Credit-by-examination may only be attempted once for each course.
- **AP (Advanced Placement):** Indicates that a student has demonstrated mastery of course content through the College Board Advanced Placement (AP) Program.
- **TC (Transfer Credit):** Refers to credit received from other accredited institutions.
- **NC (No Credit):** The student has been unable to meet the course objectives in the specified time and must reenroll to earn credit. To receive this grade, the student must have satisfactory attendance through the last meeting. This grade can be given only once for a specific course and will be used in developmental classes only.
- **NS (No Show):** The student has not attended the class prior to the Census point and is dropped with a grade of NS.
- **W (Withdraw):** A student withdrawing prior to 70% Point of the class shall receive a grade of a W. W grade is not used to compute the student's GPA.
- **WE (Withdraw Emergency):** Indicates that a student is unable to complete the course requirements given the unique nature of the natural emergency or pandemic.
 - A student withdrawing due to a natural emergency or pandemic will receive a grade of WE.
 - WE grade is not used to compute the student's GPA. Piedmont Community College Policy & Procedures Manual, page 6 of 9.
 - WE grades can be initiated until the 90% point by a faculty or student.
- **IE (Incomplete Emergency):** Indicates that a student is unable to complete the course requirements within the semester, given the unique nature of the natural emergency or pandemic.

- The student must complete the Incomplete Form which outlines the remaining course requirements to be completed and the deadline for completing them before the IE grade becomes an F.
 - A maximum timeframe of one year, excluding summer semesters, will be allowed for IE grades.
 - The student's grade point average will be recomputed when the instructor files the appropriate Grade Change form with the Registrar changing the IE grade to a permanent grade of A, B, C, D, F, P, P1, P2, P3, or R.
- **P (Passing):** Indicates the student successfully completes a course or “shell” in developmental math (DMS or DMA) and developmental reading/writing (DRE).
 - **P1 (Passing Tier 1):** Indicates the student successfully completes Tier 1 in RISE Transition courses.
 - **P2 (Passing Tier 2):** Indicates the student successfully completes Tier 2 in RISE Transition courses.
 - **P3 (Passing Tier 3):** Indicates the student successfully completes Tier 3 in RISE Transition courses.
 - **R (Repeat):** Indicates the student does not successfully complete a course or “shell” in developmental math and developmental reading/writing.
 - **TP (Tech Prep):** refers to credit received for documented college level competencies achieved through articulation agreements with area high schools.

Change of Grade

Once a grade has been awarded, it may be changed only by the instructor through electronic submission of a Special Conditions Report through TEAMia. Grades may be appealed using the College's [Grade Appeal Process](#).

Unit of Credit

The unit of credit is the Semester Hour and is based on a 16-week term. A Semester Hour is equal to:

- One hour of classroom instruction per week for one semester
- Two hours of laboratory instruction per week for one semester, or
- Three hours of laboratory instruction per week for one semester
- Three hours of clinical instruction per week for one semester
- Ten hours of cooperative work experience For additional guidance, refer to [PCC Policy 6.12 Grading System – Curriculum](#).

Grading Points

Grade points, the numerical equivalent to the letter grade, are used to determine academic honors and the student's rank in class.

- The grade point average is computed by dividing the total number of grade points earned by the total number of semester hours attempted. All courses attempted will be shown on the official

transcript. Only courses earning letter grades A, B, C, D, or F, or I are computed in the grade point average. For additional guidance, refer to [PCC Policy 6.12 Grading System – Curriculum](#).

Example:

| Course | Grade | Credit Hours | Grade Point | Total Points Earned |
|------------------------------|-------|--------------|-------------|---------------------|
| ECO 251 | C | 3 | 2 | 6 |
| MAT 070 | B | 5 | 3 | 15 |
| BUS 110 | D | 5 | 1 | 5 |
| Total credit hours attempted | | 13 | | 26 |
| GPA: 2.00 | | | | |

* Total Points Earned (26) ÷ Total Credit Hours (13) = GPA (2.00)

Standards of Academic Progress

- Piedmont Community College is required to apply reasonable standards for measuring whether a student is maintaining satisfactory academic progress in the chosen program of study. Good academic standing with the College is assigned to a student who maintains a 2.0 overall academic GPA. For additional guidance, refer to [PCC Policy 6.14 Standards of Academic Progress](#).

Academic Probation

- A student who fails to meet the minimum standards of academic progress is placed on probation for the next semester of attendance. During the semester on probation, the student is required to sign an Educational Contract which specifies the courses to be taken, extra help necessary to improve academic standing, and the grades needed to continue enrollment. Students on academic probation may not be eligible for financial aid during the probationary semester. A student on academic probation must wait to register for the subsequent semester until the previous semester grades are available. Students who have been on academic probation for two consecutive semesters may be counseled to consider changing their major. A veteran may receive educational benefits for only one semester while on academic probation. For additional guidance, refer to [PCC Policy 6.14 Standards of Academic Progress](#).

Academic Suspension

- A student who does not satisfy the terms of the Educational Contract may be suspended for a period of one semester. For additional guidance, refer to [PCC Policy 6.14 Standards of Academic Progress](#).

Dismissal from Program

The Nursing and Medical Assisting Programs enroll students as a cohort and require them to take all courses in a sequential pattern. The courses are offered only once each year and there is no opportunity for repeating a course or offering a substitution. Accordingly, a student who fails one or more courses within this program is dismissed from the program at the end of the semester during which the failure occurs. Students enrolled in this curriculum must earn a “B” or better on all major courses and a “C” or better on all general education courses to be eligible to remain in the

program. Students dismissed under this policy may petition the appropriate program coordinator or instructional dean.

Readmission to Program

Students dismissed for academic reasons may only be readmitted upon recommendation from the advisor or program coordinator. Students dismissed for disciplinary reasons must obtain final approval for readmission from the Vice President, Student Development. Some programs (e.g. Associate Degree Nursing, EMS, and Medical Assisting) have additional requirements for readmission. A student readmitted after a period of academic suspension enrolls in the College on academic probation.

Change of Program

- A student who wishes to change to another program of study must complete a Change of Student Information form, which is available in [TeamIA](#). Changes in majors received after the census date will be made effective the next term. For additional guidance, refer to [PCC Policy 6.17 Change of Educational Record Information](#).

Double Majors

- Students may enroll in two curriculum programs concurrently. Double majors may be selected during the initial admissions process. A second major may also be added any time by submitting an electronic Change of Information form through [TeamIA](#). CCP students must see their advisor to change or add a pathway. For additional guidance, refer to [PCC Policy 6.17 Change of Educational Record Information](#).

Course Repetition

Students may repeat curriculum courses at Piedmont Community College. The repeated course grade can only be replaced if the course was taken at PCC. Any repeated course taken at another institution will be received as transfer credit only and will not affect GPA.

- The last grade on any course repeated will be the grade used in computing the grade point average. All grades for courses repeated remain on the student's record. The repeated course will only count once toward meeting the credit hours required for graduation. For additional guidance, refer to [PCC Policy 6.16 Course Repetition](#).

Note: Veteran's benefits are not payable for repetition of courses in which a grade of D or higher has been earned previously.

Grade Forgiveness Policy

A student who re-enrolls after two years may request in writing, with the recommendation of their advisor, that the Office of Student Development re-evaluate their transcript. Under this policy, the student may request that their previous grade(s) of "D" or "F" not be used in calculating the cumulative grade point average. Courses and grades will remain on the transcript. Prior to the reevaluation, the student must complete at least 12 credit hours of coursework with a minimum grade point average of 2.0 in each course. A reevaluation is done only once for each student.

- Students who have received a degree/diploma/certificate from Piedmont Community College based on these classes/grades are ineligible for this policy. For additional guidance, refer to [PCC Policy 6.12 Grading System – Curriculum](#).

Catalog of Record

- A student who is in continuous attendance may graduate under the provisions of the catalog in effect on the date of entry. The student has the option of choosing the requirements of a subsequent revised catalog, if desired. A student who is not in continuous attendance (except summer semester) must graduate under the provisions of the catalog in effect on the last re-entry date. For additional guidance, refer to [PCC Policy 6.18 Catalog of Record](#).

Academic Honors

The President's Honor Roll and Dean's List are published after each semester to recognize outstanding academic achievement by students. To qualify for the President's Honor Roll, a student must complete a minimum course load of 12 semester hours and maintain a 4.00 grade point average. To qualify for the Dean's List, a student must complete a minimum course load of 12 credit hours and maintain a 3.50 grade point average.

All work attempted in a semester is considered in determining a student's eligibility for the President's Honor Roll and the Dean's List. A student receiving a D, F, or I grade for any course is ineligible for either list in the semester that the grade is received.

- The Part-time Honors List is published after each semester to recognize outstanding academic achievement by part-time students. To qualify, a student must have completed a minimum course load of 6 credit hours and maintained a 3.50 grade point average. For additional guidance, refer to [PCC Policy 6.20 Academic Honors](#).

Graduation Requirements

(Degree, Diploma, Certificate Programs)

Upon satisfactory completion of program requirements, recommendation of the faculty and approval of the Board of Trustees, a student is awarded a degree, diploma, or certificate for satisfactory completion of a curriculum.

A student must apply to the Office of Student Development for graduation at the beginning of the semester the student expects to complete program requirements for a degree, diploma or certificate. The student's advisor must approve the graduation application. Graduation application forms are available through TeamIA (Electronic Forms). For High School or Adult Basic Skills students, the required graduation fee must be paid to the Business Office after application submission.

Students will be awarded the respective academic credentials at the end of the semester in which the graduation requirements are completed. Completion of program requirements will be noted on the student's transcript at that time.

PCC holds an annual graduation ceremony at the conclusion of the spring semester. Students may participate in spring graduation following the completion of their graduation requirements. Students

who are within one (1) course or four (4) credit hours of meeting graduation requirements for their program of study and intend to complete those requirements by the following summer or fall semester, will be allowed to participate in the spring graduation ceremony. Degrees, however, will not be conferred until course work is completed with a passing grade. Students will indicate their understanding that completion of coursework is required to receive their respective credentials. Students who plan to “walk” in spring exercises must complete applications for graduation.

- After graduation audit requests are processed at the end of each term, the Office of Research and Institutional Effectiveness (ORIE) and the Registrar’s Office will identify any additional students who have satisfied any program completion requirements. Any student who has completed program requirements may then be administratively graduated, and the earned credential will be noted on the student’s transcript. The student will also receive communications from PCC with details on how to obtain a printed diploma and how to participate in the annual commencement ceremony. For additional guidance, refer to [PCC Policy 6.7 Graduation Requirements – Curriculum](#).

Transcripts

All Piedmont Community College official transcripts are authorized through the National Student Clearinghouse to provide official transcript ordering via the Web, allowing transcripts to be requested 24 hours a day, seven days a week using any major credit card.

Official Transcripts

Login into the National Student Clearinghouse secure site at www.studentclearinghouse.org

If you need help or have questions about the Clearinghouse’s transcript ordering service, you may contact them by email at transcripts@studentclearinghouse.org or phone: (703) 742-4200.

Unofficial Transcripts: These transcripts are available for current students (or student who left the college within a one-year period) through Self-Service to download and print free of charge.

Transcripts from Other Colleges or High Schools: PCC cannot provide you with copies of transcripts from other schools you have attended. If such transcripts are needed, please contact those schools directly.

- For additional guidance, refer to [PCC Policy 6.19 Transcripts](#).

Continuing Education / Short-term Workforce Development (STWD)

Continuing Education/STWD at Piedmont Community College provides workforce training and serves as a catalyst for economic development by providing quality programming.

Continuing Education/STWD includes training and programs in the following areas: College and Career Readiness/Adult Basic Skills/High School Equivalency, Customized and Contract Training, Small Business Center, Personal Enrichment, Workforce Development, and multiple programs that result in industry-recognized credentials.

Fees for Continuing Education Programs

Registration fees are established in compliance with North Carolina law and vary according to the type and length of course. Students must contact the appropriate Continuing Education program area to register for courses. Registration fees are payable prior to or at the first-class meeting and are subject to change by the N.C. General Assembly and/or the State Board of Community Colleges. Current registration fees are:

| Type of Course | # of Hours | Fee |
|--------------------------------|-------------------|------------|
| Occupational Extension Courses | 0-24 hrs | \$70 |
| | 25-50 hrs | \$125 |
| | 51+ hrs | \$180 |

Visit the PCC website for more information on [Continuing Education Student Fees](#).

Tuition and Registration Fee Waivers

The State Board of Community Colleges may provide by general and uniform regulations for waiver of tuition and registration fees for the following:

1. Persons not enrolled in elementary or secondary schools taking courses leading to a high school diploma or equivalent certificate.
2. Courses requested by the following entities that support the organizations' training needs and are on a specialized course list approved by the State Board of Community Colleges:
 - a. Volunteer fire departments.
 - b. Municipal, county, or State fire departments.
 - c. Volunteer EMS or rescue and lifesaving departments.
 - d. Municipal, county, or State EMS or rescue and lifesaving departments.
 - e. Law enforcement, fire, EMS or rescue and lifesaving entities serving a lake authority that was created by a county board of commissioners prior to July 1, 2012.
 - f. Radio Emergency Associated Communications Teams (REACT) are under contract to a county as an emergency response agency.
 - g. Municipal, county, or State law enforcement agencies.
 - h. The Division of Adult Correction and Juvenile Justice of the Department of Public Safety for the training of full-time custodial employees and employees of the Division required to be certified under Article 1 of Chapter 17C of the General Statutes and the rules of the Criminal Justice and Training Standards Commission.
 - i. Repealed by Session Laws 2017-186, s. 2, effective December 1, 2017.
 - j. The Eastern Band of Cherokee Indians law enforcement, fire, EMS or rescue and lifesaving tribal government departments or programs.
 - k. The Criminal Justice Standards Division of the Department of Justice for the training of criminal justice professionals, as defined in G.S. 17C20(6), who are required to be certified under (i) Article 1 of Chapter 17C of the General Statutes and the rules of the North Carolina Criminal Justice Education and

Training Standards Commission or (ii) Chapter 17E of the General Statutes and the rules of the North Carolina Sheriffs' Education and Training Standards Commission. The waivers provided for in this sub-subdivision apply to participants and recent graduates of the North Carolina Criminal Justice Fellows Program to obtain certifications for eligible criminal justice professions as defined in G.S. 17C-20(6).

(2a) Firefighters, EMS personnel, and rescue and lifesaving personnel whose duty station is located on a military installation within North Carolina for courses that support their organizations' training needs and are approved for this purpose by the State Board of Community Colleges.

3. Repealed by Session Laws 2011-145, s. 8.12(a), effective July 1, 2011.

4. Trainees enrolled in courses conducted under the Customized Training Program.

5. through (9) Repealed by Session Laws 2011-145, s. 8.12(a), effective July 1, 2011.

(10) Elementary and secondary school employees enrolled in courses in first aid or cardiopulmonary resuscitation (CPR).

(11) Repealed by Session Laws 2013-360, s. 10.6, effective July 1, 2013.

(12) All courses taken by high school students at community colleges, in accordance with G.S. 115D-20(4) and this section.

(13) Human resources development courses for any individual who (i) is unemployed; (ii) has received notification of a pending layoff; (iii) is working and is eligible for the Federal Earned Income Tax Credit (FEITC); or (iv) is working and earning wages at or below two hundred percent (200%) of the federal poverty guidelines.

(14) Repealed by Session Laws 2011-145, s. 8.12(a), effective July 1, 2011.

(15) Courses providing employability skills, job-specific occupational or technical skills, or developmental education instruction to certain students who are concurrently enrolled in an eligible community college literacy course, in accordance with rules adopted by the State Board of Community Colleges.

(16) Courses provided to students who are participating in a pre-apprenticeship or apprenticeship program that meets all of the following criteria:

b Meets one of the following:

1. Is a registered apprenticeship program recognized by the United States Department of Labor?

Misrepresentation of eligibility by any applicant who willfully misrepresents his eligibility for these benefits under NCGS 115D-5, or any person who knowingly aids or abets such applicant in misrepresenting his eligibility for such benefits, will be deemed guilty of a Class 3 misdemeanor.

2. Is a pre-apprenticeship program recognized and approved by the State agency administering the statewide apprenticeship program?

b. Has a documented plan of study with courses relating to a job-specific occupational or technical skill?

c. Requires the participants in the program to be North Carolina high school students when entering the program.

Grading System

Section 1: Grading System

- A. Continuing Education instructors will award each student in a class a grade as follows:

P – Pass: Indicates that a student has fulfilled the course requirements to successfully complete the course.

NC – No Credit: Indicates that a student did not successfully complete the course.

I/INC – Incomplete: Indicates that a student was unable to complete the course requirements within the timeframe of the class. To remove the incomplete and receive a grade, the student must complete the remaining requirements as specified by the instructor.

AU – Audit: Indicates that a student chose to attend a course but did not desire to earn credit.

1. A student may audit a course section only on a space available basis as determined by the College.
2. A student who audits a course section shall not displace student enrolling or registering to receive a grade, academic credit, continuing education unit, or certificate of completion in the course section.
3. The student must receive approval to audit a course section by the Vice President, Instruction/Chief Academic Officer or the Continuing Education Accountability and Compliance Officer.

H – Hours only, no grade: A student attended class for hours only. vi. S – Satisfactory*: Indicates that a student has successfully passed both the practical and written course exam and attended a minimum 80 percent of the class.

U – Unsatisfactory*: Indicates that a student has not successfully passed the written course exam. The student may retake the exam within 90 days of the initial exam date. IE – Incomplete Emergency: Indicates that a student is unable to complete the course requirements within the semester, given the unique nature of the natural emergency or pandemic.

WE – Withdraw Emergency: Indicates that a student is unable to complete the course requirements given the unique nature of the natural emergency or pandemic.

* Students enrolled in Fire and Rescue Training classes must receive a grade of “S” in order to fulfill the requirements of the North Carolina Fire & Rescue Commission for the electronic transfer of grades to the Commission for certification purposes.

Scores for GED® or HiSET® testing: Students who have taken the High School Equivalency test will receive scores from GED® or HiSET® testing that are different from the Continuing Education Grading System. Students must meet specified scores in order to earn credit for any subject of GED® or HiSET® testing.

Section 2: Final Grade Submission

- A. Faculty will submit final grades upon completion of the course.
- B. Faculty will submit attendance rosters and final grades to the departmental area dean or director for review immediately upon completion of the course.
- C. Once the dean or director reviews the grades, as listed on the attendance roster, the final grades will be posted under the supervision of the appropriate director.

- D. Each director is responsible for verification of completeness of attendance rosters and for providing accurate information in the audit files.

Section 3: Transcripts

- A. To obtain transcripts of High School Equivalency (HSE) (GED® or HiSET®) students must contact DiplomaSender at diplomasender.com or 1 (855) 313-5799.
- B. All other official transcripts are authorized through the National Student Clearinghouse to provide official transcript ordering via the Web, allowing transcripts to be requested 24 hours a day, seven days a week using any major credit card. Note: Your card will only be charged after your order has been completed. If you need help or have questions about the Clearinghouse's transcript ordering service, you may contact them by email at transcripts@studentclearinghouse.org or phone: (703) 742-4200.
- i To order official transcripts online:
 - ii Login into the National Student Clearinghouse secure site at www.studentclearinghouse.org
 - iii Follow the steps on the site to order a transcript. You can order as many transcripts as you like in a single session. There is a Piedmont Community College Policy & Procedures Manual fee of \$7.90 per copy.
 - iv To ensure confidentiality and to comply with federal regulations, your signed authorization is required to issue transcripts. For your convenience, the Clearinghouse's online ordering service will generate a consent form for you that may be signed online or that you may return to the Clearinghouse by fax, mail, or as a scanned email attachment.
 - v Order updates will be emailed to you from the Clearinghouse. You can also track your order online.
 - vi **NOTE:** If you do not have a MasterCard or Visa credit/debit card, or are requesting a transcript prior to 1970, you may order transcripts using the Transcript Request Form by mail or in person at the Student Development Office. [Request forms](#) are available on the College's website.
- C. Unofficial Transcripts: These transcripts are available for current students (or student who left the college within a one-year period) through Self-Service to download and print free of charge.
- D. Transcripts from Other Colleges: PCC cannot provide you with copies of transcripts from other schools you have attended. If such transcripts are needed, please contact those schools directly.

Section 4: College Grade Appeals Process

- A. A student may appeal a grade through the Grade Appeal Process, [PCC Policy 7.12.3](#).
- B. All courses attempted will be shown on the official transcript.

Class Attendance Policy

Regular attendance at all class meetings is necessary for students to achieve educational success. Students are expected to be punctual in meeting all classes. To receive credit for a course, the student must attend class prior to the census point of the class and master course objectives.

Refund Policy

Piedmont Community College complies with the North Carolina State Board of Community College Code (IE SBCCC 900.2) on the Refund Policy.

Unless otherwise required by law, community colleges shall not issue a registration fee refund using State funds except under the following circumstances:

- A college shall provide a 100 percent refund to the student if the student officially withdraws or is officially withdrawn by the college from the course section prior to the first course section meeting.
- A college shall provide a 100 percent refund to the student if the college cancels the course section in which the student is registered.
- After a regularly scheduled course section begins, the college shall provide a 75 percent refund upon the request of the student if the student officially withdraws or is officially withdrawn by the college from the course section prior to or on the 10 percent point of the scheduled hours of the course section. This subsection applies to all course sections except those course sections that begin and end on the same calendar day. Colleges shall not provide a student with a refund using State funds after the start of a course section that begins and ends on the same calendar day.
- After a non-regularly scheduled course section begins, the college shall provide a 75 percent refund upon the request of the student if the student withdraws or is withdrawn by the college from the course section prior to or on the 10th calendar day after the start of the course section.
- Pursuant to 1E SBCCC 900.4 upon request of the student, Piedmont Community College shall grant a full refund of registration fees to military reserve and National Guard personnel called to active duty or active personnel who have received temporary or permanent reassignments as a result of military operations taking place outside the State of North Carolina that make it impossible for them to complete their course requirements; and, the College's bookstore will buy back textbooks to the extent possible. The College shall use distance learning technologies and other educational methodologies to help these students, under the guidance of faculty and administrative staff, complete their course requirements.
- Refund Due to Death of Student (IE SBCCC 900.3): If a student, having paid the required tuition or registration fees for a course section, dies prior to completing that course section, all tuition and registration fees for that course section shall be refunded to the estate of the deceased upon the college becoming aware of the student's death.

Senior Citizen Audit Policy

Piedmont Community College (PCC) provides any North Carolina resident at least 65 years old to audit a course section without payment of tuition or registration fees for course sections in accordance with State Board of Community College Code. A Senior Citizen Audit allows a senior citizen aged 65 or greater to audit a Curriculum or Continuing Education course on a space available basis for eligible courses once the enrollment requirement has been met.

Continuing Education Units (CEU)

Continuing Education Units (CEU) are a standard used nationally to represent completion of classes, programs, and workshops not in the regular academic course of study leading to a degree or vocational

diploma or certificate, but for which credit is deserving. One CEU credit may be awarded for 10 hours of class instruction. CEU credits earned at the College are kept on student transcripts. Official transcripts will be issued upon written request by the student to the Continuing Education Office.

Self-Supporting Courses

Self-supporting courses are those Piedmont Community College may provide at the community's request. State funds appropriated as operating expenses for allocation to the colleges will not be used to support these courses. The financing of these courses by any college will be on a self-supporting basis. Recreational programs are one example of self-supporting courses.

College & Career Readiness (CCR) Programs

College & Career Readiness programs include Adult Basic Education (ABE), high school equivalency (HSE) preparation for GED® or HiSET® tests, English as a Second Language (ESL) and Adult High School (AHS). All instruction is offered at no cost to students. Minors, ages 16-17, may also enroll, provided written permission is granted from the last school attended and from the parent/legal guardian.

College & Career Readiness (CCR) Registration

Registration is required for CCR courses. New students must contact CCR at (336) 322-2480 or ccr@piedmontcc.edu to schedule a new student appointment.

CCR courses are offered at no cost to the student and are offered on our satellite campus, and/or online. To participate in CCR courses:

- Contact the CCR office at (336) 322-2480 or ccr@piedmontcc.edu to schedule a new student appointment. At the end of the second new student appointment, students are assigned to a class. New student appointments are available daily.
- Minor students (ages 16-17) must have their legal guardian attend new student appointments.
- Students out of the program for 90 days or more must re-register and meet with the CCR Director before attending CCR classes.
- Students exit the program any time they achieve their goals or complete the requirements set forth by the North Carolina Community College System.

Adult Basic Education (ABE)

Adult Basic Education is for adults who have difficulty with basic literacy, computation skills, and/or life skills. Instruction targets the individual's needs and is available to non-readers through intermediate level students. Students in this program are functioning below a high school level. Basic skills include academics and life skills such as: reading, writing, math, employability skills, problem solving and critical thinking, lifelong learning, communication skills, computer literacy/technology skills, and career exploration. Classes are offered day and night at our satellite campus located at 105 N. Main St. In Uptown Roxboro, in various distance learning formats, and at established sites in the community. To request that a new site be opened, please contact the CCR Director at 336-322-2480.

Adult High School (AHS)

The Adult High School program is offered cooperatively with a local public school system to offer minor students (ages 16-17) and/or students who recently withdrew from their local high school an

opportunity to earn an Adult High School (AHS) diploma through a curriculum of instruction. Course and graduation requirements are in alignment with the standards established by the State Board of Education, school district, and community college. The AHS diploma is issued in cooperation between the local board of education and community college trustees. Transcripts will be evaluated prior to admittance to the program. Students who need less than ten courses to graduate are encouraged to enroll in the Adult High School program. All students enrolled in the program must meet the minimum number of credits required for graduation by the North Carolina Department of Public Instruction and local school board.

English as a Second Language (ESL)

English as a Second Language, also known as ESL, prepares adult learners to communicate orally and in writing and to be able to read in English in order to enter high school equivalency classes, employment, or college. Eligible adult students are those whose primary language is other than English. Traditional and online/ hybrid ESL classes are offered. Classes may be offered off campus where there is sufficient interest.

High School Equivalency (HSE)

Piedmont Community College is designated as an official test center for HiSET® and GED® testing in order to provide options for obtaining a North Carolina Community College High School Equivalency Diploma. GED® testing is offered in a computer-based format, and HiSET® tests are offered in a paper-based format of testing as well as computer-based format. Pricing is set by the test vendor for HiSET® and GED® test fees. Prospective examinees register and pay all test fees online at www.HiSET.org or www.GED.com. Testing is offered weekly at PCC's satellite campus located at 105 North Main Street in uptown Roxboro and monthly at the Caswell County Campus. Test schedules are arranged for the day and evening test sessions and some Saturday testing. Minors must meet the same eligibility criteria as previously stated for CCR courses.

GED® testing consists of four subjects: Language Arts (reading and writing), Social Studies, Science and Mathematics.

HiSET® testing consists of five subjects: Language Arts Reading, Language Arts Writing, Social Studies, Science, and Mathematics.

Pricing Guide:

| | | | | | | | | |
|----------------|---|-----------------------------|---|------|--------------|----|-------|-------|
| GED® Testing | - | Computer-Based | - | \$26 | each subject | or | \$104 | total |
| HiSET® Testing | - | Paper and/or Computer-Based | - | \$15 | each subject | or | \$75 | total |

The high school equivalency program of study and related practice tests are offered at no cost to PCC students. Adult learners need to place at the ninth-grade level or above for this level of study. Instruction is offered in face-to-face class format as well as in various distance learning formats to prepare adults for the high school equivalency test of their choice (HiSET® or GED® testing). Students choose a day or night class schedule. To be eligible, adult learners must be at least 18 years old or have completed the CCR Minor Release forms for those ages 16-17. In addition, instruction includes skills needed for the student to become college or career ready.

Basic Skills Plus (BS+)/Career Pathways

CCR students who meet the criteria for BS+ are able to enroll in a college course, employability skills, and job specific occupational skills training for free while enrolled in CCR concurrently.

Occupational Extension Programs

Occupational Extension courses consist of single courses each complete, designed for the specific purposes of training an individual for employment, upgrading the skills of persons presently employed and retraining others for new employment in occupational fields. These courses are offered in multiple modalities.

Public Safety Training

Piedmont Community College provides training for currently employed individuals or individuals interested in careers in the following public safety training areas: EMS, Fire and Rescue, and Law Enforcement.

Visit [Programs of Study page](#) to learn more.

Business Development and Entrepreneurship Center (BDEC)

Located at 105 North Main Street, Roxboro, the Business Development and Entrepreneurship Center is a one-stop center. It provides the following free services: CCR courses, computer lab for employability and self-paced computer skill enrichment, and HRD. In addition to offering our Small Business Center, and entrepreneur space. For more information, call (336) 322-2480.

Small Business Center (SBC)

The Small Business Center (SBC) supports the development of new businesses and the growth of existing businesses by being a community-based provider of training, counseling, and resource information to current and prospective small business owners. Confidential counseling services, workshops, and access to resource libraries are provided at no cost. The SBC also provides access to a Business Incubator (rental fees required). It is part of a network of Small Business Centers established by the North Carolina Community College System.

Services offered by the Center include:

- Confidential one-on-one business counseling for start-ups and existing businesses;
- Training and technical assistance in starting a business;
- Assistance with application to the NC Rural Center;
- Access to capital through the Carolina Small Business Development Fund, Thread Capital, and other loan programs;
- Seminars, webinars, workshops, and courses on a wide variety of business topics;
- Referral to specialized advisors;
- A business resource library;
- Small Business Incubator; and
- Internet access for business research.

The Small Business Center has offices in both Roxboro and Yanceyville.

For more information, call (336) 322-2484.

You can also visit the [Small Business Center](#) page on the College's website for more information.

Access to Capital

Through a groundbreaking partnership with the Carolina Small Business Development Fund (CSBDF), the Small Business Center at Piedmont Community College offers greater access to capital for startup and expanding businesses. The Carolina Small Business Development Fund is a Community Development Financial Institution (CDFI) that offers microloans up to \$50,000 and term loans or lines of credit up to \$250,000 at reasonable rates and terms. By providing a resource for businesses that may have difficulty accessing financing through traditional lending sources, the CSBDF is an integral partner supporting the Small Business Center's mission of aiding in the creation and growth of small business.

Business Incubator

The Piedmont Community College Business Incubator is located at 105 N. Main Street, Roxboro, NC. It has space available for use for entrepreneurs who are looking for a place to start their small business or have a home-based business that has outgrown its home. The Incubator provides reasonable rents, business counseling, and shared services for businesses in the early stages of development. Space is limited.

Services for entrepreneurs include:

- Business counseling
- Receptionist
- High speed Internet access
- Copy machine
- AV equipment
- Janitorial service
- Reference library

Human Resources Development Program (HRD)

Human Resources Development (HRD) programs train unemployed and under-employed persons, who are at least 18 years of age, to acquire the skills necessary for obtaining and retaining employment. HRD assists students by providing courses aimed at educating individuals in job-seeking skills, job search techniques, and job retention and advancement strategies. Each course provided through HRD addresses the six core components required by state mandates: assessment, positive self-concept, employability skills, communication skills, problem-solving, and the awareness of the impact of information technology in the workplace. Those individuals who are (1) unemployed, (2) have received a notice of a pending layoff, (3) are working but eligible for the Federal Earned Income Tax Credit, or (4) have income that meets the Federal Poverty guidelines are eligible for a fee waiver and receive HRD course offerings for no charge. For more information, contact the BDEC at (336) 322-2480.

General Information

Scholars of Global Distinction Program

Piedmont Community College is committed to offering students a global education through the Scholars of Global Distinction Program, an initiative with UNC World View. This program is designed

to cultivate an appreciation for global diversity, an understanding of global economies and international relationships, and an ability to be successful in our increasingly globalized world.

Why become a Global Scholar?

Scholars of Global Distinction will be immersed in globalized courses, participate in interesting international activities both on and off campus, and have opportunities to travel domestically and abroad. These experiences will help students understand the interconnectedness of the world in which they live. Upon completion, they will:

- Recognize and appreciate different cultures, ethnicities, languages, and perspectives.
- Be able to communicate with diverse people and groups.
- Reflect on their place in the global community.
- Be ready to enact positive change in the world.

A successful scholar will have the necessary skills to excel at universities or succeed in the global workforce. Graduating students will be recognized with a global scholar designation on their diplomas and in their official college transcripts, providing potential employers with verification of globally prepared employees. They may elect to wear the Scholar of Global Distinction cord at graduation.

What do I have to do as a Scholar of Global Distinction?

- Any PCC student is eligible for this program. Student scholars must complete the following to earn the distinction.
- 15 hours of globalized classes
- Participation in at least 8 passport activities
- 30 hours of global experience through study abroad or domestic intercultural experience
- Completion of a capstone presentation related to their two-year experience as global scholars. Interested students can contact the Dean, University Transfer and General Education for more information.

Summer Camps

Each year Piedmont Community College offers free weeklong summer camps for middle school and high school students. The camps may include Agribusiness, , Welding, Mechatronics, Criminal Justice, Healthcare, Math, Gaming, Computer Science and others. Students must submit an application to PCC prior to the start of the camp. All students registered for the camps must have parental permission and must abide by the guidelines provided by the College.

Correction Education

Piedmont Community College provides various instructional programs for offenders in area state correctional units. These programs include vocational, literacy, and continuing education courses. These students receive educational services that are as identical as possible to those provided on campus. Due to the special nature of the correctional environment and Department of Public Safety policies and regulations, correction education students are exempt from certain policies which are not appropriate for incarcerated students. The goal of correction education programs is to prepare these students for a greater chance of success after their release from the correctional system.

Resource Development and External Funding

Fulfilling the College mission to serve community educational needs requires a commitment to seek external funding. Grants and other resources - outside regular state and location allocations - help PCC start new programs, expand technology, experiment with model projects, and improve services for students. In 2016 Piedmont Community College received \$3,546,017 in external funding to support programs and initiatives. The college was awarded \$8,661,777 in external funding over the past five years.

Resources flow from federal, state, regional, and local agencies as well as from foundations and corporations. Over the past five years, federal funds accounted for 56.5% of external funds received and consisted of Department of education funding for Educational Opportunity Center services and Student Support Services.

Various foundations (\$758,070) and corporations (\$241,058) as well as state, regional, and local sources (\$2,769,297) provide the remaining 43.5% of external funding. Such founders include the American Center Society/CVS Foundation, Cannon Foundation, Community Foundation of the Dan River Region, Danville Regional Foundation, Duke Energy Progress, Golden LEAF Foundation, the NC Community College System, NC Rural and Economic Development Center, Northwest Piedmont Workforce Development Board, Region K Council of Governments, the Truth Initiative, Piedmont Community College Foundation, Inc., Roxboro- Person County Homebuilders Association, Union Bank, and the Wal-Mart Foundation.

Piedmont Community College Foundation, Inc.

The Piedmont Community College Foundation is a nonprofit 501(c)3 organization that exists to foster relationships and provide funds to support students, faculty, and staff at Piedmont Community College as they achieve their education and career goals. Accomplishments The Piedmont Community College Foundation, Inc. was chartered in 1978 to promote the advancement of the scientific, education, and charitable purposes of Piedmont Community College.

Opportunities for students:

- ☐ Student Scholarships – apply three times per year on the [scholarship](#) page on the College’s website
- ☐ Student Incentive – free course available to students earning their high school equivalency at PCC
- ☐ Student Ambassador Program – Nomination required from PCC faculty or staff member. Ambassadors receive a scholarship.

Summary Report of 2025 Performance Measures

In June 2012, the State General Assembly adopted new Performance Measures for Student Success reflecting the goals of the North Carolina Community College System's four-year strategic plan, Leading Through Change. The original measures were developed by a system-wide committee of community college leadership, faculty, and staff. The 2025 report incorporates multiple subsequent refinements to the measures, including a shift to reporting indexed scores rather than percentages.

The information below describes the current performance measures and PCC’s performance on each measure from the 2025 Performance Measures for Student Success report. The reporting format

includes a baseline for minimum performance, a goal for optimal performance, and the system mean (average score for all 58 Community Colleges), in addition to the Piedmont Community College scores.

Measure

- A. Basic Skills Student Progress: Index score based on the percentage of basic skills periods of participation with a measurable skill gain. (*July 1, 2023 – June 30, 2024*).
Scores: Goal: 1.23; PCC: 1.02; Mean: 1.03; Baseline: .65
- B. Student Success Rate in College Level English Courses: Index score based on the percentage of first-time fall non-dually enrolled associate degree seeking students passing a credit-bearing English course with a “C” or better within three years. (*2021 cohort*)
Scores: Goal: 1.08; PCC: .79; Mean: .93; Baseline: .62
- C. Student Success Rate in College-Level Math Courses: Index score based on the percentage of first-time fall non-dually enrolled associate degree seeking students passing a credit-bearing Math course with a “C” or better within three years of their first term of enrollment. (*2021 cohort*)
Scores: Goal: 1.12; PCC: .71; Mean: .88; Baseline: .42
- D. First Year Progression: Index score based on the percentage of first-time fall credential-seeking curriculum students who graduated prior to or enrolled in a postsecondary institution the subsequent fall semester (*2023 cohort*).
Scores: Goal: 1.06; PCC: 1.03; Mean: 1.00; Baseline: .88
- E. Curriculum Completion: Index score based on the percentage of first-time fall credential-seeking curriculum students who graduate, transfer, or are enrolled during the fourth academic year with 42 successfully completed non-developmental credit hours. (*2020 cohort*)
Scores: Goal: 1.09; PCC: .77; Mean: .98; Baseline: .75
- F. Licensure and Certification Passing Rate: Index score based on the percentage of first-time test-takers passing licensure and certification exams. Exams included in this measure are state mandated exams which candidates must pass before becoming active practitioners. (*AY 2023-24*)
Scores: Goal: 1.08; PCC: .93; Mean: 0.98; Baseline: 0.75
- G. College Transfer Performance: Index score based on the percentage of community college graduating exiters with and AA/AS/AFA/AE degree and non-graduating transfer program exiters completing 30 or more articulated transfer credits who enroll at a four-year university or college within two academic years following community college exit.. (*AY 2021-22 cohort*)
Scores: Goal: 1.06; PCC: .88; Mean: .98; Baseline: .82

Piedmont Community College | Programs of Study

General Education Competencies

Piedmont Community College establishes the following general education competencies for graduates of all degree programs. These competencies are achieved through instruction in general education core courses. All degree programs of study are designed to ensure that graduates are competent in the following areas:

- All graduates of degree programs must demonstrate competence in effective communication (oral and written).
- All graduates of degree programs must demonstrate competence in critical thinking skills.
- All graduates of degree programs must demonstrate competence in intercultural/global competence.
- All graduates of degree programs must demonstrate competence in quantitative/scientific reasoning.

Courses

The College reserves the right to cancel any course when the enrollment is insufficient. The right is also reserved not to offer a course if resources become unavailable, or if the course has been dropped from the curriculum since the last printing of the catalog. Furthermore, the College reserves the right to change faculty assignments, and therefore cannot guarantee students the faculty of their choice. Courses may be subdivided for specific purposes. Subdivisions must be specifically approved by the Vice President, Instruction. Some more common subdivisions may be listed on the following pages of this catalog.

Suggested Course Sequence

The Suggested Course Sequence is designed for the student's planning purposes only. Students taking fewer courses than suggested in the sequence will need additional semesters of study to complete the program. Prerequisites established for most courses are designed to help the student with academic success. Program requirements listed in this catalog, or later revised, apply if the

student maintains continuous enrollment until graduation. If the student should choose not to enroll for a semester (other than Summer), the program requirements at the time of the student's reentry shall apply toward graduation. This section applies to all Suggested Course Sequences included in this catalog.

Distance Education

Piedmont Community College's nationally recognized distance learning courses provide increased access to education for those who need a flexible schedule to accomplish their educational goals. Through distance learning, students with demanding work hours, hectic schedules, or childcare difficulties are provided the freedom and flexibility to obtain an education at their convenience. PCC's Distance Education Program consists of online, hybrid/blended, and/or Hyflex courses.

Online

Online courses give students access to their courses 24 hours a day, seven days a week. The instructor provides all materials, course activities, assignments, and discussions in an online environment. The majority of tests are taken online, although some instructors require that tests be taken on campus. Expect to devote the same amount of time each week as you would for a face-to-face course. That is, if it's a 3- credit hour course, expect 9 hours of work each week. Some courses may require specific software. Online courses will have a .7x in the course ID. Example ENG 111.71.

Hybrid

Hybrid/Blended courses combine traditional face-to-face coursework on campus along with online coursework. Hybrid courses require more than 50% of the course to be taught online. Blended courses require less than 50% of the course to be taught online. The goal of hybrid/blended courses is to join the best features of in-class teaching with the best features of online learning to promote active independent learning. Hybrid courses will have a .6x or .4x in the course ID. Example ENG 111.61, ENG 111.41. Blended courses will have a .9x in the course ID.

Hyflex

HyFlex courses have designated meeting times that occur throughout the semester. Students may attend these events face-to-face or via Zoom at these designated times. In addition, because the course is HyFlex in nature, it also affords students additional flexibility, where they can watch the recorded classes afterwards and treat the course as a fully online course. Thus, for this class, students can: (1) attend class sessions face-to-face, (2) attend classes via Zoom, or (3) watch the recorded sessions after the class.

General Education Core Course List

Piedmont Community College faculty recognizes the importance of a broad-based common body of knowledge for all students. In recognition of this critical component of the educational experience, students in all programs of study culminating in a degree or diploma enroll in general education courses. Some certificate programs also require general education components.

| ENG 242 | British Literature II | PSY 150 | General Psychology |
| GEL 111 | Introductory Geology | SOC 210 | Introduction to Sociology |

General education core courses are designed to provide the supporting knowledge necessary for student success in curriculum programs and to enhance students' potential for both career and personal success. These courses are selected from the North Carolina Community College System's Common Course Library (CCL), a comprehensive course offering designed to facilitate transfer within the community college system and to institutions awarding baccalaureate degrees. Within the CCL, specific courses have been identified as components of the 2014 Comprehensive Articulation Agreement developed by the North Carolina Community College System and the University of North Carolina General Administration. The AA and AS degree programs of study are structured to include two components: (1) Universal General Education Transfer Component (UGETC) comprising a minimum of 30 semester hours of credit, and (2) additional general education, pre-major, and elective courses that prepare students for successful transfer into selected majors at UNC institutions and bring the total number of hours in the degree programs to 60-61 semester hours.

Sample UGETC courses are listed below. For additional pre-major and elective courses, consult with your advisor.

Accounting and Finance (A25800)

Associate in Applied Science

Full-Time Program Guide

Program Notes:

- ☐ The Accounting and Finance associate degree requires Work-Based Learning (WBL). For WBL courses, students must complete an intake form with the WBL Coordinator.
- ☐ Credit for prior learning may be available for some courses.

Program Options: Accounting and Finance at PCC offers an associate degree (A25800), diploma (D25800), and certificate (C25800).

Financial aid eligibility: Yes

Associate in Engineering (A10500)

Full-Time Program Guide

Program Notes:

- ENG 111 must be taken before ENG 112.
- MAT 171 must be taken before MAT 172; MAT 271 must be taken before MAT 272. (Some students may use MAT 271-272 as their required math course sequence; most students use MAT 171-MAT 172.)
- CHM 151 must be taken before CHM 152.

Financial Aid Eligibility: Yes

| Course # | Course Name | Credit Hrs. | Term Offered | Term Completed | Grade |

Associate in Science (A10400) Full-Time Program Guide

Program Notes:

- ☐ ENG 111 must be taken before ENG 112.
- ☐ MAT 171 must be taken before MAT 172; MAT 271 must be taken before MAT 272. (Some students may use MAT 271-272 as their required math course sequence; most students use MAT 171-MAT 172.)
- ☐ BIO 111 must be taken before BIO 112.
- ☐ CHM 151 must be taken before CHM 152.

Financial Aid Eligibility: Yes

Emergency Medical Science (A45340)

Associate in Applied Science

Full-Time Program Guide

Program Notes: Students currently certified as an EMT, AEMT, or Paramedic through NCOEMS or the National Registry may be given credit for prior learning. This is a Paramedic to EMS Bridge program. Students must be currently certified as a Paramedic through NC Office of Emergency Services or the National Registry. Paramedics will receive credit for EMS 110, 122, 130, 131, 160, 220, 221, 231, 240, 241, 250, 260, 270, and 285. Students must take the EMS 235 course, and all required general education courses. Students also must complete 25% of their required courses at PCC.

Program Options: The EMS program at PCC offers an associate degree (A45340).

Financial Aid Eligibility: Yes

Industrial Systems Technology (A50240)

Associate in Applied Science - Full Time Program Guide

Program Notes:

- ☐ Industrial Systems Technology associate degree requires Work-Based Learning (WBL). For WBL courses, students must complete an intake form with the WBL coordinator.
- ☐ Credit for prior learning may be available for some courses.

Program Options: Industrial Systems Technology offers an associate degree (A50240), diploma (D50240), and certificate (C50240).

Financial Aid Eligibility: Yes

Course Descriptions

The following course descriptions provide brief synopses of courses offered in PCC programs of study. CL denotes class hours, whereas LB and CLINIC represent lab and clinical hours respectively. The total number of credit hours for each course is designated by CR.

ACA 122 College Transfer Success

| | | | |
|---|---|---|---|
| 0 | 2 | 0 | 1 |
|---|---|---|---|

Prerequisites: None

Corequisites: None

This course provides information and strategies necessary to develop clear academic and professional goals beyond the community college experience. Topics include the CAA, college policies and culture, career exploration, gathering information on senior institutions, strategic planning, critical thinking, and communications skills for a successful academic transition. Upon completion, students should be able to develop an academic plan to transition successfully to senior institutions.

ACC 120 Principles of Financial Accounting

| | | | |
|---|---|---|---|
| 3 | 2 | 0 | 4 |
|---|---|---|---|

Prerequisites: None

Corequisites: None

This course introduces business decision-making using accounting information systems. Emphasis is placed on analyzing, summarizing, reporting, and interpreting financial information. Upon completion, students should be able to prepare financial statements, understand the role of financial information in decision-making and address ethical considerations.

ACC 121 Prin of Managerial Acct

| | | | |
|---|---|---|---|
| 3 | 2 | 0 | 4 |
|---|---|---|---|

Prerequisites: ACC 120

Corequisites: None

This course includes a greater emphasis on managerial and cost accounting skills. Emphasis is placed on managerial accounting concepts for external and internal analysis, reporting and decision-making. Upon completion, students should be able to analyze and interpret transactions relating to managerial concepts including product-costing systems.

ACC 122 Prin of Financial Acct II

| | | | |
|---|---|---|---|
| 3 | 0 | 0 | 3 |
|---|---|---|---|

Prerequisites: ACC 120

Corequisites: None

This course provides additional instruction in the financial accounting concepts and procedures introduced in ACC 120. Emphasis is placed on the analysis of specific balance sheet accounts, with in-depth instruction of the accounting principles applied to these accounts. Upon completion, students should be able to analyze data, prepare journal entries, and prepare reports in compliance with generally accepted accounting principles.

| Prefix No. | Course | Title Hours Per Week | | | |
|---|---|----------------------|----------|----------|----------|
| | | CL | LB | CLINIC | CR |
| ACC 129 | Individual Income Taxes | 2 | 2 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course introduces the relevant laws governing individual income taxation. Topics include tax law, electronic research and methodologies, and the use of technology for preparation of individual income tax returns. Upon completion, students should be able to analyze basic tax scenarios, research applicable tax law, and complete various individual tax forms. | | | | | |
| ACC 140 | Payroll Accounting | 1 | 2 | 0 | 2 |
| Prerequisites: ACC 115 or ACC 120 | | | | | |
| Corequisites: None | | | | | |
| This course covers federal and state laws pertaining to wages, payroll taxes, payroll tax forms, and journal and general ledger transactions. Emphasis is placed on computing wages; calculating social security, income, and unemployment taxes; preparing appropriate payroll tax forms; and journalizing/posting transactions. Upon completion, students should be able to analyze data, make appropriate computations, complete forms, and prepare accounting entries using appropriate technology. | | | | | |
| ACC 150 | Accounting Software Applications | 1 | 3 | 0 | 2 |
| Prerequisites: ACC 115 or ACC 120 | | | | | |
| Corequisites: None | | | | | |
| This course introduces microcomputer applications related to accounting systems. Topics include general ledger, accounts receivable, accounts payable, inventory, payroll, and correcting, adjusting, and closing entries. Upon completion, students should be able to use a computer accounting package to solve accounting problems. | | | | | |
| ACC 220 | Intermediate Accounting I | 3 | 2 | 0 | 4 |
| Prerequisites: ACC 120 | | | | | |
| Corequisites: None | | | | | |
| This course is a continuation of the study of accounting principles with in-depth coverage of theoretical concepts and financial statements. Topics include generally accepted accounting principles and extensive analysis of balance sheet components. Upon completion, students should be able to demonstrate competence in the conceptual framework underlying financial accounting, including the application of financial standards. | | | | | |
| ACC 221 | Intermediate Acct II | 3 | 2 | 0 | 4 |
| Prerequisites: ACC 220 | | | | | |
| Corequisites: None | | | | | |
| This course is a continuation of ACC 220. Emphasis is placed on special problems which may include leases, bonds, investments, ratio analyses, present value applications, accounting changes, and corrections. Upon completion, students should be able to demonstrate an understanding of the principles involved and display an analytical problem-solving ability for the topics covered. | | | | | |

| Prefix No. | Course | Title Hours Per Week | | | |
|--|-----------------------------------|----------------------|----------|----------|----------|
| | | CL | LB | CLINIC | CR |
| AGR 111 | Basic Farm Maintenance | 1 | 3 | 0 | 2 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course covers fundamentals of maintenance and repair of farm facilities and equipment. Topics include safe use of hand tools and farm machinery, carpentry, concrete, painting, wiring, welding, plumbing, and calculating costs and materials needed. Upon completion, students should be able to answer theoretical questions on topics covered and assist with maintenance and repair of farm facilities and equipment. | | | | | |
| AGR 121 | Biological Pest Management | 3 | 0 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course will emphasize the building and maintaining of healthy soil, plant and insect biological cycles as the key to pest and disease management. Course content includes study of major pests and diseases, including structure, life cycle, and favored hosts; and biological and least toxic methods of chemical control. Upon completion, students will be able to identify and recommend methods of prevention and control of selected insects and diseases. | | | | | |
| AGR 130 | Alternative Ag Production | 3 | 0 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course covers the latest nontraditional enterprises in agriculture. Topics include animal production, aquaculture, and plant production. Upon completion, students should be able to identify selected enterprises and describe basic production practices. | | | | | |
| AGR 139 | Intro to Sustainable Ag | 3 | 0 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course will provide students with a clear perspective on the principles, history, and practices of sustainable agriculture in our local and global communities. Students will be introduced to the economic, environmental, and social impacts of agriculture. Upon completion, students will be able to identify the principles of sustainable agriculture as they relate to basic production practices. | | | | | |
| AGR 140 | Agricultural Chemicals | 2 | 2 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course covers all aspects of agricultural chemicals. Topics include safety, environmental effects, federal and state laws, pesticide classification, sprayer calibration, and licensing. Upon completion, students should be able to calibrate a sprayer, give proper pesticide recommendations (using integrated pest management), and demonstrate safe handling of pesticides. | | | | | |

Prefix No. Course**Title Hours Per Week**
CL LB CLINIC CR**AGR 160 Plant Science****2 2 0 3**

Prerequisites: None

Corequisites: None

This course introduces the basic principles of botany that pertain to agricultural production. Emphasis is placed on the anatomy and physiology of flowering plants. Upon completion, students should be able to identify and explain plant systems.

AGR 170 Soil Science**2 2 0 3**

Prerequisites: None

Corequisites: None

This course covers the basic principles of soil management and fertilization. Topics include liming, fertilization, soil management, biological properties of soil (including beneficial microorganisms), sustainable land care practices and the impact on soils, and plant nutrients. Upon completion, students should be able to analyze, evaluate, and properly amend soils/media according to sustainable practices.

Competencies

AGR 212 Farm Business Management**3 0 0 3**

Prerequisites: None

Corequisites: None

This course introduces budgeting, farm analysis, production costs, business organizations, and general management principles. Topics include enterprise budgets, partial budgets, whole farm budgets, income analysis, and business organizations. Upon completion, students should be able to prepare and analyze a farm budget.

AGR 213 Ag Law & Finance**3 0 0 3**

Prerequisites: None

Corequisites: None

This course covers the basic laws and financial aspects affecting agriculture. Topics include environmental laws, labor laws, contractual business operations, assets, liabilities, net worth, and funding sources. Upon completion, students should be able to complete loan application procedures and explain basic laws affecting the agricultural industry.

AGR 214 Agricultural Marketing**3 0 0 3**

Prerequisites: None

Corequisites: None

This course covers basic marketing principles for agricultural products. Topics include buying, selling, processing, standardizing, grading, storing, and marketing of agricultural commodities. Upon completion, students should be able to construct a marketing plan for an agricultural product.

| Prefix No. | Course | Title Hours Per Week | | | |
|--|--------------------------------------|----------------------|----------|----------|----------|
| | | CL | LB | CLINIC | CR |
| AGR 220 | Ag Mechanization | 2 | 2 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course is a study of farm machinery and agricultural equipment. Topics include selection and operation of tractors, materials handling equipment, tillage and harvesting equipment, and irrigation systems. Upon completion, students should be able to identify equipment parts and explain the basic principles of machinery operation and management. | | | | | |
| AGR 226 | Maint & Serv of Prod Faci | 2 | 2 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course provides a detailed look at maintaining and servicing of production facilities. Emphasis is placed on maintaining electrical equipment, plumbing systems, mechanical equipment, and basic welding and cutting practices. Upon completion, students should be able to troubleshoot and repair ventilation equipment, pumps and plumbing, feed lines, curtain controls, and basic electrical controls. | | | | | |
| AGR 262 | Weed ID & Control | 2 | 3 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course introduces the annual and perennial weeds of economic importance in the southeast. Topics include the life cycles, flowering habits, identification, and control of various weeds in the Southeast. Upon completion, students should be able to identify selected weeds and recommend methods of control. | | | | | |
| AGR 263 | Vegetable Production | 2 | 3 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course includes a study of vegetable crop production practices. Topics include variety selection, production methods, fertility management, insect and disease control, and harvesting. Upon completion, students should be able to demonstrate a knowledge of vegetable crop production. | | | | | |
| ANS 110 | Animal Science | 3 | 0 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course introduces the livestock industry. Topics include nutrition, reproduction, production practices, diseases, meat processing, sustainable livestock production, and marketing. Upon completion, students should be able to demonstrate a basic understanding of livestock production practices and the economic impact of livestock locally, regionally, state-wide, and internationally. | | | | | |

Prefix No. Course**Title Hours Per Week**
CL LB CLINIC CR**ART 111 Art Appreciation****3 0 0 3**

Prerequisites: None

Corequisites: None

This course introduces the origins and historical development of art. Emphasis is placed on the relationship of design principles to various art forms including but not limited to sculpture, painting, and architecture. Upon completion, students should be able to identify and analyze a variety of artistic styles, periods, and media.

ART 114 Art History Survey I**3 0 0 3**

Prerequisites: None

Corequisites: None

This course covers the development of art forms from ancient times to the Renaissance. Emphasis is placed on content, terminology, design, and style. Upon completion, students should be able to demonstrate an historical understanding of art as a product reflective of human social development.

ART 115 Art History Survey II**3 0 0 3**

Prerequisites: None

Corequisites: None

This course covers the development of art forms from the Renaissance to the present. Emphasis is placed on content, terminology, design, and style. Upon completion, students should be able to demonstrate an historical understanding of art as a product reflective of human social development.

ART 131 Drawing I**0 6 0 3**

Prerequisites: None

Corequisites: None

This course introduces the language of drawing and the use of various drawing materials. Emphasis is placed on drawing techniques, media, and graphic principles. Upon completion, students should be able to demonstrate competence in the use of graphic form and various drawing processes.

ART 264 Digital Photography I**0 6 0 3**

Prerequisites: None

Corequisites: None

This course introduces digital photographic equipment, theory and processes. Emphasis is placed on camera operation, composition, computer photo manipulation and creative expression. Upon completion, students should be able to successfully expose, digitally manipulate, and print a well-conceived composition.

| Prefix No. | Course | Title Hours Per Week | | | |
|---|---------------------------------------|----------------------|----------|----------|----------|
| | | CL | LB | CLINIC | CR |
| ART 265 | Digital Photography II | 0 | 6 | 0 | 3 |
| Prerequisites: ART 264 | | | | | |
| Corequisites: None | | | | | |
| This course provides exploration of the concepts and processes of photo manipulation through complex composite images, special effects, color balancing and image/text integration. Emphasis is placed on creating a personal vision and style. Upon completion, students should be able to produce well-executed images using a variety of photographic and photo manipulative approaches. | | | | | |
| ATR 112 | Intro. To Automation | 2 | 3 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course introduces the basic principles of automated systems and describes the tasks that technicians perform on the job. Topics include the history, development, and current applications of robots and automated systems including their configuration, operation, components, and controls. Upon completion, students should be able to understand the basic concepts of automation and robotic systems. | | | | | |
| BIO 111 | General Biology I | 3 | 3 | 0 | 4 |
| Prerequisites: | | | | | |
| Corequisites: None | | | | | |
| This course introduces the principles and concepts of biology. Emphasis is placed on basic biological chemistry, cell structure and function, metabolism and energy transformation, genetics, evolution, classification, and other related topics. Upon completion, students should be able to demonstrate understanding of life at the molecular and cellular levels. | | | | | |
| BIO 112 | General Biology II | 3 | 3 | 0 | 4 |
| Prerequisites: BIO 111 | | | | | |
| Corequisites: None | | | | | |
| This course is a continuation of BIO 111. Emphasis is placed on organisms, biodiversity, plant and animal systems, ecology, and other related topics. Upon completion, students should be able to demonstrate comprehension of life at the organismal and ecological levels. | | | | | |
| BIO 163 | Basic Anatomy & Physiology | 4 | 2 | 0 | 5 |
| Prerequisites: | | | | | |
| Corequisites: None | | | | | |
| This course provides a basic study of the structure and function of the human body. Topics include a basic study of the body systems as well as an introduction to homeostasis, cells, tissues, nutrition, acid-base balance, and electrolytes. Upon completion, students should be able to demonstrate a basic understanding of the fundamental principles of anatomy and physiology and their interrelationships. | | | | | |

Prefix No. Course

| | CL | LB | CLINIC | CR |
|--|----|----|--------|----|
|--|----|----|--------|----|

BIO 168 Anatomy and Physiology I

| | | | |
|----------|----------|----------|----------|
| 3 | 3 | 0 | 4 |
|----------|----------|----------|----------|

Prerequisites:

Corequisites: None

This course provides a comprehensive study of the anatomy and physiology of the human body. Topics include body organization, homeostasis, cytology, histology, and the integumentary, skeletal, muscular, and nervous systems and special senses. Upon completion, students should be able to demonstrate an in-depth understanding of principles of anatomy and physiology and their interrelationships.

BIO 169 Anatomy and Physiology II

| | | | |
|----------|----------|----------|----------|
| 3 | 3 | 0 | 4 |
|----------|----------|----------|----------|

Prerequisites:

Corequisites: None

This course provides a continuation of the comprehensive study of the anatomy and physiology of the human body. Topics include the endocrine, cardiovascular, lymphatic, respiratory, digestive, urinary, and reproductive systems as well as metabolism, nutrition, acid-base balance, and fluid and electrolyte balance. Upon completion, students should be able to demonstrate an in-depth understanding of principles of anatomy and physiology and their interrelationships.

BIO 275 Microbiology

| | | | |
|----------|----------|----------|----------|
| 3 | 3 | 0 | 4 |
|----------|----------|----------|----------|

Prerequisites: Take One: BIO 111, BIO 163, or BIO 168

Corequisites: None

This course covers principles of microbiology and the impact these organisms have on man and the environment. Topics include the various groups of microorganisms, their structure, physiology, genetics, microbial pathogenicity, infectious diseases, immunology, and selected practical applications. Upon completion, students should be able to demonstrate knowledge and skills including microscopy, aseptic technique, staining, culture methods, and identification of microorganisms.

BPR 111 Print Reading

| | | | |
|----------|----------|----------|----------|
| 1 | 2 | 0 | 2 |
|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course introduces the basic principles of print reading. Topics include line types, orthographic projections, dimensioning methods, and notes. Upon completion, students should be able to interpret basic prints and visualize the features of a part or system.

BPR 115 Elc/Fluid Power Diagrams

| | | | |
|----------|----------|----------|----------|
| 1 | 2 | 0 | 2 |
|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course covers sketching of detail and assembly drawings and reading of hydraulic, pneumatic, electrical, mechanical, and piping schematics. Emphasis is placed on interpretation and communication skills utilizing

Prefix No. Course

Title Hours Per Week
CL LB CLINIC CR

sketches, symbols, diagrams, and other related topics. Upon completion, students should be able to read, demonstrate an understanding of, and draw sketches and schematics commonly used in industry.

BUS 110 Introduction to Business 3 0 0 3

Prerequisites: None

Corequisites: None

This course provides a survey of the business world. Topics include the basic principles and practices of contemporary business. Upon completion, students should be able to demonstrate an understanding of business concepts as a foundation for studying other business subjects.

BUS 115 Business Law I 3 0 0 3

Prerequisites: None

Corequisites: None

This course introduces the ethics and legal framework of business. Contracts, negotiable instruments, the law of sales, torts, crime, constitutional law, the Uniform Commercial Code, and the court systems are examined. Upon completion, students should be able to apply ethical issues and laws covered to selected business decision-making situations.

BUS 116 Business Law II 3 0 0 3

Prerequisites: BUS 115

Corequisites: None

This course includes the study of the legal and ethical framework of business. Business Organizations, property law, intellectual property law, agency and employment law, consumer law, secured transactions, and bankruptcy are examined. Upon completion, the student should be able to identify legal and ethical issues that arise in business decisions and the laws that apply to them.

BUS 121 Business Math 2 2 0 3

Prerequisites: None

Corequisites: None

This course covers fundamental mathematical operations and their application to business problems. Topics include payroll, pricing, interest and discount, commission, taxes, and other pertinent uses of mathematics in the field of business. Upon completion, students should be able to apply mathematical concepts to business.

BUS 125 Personal Finance 3 0 0 3

Prerequisites: None

Corequisites: None

Prefix No. Course

| | CL | LB | CLINIC | CR |
|--|----|----|--------|----|
|--|----|----|--------|----|

This course provides a study of individual and family financial decisions. Emphasis is placed on building useful skills in buying, managing finances, increasing resources, and coping with current economic conditions. Upon completion, students should be able to develop a personal financial plan.

BUS 137 Principles of Management

| | | | |
|---|---|---|---|
| 3 | 0 | 0 | 3 |
|---|---|---|---|

Prerequisites: None

Corequisites: None

This course is designed to be an overview of the major functions of management. Emphasis is placed on planning, organizing, controlling, directing, and communicating. Upon completion, students should be able to work as contributing members of a team utilizing these functions of management.

BUS 153 Human Resource Management

| | | | |
|---|---|---|---|
| 3 | 0 | 0 | 3 |
|---|---|---|---|

Prerequisites: None

Corequisites: None

This course introduces the functions of personnel/human resource management within an organization. Topics include equal opportunity and the legal environment, recruitment and selection, performance appraisal, employee development, compensation planning, and employee relations. Upon completion, students should be able to anticipate and resolve human resource concerns.

BUS 225 Business Finance

| | | | |
|---|---|---|---|
| 2 | 2 | 0 | 3 |
|---|---|---|---|

Prerequisites: ACC 120

Corequisites: None

This course provides an overview of business financial management. Emphasis is placed on financial statement analysis, time value of money, management of cash flow, risk and return, and sources of financing. Upon completion, students should be able to interpret and apply the principles of financial management.

BUS 230 Small Business Management

| | | | |
|---|---|---|---|
| 3 | 0 | 0 | 3 |
|---|---|---|---|

Prerequisites: None

Corequisites: None

This course introduces the challenges of entrepreneurship including the startup and operation of a small business. Topics include market research techniques, feasibility studies, site analysis, financing alternatives, and managerial decision making. Upon completion, students should be able to develop a small business plan.

BUS 260 Business Communication

| | | | |
|---|---|---|---|
| 3 | 0 | 0 | 3 |
|---|---|---|---|

Prerequisites: ENG 111

Corequisites: None

Prefix No. Course

CL **LB** **CLINIC** **CR**

This course is designed to develop skills in writing business communications. Emphasis is placed on business reports, correspondence, and professional presentations. Upon completion, students should be able to communicate effectively in the workplace.

CAS 110 Persp Child Maltreatment & Adv 3 0 0 3

Prerequisites: None

Corequisites: None

This course covers the critical examination of child maltreatment and advocacy. Emphasis is placed on the history, comparative perspectives, legal framework, responses to child maltreatment, pertinent issues in maltreatment and advocacy. Upon completion, students should be able to apply the knowledge and skills necessary for recognition and advocacy on behalf of child victims.

CAS 120 Cultural Aware Child Malt/Adv 3 0 0 3

Prerequisites: None

Corequisites: None

This course is designed to deepen students' understanding of the intersection between cultural dynamics and child maltreatment, emphasizing the significance of cultural awareness in effective advocacy. Emphasis is placed on an exploration of diverse cultural contexts, promoting cultural competence as an integral aspect of advocating for the rights and well-being of children. Upon completion, students should be able to navigate the complexities of child maltreatment while respecting and valuing the diverse backgrounds of children and families.

CAS 210 Prof & Sys Resp to Child Malt 3 0 0 3

Prerequisites: None

Corequisites: None

This course is designed to focus on the responses of professionals to allegations of child maltreatment. Emphasis is placed on the multifaceted nature of child abuse and neglect and explores evidence-based strategies for intervention, prevention, and collaboration across diverse professional settings. Upon completion, student should be able to identify the knowledge, skills, and ethical considerations essential for responding effectively to child maltreatment within various systems.

CAS 220 Resp Survivor of Child Abuse 3 0 0 3

Prerequisites: None

Corequisites: None

This course is designed to equip students with the knowledge, skills, and compassion necessary to effectively recognize and respond to the effects of child maltreatment. Emphasis is placed on intervention strategies for children and their families, exploring the multifaceted dimensions of child abuse, emphasizing trauma-informed approaches, and the cultivation of a supportive environment for survivors. Upon completion, students should be able to demonstrate the practical skills and compassionate mindset needed to effectively recognize, respond to, and support survivors of child maltreatment

| Prefix No. | Course | Title Hours Per Week | | | |
|---|----------------------------------|----------------------|----------|----------|----------|
| | | CL | LB | CLINIC | CR |
| CCT 110 | Intro to Cyber Crime | 3 | 0 | 0 | 3 |
| Prerequisites: ENG 111 | | | | | |
| Corequisites: None | | | | | |
| This course introduces the various types of offenses that qualify as cyber crime activity. Emphasis is placed on identifying cyber crime activity and the response to these problems from both the private and public domains. Upon completion, students should be able to accurately describe and define cyber crime activities and select an appropriate response to deal with the problem. | | | | | |
| CHM 151 | General Chemistry I | 3 | 3 | 0 | 4 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course covers fundamental principles and laws of chemistry. Topics include measurement, atomic and molecular structure, periodicity, chemical reactions, chemical bonding, stoichiometry, thermochemistry, gas laws, and solutions. Upon completion, students should be able to demonstrate an understanding of fundamental chemical laws and concepts as needed in CHM 152. | | | | | |
| CHM 152 | General Chemistry II | 3 | 3 | 0 | 4 |
| Prerequisites: CHM 151 | | | | | |
| Corequisites: None | | | | | |
| This course provides a continuation of the study of the fundamental principles and laws of chemistry. Topics include kinetics, equilibrium, ionic and redox equations, acid-base theory, electrochemistry, thermodynamics, introduction to nuclear and organic chemistry, and complex ions. Upon completion, students should be able to demonstrate an understanding of chemical concepts as needed to pursue further study in chemistry and related professional fields. | | | | | |
| CIS 110 | Introduction to Computers | 2 | 2 | 0 | 3 |
| Prerequisites: CIS 070 | | | | | |
| Corequisites: None | | | | | |
| This course introduces computer concepts, including fundamental functions and operations of the computer. Topics include identification of hardware components, basic computer operations, security issues, and use of software applications. Upon completion, students should be able to demonstrate an understanding of the role and function of computers and use the computer to solve problems. | | | | | |
| CIS 115 | Intro to Prog & Logic | 2 | 3 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course introduces computer programming and problem solving in a structured program logic environment. Topics include language syntax, data types, program organization, problem solving methods, algorithm design, and logic control structures. Upon completion, students should be able to manage files | | | | | |

| CJC 111 | Intro to Criminal Justice | 3 | 0 | 0 | 3 |
|----------------|----------------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course introduces the components and processes of the criminal justice system. Topics include history, structure, functions, and philosophy of the criminal justice system and their relationship to life in our society. Upon completion, students should be able to define and describe the major system components and their interrelationships and evaluate career options.

| | | | | | |
|----------------|--------------------|----------|----------|----------|----------|
| CJC 112 | Criminology | 3 | 0 | 0 | 3 |
|----------------|--------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course introduces deviant behavior as it relates to criminal activity. Topics include theories of crime causation; statistical analysis of criminal behavior; past, present, and future social control initiatives; and other related topics. Upon completion, students should be able to explain and discuss various theories of crime causation and societal response.

| | | | | | |
|----------------|-------------------------|----------|----------|----------|----------|
| CJC 113 | Juvenile Justice | 3 | 0 | 0 | 3 |
|----------------|-------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course covers the juvenile justice system and related juvenile issues. Topics include an overview of the juvenile justice system, treatment and prevention programs, special areas and laws unique to juveniles, and other related topics. Upon completion, students should be able to identify/discuss juvenile court structure/procedures, function and jurisdiction of juvenile agencies, processing/detention of juveniles, and case disposition.

| | | | | | |

Prerequisites: COS-111 and COS-112

Corequisites: None

This course provides advanced experience in a simulated salon setting. Emphasis is placed on efficient and competent delivery of all salon services in preparation for the licensing examination and employment. Upon completion, students should be able to demonstrate competence in program requirements and the areas covered on the Cosmetology Licensing Examination and meet entry-level employment requirements.

COS 240 Contemporary Design**1 3 0 2**

Prerequisites: COS 111 and COS 112

Corequisites: None

This course covers methods and techniques for contemporary designs. Emphasis is placed on contemporary designs and other related topics. Upon completion, students should be able to demonstrate and apply techniques associated with contemporary design.

CSC 118 Swift Programming I**2 3 0 3**

Prerequisites: None

Corequisites: None

This course introduces the development of iOS applications and Apple applications using Swift programming language. Emphasis is placed on syntax, object-oriented principles, memory management, and functional concepts of Swift programming. Upon completion, students should be able to develop fully functional iOS and Apple applications using Swift programming language.

CSC 134 C++ Programming**2 3 0 3**

Prerequisites: None

Corequisites: None

This course introduces computer programming using the C++ programming language with object-oriented programming principles. Emphasis is placed on event-driven programming methods, including creating and manipulating objects, classes, and using object-oriented tools such as the class debugger. Upon completion, students should be able to design, code, test and debug at a beginning level.

CSC 139 Visual BASIC Prog**2 3 0 3**

Prerequisites: CIS 115 or CTI 110

Corequisites: None

This course introduces computer programming using the Visual BASIC programming language with object-oriented programming principles. Emphasis is placed on event-driven programming methods, including creating and manipulating objects, classes, and using object-oriented tools such as the class debugger. Upon completion, students should be able to design, code, test, and debug at a beginning level.

This course introduces the student to current legal and ethical issues in the computer/engineering field. Topics include moral reasoning, ethical standards, intellectual property, social issues, encryption, software piracy, constitutional issues, and public policy in related matters. Upon completion, students should be able to demonstrate an understanding of the moral and social responsibilities and public policy issues facing an industry.

Prefix No. Course

CL **LB** **CLINIC** **CR**

CTS 240 Project Management

2 2 0 3

Prerequisites: None

Corequisites: None

This course introduces computerized project management software. Topics include identifying critical paths, cost management, and problem solving. Upon completion, students should be able to plan a complete project and project time and costs accurately.

DBA 110 Database Concepts

2 3 0 3

Prerequisites: None

Corequisites: None

This course introduces database design and creation using a DBMS product. Emphasis is placed on data dictionaries, normalization, data integrity, data modeling, and creation of simple tables, queries, reports, and forms. Upon completion, students should be able to design and implement normalized database structures by creating simple database tables, queries, reports, and forms.

DBA 120 Database Programming I

2 2 0 3

Prerequisites: None

Corequisites: None

This course is designed to develop SQL programming proficiency. Emphasis is placed on data definition, data manipulation, and data control statements as well as on report generation. Upon completion, students should be able to write programs which create, update, and produce reports.

DEA 111 Introduction to DEAT

2 2 0 3

Prerequisites: None

Corequisites: None

This course is an overview of the digital effects and animation technology field from the simplest processes to the most complex. Topics covered include digitizing existing images, creating digital images, manipulation of images and various forms of computer animation. Upon completion, students should be able to demonstrate a vocabulary of the digital effects and animation field and knowledge of outstanding examples of work in the field.

DEA 112 2D Design & Animation I

2 3 0 3

Prerequisites: DEA 111

Corequisites: None

This course covers the process of creating still graphics and 2D animations for use in video, film, or web applications. Topics include multilayering, color correction, alpha channel creation, masking, and keyframing. Upon completion, students should be able to demonstrate basic knowledge of 2D animation and add simple special effects and flying text to video, film or web applications.

| DEA 212 | 2D Design & Animation II | 2 | 3 | 0 | 3 |
|----------------|-------------------------------------|----------|----------|----------|----------|

Prerequisites: DEA 112

Corequisites: None

This course covers relatively complex applications of 2D design and animation for use in video, film, or web applications. Topics will include designing animation that is true to the physics of movement, realism in the movements of animals and people, and combining elements of animation. Upon completion, students should be able to produce short professional level project in 2D animation.

| | | | | | |
|----------------|------------------------------------|----------|----------|----------|----------|
| DEA 213 | 3D Design & Animation I | 2 | 3 | 0 | 3 |
|----------------|------------------------------------|----------|----------|----------|----------|

Prerequisites: DEA 111

Corequisites: None

This course provides in-depth demonstration and practice in modeling and texturing in a 3D environment of use in film, video, and web applications. Emphasis is placed on understanding the process and various steps involved in the creation of 3D models and text elements for use in 3D animations. Upon completion, students should be able to create, import and manipulate objects in order to demonstrate an understanding of the basics in 3D animation.

| | | | | | |
|----------------|------------------------------------|----------|----------|----------|----------|
| DEA 214 | 3D Design& Animation II | 2 | 3 | 0 | 3 |
|----------------|------------------------------------|----------|----------|----------|----------|

Prerequisites: DEA 213

Corequisites: None

This course covers animation techniques, morphing and special effects used to complete 3D animation for use in film, video, and web application. Emphasis is placed on the knowledge, appropriate use, and application of the animation industry's latest tools for 3D animation. Upon completion, students should have rendered an entire 3D scene using models and animations created in 3D Animation I.

| | | | | | |
|----------------|-------------------------|----------|----------|----------|----------|
| DEA 220 | DEAT Compositing | 2 | 3 | 0 | 3 |
|----------------|-------------------------|----------|----------|----------|----------|

Prerequisites: DEA 112, DEA 213

Corequisites: DEA 212

This course covers the process of combining digital elements to create or enhance scenes. Topics include keying techniques, rotoscoping, motion tracking and the use of alpha channels. Upon completion, students should have an understanding and experience in combining elements from both 2D and 3D applications into one scene.

| | | | | | |
|----------------|----------------------|----------|----------|----------|----------|
| DEA 221 | DEAT Modeling | 2 | 3 | 0 | 3 |
|----------------|----------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course covers the principles and skills involved in the synthetic creation of objects and environments with computers. Topics will include initial form creation, constructing wire models, model interaction, and environmental modes. Upon completion, students should be able to create synthetic objects and environments using surface, solids, and other popular modeling techniques.

This course introduces basic engineering graphics skills and applications. Topics include sketching, selection and use of current methods and tools, and the use of engineering graphics applications. Upon completion, students should be able to demonstrate an understanding of basic engineering graphics principles and practices.

DRA 111 Theatre Appreciation 3 0 0 3

Prerequisites: None

Corequisites: None

This course provides a study of the art, craft, and business of the theatre. Emphasis is placed on the audience's appreciation of the work of the playwright, director, actor, designer, producer, and critic. Upon completion, students should be able to demonstrate a vocabulary of theatre terms and to recognize the contributions of various theatre artists.

ECO 251 Prin of Microeconomics 3 0 0 3

Prerequisites: None

Corequisites: None

This course introduces economic analysis of individual, business, and industry choices in the market economy. Topics include the price mechanism, supply and demand, optimizing economic behavior, costs and revenue, market structures, factor markets, income distribution, market failure, and government intervention. Upon completion, students should be able to identify and evaluate consumer and business alternatives in order to efficiently achieve economic objectives. This course has been approved for transfer under the CAA as a general education course in Social/Behavioral Sciences. This course has been approved for transfer under the ICAA as a general education course in Social/Behavioral Sciences.

ECO 252 Prin of Macroeconomics 3 0 0 3

Prerequisites: None

Corequisites: None

This course introduces economic analysis of aggregate employment, income, and prices. Topics include major schools of economic thought; aggregate supply and demand; economic measures, fluctuations, and growth; money and banking; stabilization techniques; and international trade. Upon completion, students should be able to evaluate national economic components, conditions, and alternatives for achieving socioeconomic goals. This course has been approved for transfer under the CAA as a general education course in Social/Behavioral Sciences. This course has been approved for transfer under the ICAA as a general education course in Social/Behavioral Sciences.

EDU 119 Intro to Early Childhood Education 4 0 0 4

Prerequisites: None

Corequisites: None

This course introduces the foundations of culturally responsive, equitable and inclusive early childhood education, planning intentional developmentally appropriate experiences, learning activities, and teaching strategies for indoor and outdoor environments for all young children, guidance techniques, and

factors that impact development, and identify evidence-based strategies for enhancing development for children that are culturally, linguistically, and ability diverse.

EDU 146 Child Guidance 3 0 0 3

Prerequisites: None

Corequisites: None

This course introduces evidence-based strategies to build nurturing relationships with each child by applying principles and practical techniques to facilitate developmentally appropriate guidance. Topics include designing responsive/supportive learning environments, cultural, linguistic, and socio-economic influences on behavior, appropriate expectations, the importance of communication with children/families including using technology, and the use of formative assessments in establishing intentional strategies for children with unique needs. Upon completion, students should be able to demonstrate direct/indirect strategies to encourage social skills, self-regulation, emotional expression, and positive behaviors while recognizing the relationship between children's social, emotional, and cognitive development.

EDU 151 Creative Activities 3 0 0 3

Prerequisites: None

Corequisites: None

This course introduces developmentally supportive, diverse, equitable, and inclusive creative learning environments with attention to divergent thinking, creative problem-solving, evidence-based teaching practices, and open-ended learning materials and activities that align with the NC Foundations for Early Learning and Development. Emphasis is placed on best practices providing process-driven culturally diverse, learning experiences in art, music, creative movement, dance, and dramatic play integrated across all domains and academic content in indoor/outdoor environments for every young child age birth through age eight. Upon completion, students should be able to observe, examine, create, adapt, and advocate for developmentally appropriate creative learning materials, experiences, and environments for children that are culturally, linguistically, and ability diverse.

EDU 153 Health, Safety, & Nutrition 3 0 0 3

Prerequisites: None

Corequisites: None

This course covers promoting and maintaining the health and well-being of every child. Topics include health and nutritional guidelines, common childhood illnesses, maintaining safe and healthy learning environments, health benefits of active play, recognition and reporting of abuse/neglect, and state regulations. Upon completion, students should be able to apply knowledge of NC Foundations for Early Learning and Development for health, safety, nutritional needs, and safe learning environments.

CL LB CLINIC CR

This course introduces principles and practices essential to preparing and supporting childcare administrators. Topics include program philosophy, policies and procedures, NC Child Care Law and Rules, business planning, personnel and fiscal management, and NAEYC Code of Ethical Conduct Supplement for Early Childhood Program Administration. Upon completion, students should be able to articulate a developmentally appropriate program philosophy, locate current state licensing regulations, analyze a business plan and examine comprehensive program policies and procedures.

EDU 262 Early Childhood Admin II 3 0 0 3

Prerequisites: EDU 119 and EDU-261

Corequisites: None

This course focuses on advocacy/leadership, public relations/community outreach and program quality/evaluation for diverse early childhood programs. Topics include program evaluation/accreditation, involvement in early childhood professional organizations, leadership/mentoring, family, volunteer and community involvement and early childhood advocacy. Upon completion, students should be able to define and evaluate all components of early childhood programs, develop strategies for advocacy and integrate community into programs.

EDU 271 Educational Technology 2 2 0 3

Prerequisites: None

Corequisites: None

This course introduces the appropriate and ethical use of technology that is inclusive of digital and analog materials/tools to enhance teaching and learning in all educational settings. Emphasis is placed on the developmentally appropriate use of technology with children, ethical issues, digital citizenship, instructional strategies, assistive technology, and the use of technology for professional development and communication with families. Upon completion, student should be able to demonstrate professional and ethical implementation of various modes of technology in culturally responsive and equitable ways to support diverse children, families and communities.

EDU 279 Literacy Develop and Instruct 3 3 0 4

Prerequisites: None

Corequisites: None

This course is designed to provide students with concepts and skills of literacy development, instructional methods/materials, and assessment techniques needed to provide scientifically based, systematic reading and writing instruction into educational practice. Topics include literacy concepts, reading and writing development, developmentally appropriate pedagogy, culturally responsive instruction, standards-based outcomes, lesson planning, formative/summative assessment, recognizing reading difficulties, research-based interventions, authentic learning experiences, classroom implementation, and reflective practice. Upon completion, students should be able to plan, implement, assess, evaluate, and demonstrate developmentally appropriate literacy instruction aligned to the NC Standard Course of Study and other state and national standards.

This course provides evidence-based strategies for enhancing language and literacy experiences that align with NC Foundations for Early Learning and Development. Topics include developmental sequences for children's emergent receptive and expressive language, print concepts, appropriate observations/assessments, literacy enriched environments, quality selection of diverse literature, interactive media, and inclusive practices. Upon completion, students should be able to select, plan, implement and evaluate developmentally appropriate language and literacy experiences for children who are culturally, linguistically and ability diverse.

EDU 284 Early Child Capstone Prac 1 9 0 4

Prerequisites: EDU 119, EDU 144, EDU 145, EDU 146, and EDU 151

Corequisites: None

This course is designed to allow students to demonstrate acquired skills in a three star (minimum) or NAEYC accredited or equivalent, quality early childhood environment. Emphasis is placed on designing, implementing and evaluating developmentally appropriate activities and environments for all children; supporting/engaging families; and modeling reflective and professional practices based on national and state guidelines. Upon completion, students should be able to apply NC Foundations for Early Learning and Development to demonstrate developmentally appropriate plans/assessments, appropriate guidance techniques and ethical/professional behaviors, including the use of appropriate technology, as indicated by assignments and onsite faculty assessments.

ELC 112 DC/AC Electricity 3 6 0 5

Prerequisites: None

Corequisites: None

This course introduces the fundamental concepts of, and computations related to DC/AC electricity. Emphasis is placed on DC/AC circuits, components, operation of test equipment; and other related topics. Upon completion, students should be able to construct, verify, troubleshoot, and repair DC/AC circuits.

ELC 113 Residential Wiring 2 6 0 4

Prerequisites: None

Corequisites: None

This course introduces the care/usage of tools and materials used in electrical installations and the requirements of the National Electrical Code. Topics include NEC, electrical safety, and electrical blueprint reading; planning, layout; and installation of electrical distribution equipment; lighting; overcurrent protection; conductors; branch circuits; and conduits. Upon completion, students should be able to properly install conduits, wiring, and electrical distribution equipment associated with basic electrical installations.

Prefix No. Course**Title Hours Per Week**

Prerequisites: EMS-231

Corequisites: None

This course provides clinical experiences in the hospital and/or field. Emphasis is placed on mastering the skills/competencies required of the paramedic providing advanced-level care. Upon completion, students should be able to provide advanced-level patient care as an entry-level paramedic.

| | | | | | |
|----------------|----------------------------|----------|----------|----------|----------|
| EMS 250 | Medical Emergencies | 3 | 3 | 0 | 4 |
|----------------|----------------------------|----------|----------|----------|----------|

Prerequisites: EMS-122 and EMS-130

Corequisites: None

This course provides an in-depth study of medical conditions frequently encountered in the prehospital setting and is required for paramedic certification. Topics include appropriate interventions/treatments for disorders/diseases/ injuries affecting the following systems: respiratory, neurological, abdominal/gastrointestinal, endocrine, genitourinary, musculoskeletal, and immunological as well as toxicology, infectious diseases and diseases of the eyes, ears, nose, and throat. Upon completion, students should be able to recognize, assess and manage the care of frequently encountered medical conditions based upon initial patient assessment.

| | | | | | |
|----------------|---------------------------|----------|----------|----------|----------|
| EMS 260 | Trauma Emergencies | 1 | 3 | 0 | 2 |
|----------------|---------------------------|----------|----------|----------|----------|

Prerequisites: EMS-122 and EMS-130

Corequisites: None

This course provides in-depth study of trauma including pharmacological interventions for conditions frequently encountered in the prehospital setting and is required for paramedic certification. Topics include an overview of thoracic, abdominal, genitourinary, orthopedic, neurological, multi-system trauma, soft tissue trauma of the head, neck, and face as well as environmental emergencies. Upon completion, students should be able to recognize and manage trauma situations based upon patient assessment and should adhere to standards of care.

| | | | | | |
|----------------|------------------------------|----------|----------|----------|----------|
| EMS 270 | Life Span Emergencies | 3 | 3 | 0 | 4 |
|----------------|------------------------------|----------|----------|----------|----------|

Prerequisites: EMS-122 and EMS-130

Corequisites: None

This course covers medical/ethical/legal issues and the spectrum of age-specific emergencies from conception through death required for paramedic certification. Topics include gynecological, obstetrical, neonatal, pediatric, and geriatric emergencies and pharmacological therapeutics. Upon completion, students should be able to recognize and treat age-specific emergencies.

ENG 112 Writing/Research in the Disc

3 0 0 3

Prerequisites: ENG 111

Corequisites: None

This course, the second in a series of two, introduces research techniques, documentation styles, and writing strategies. Emphasis is placed on analyzing information and ideas and incorporating research findings into documented writing and research projects. Upon completion, students should be able to evaluate and synthesize information from primary and secondary sources using documentation appropriate to various disciplines.

ENG 125 Creative Writing I

3 0 0 3

Prerequisites: ENG 111

Corequisites: None

This course is designed to provide students with the opportunity to practice the art of creative writing. Emphasis is placed on writing, fiction, poetry, and sketches. Upon completion, students should be able to craft and critique their own writing and critique the writing of others.

ENG 126 Creative Writing II

3 0 0 3

Prerequisites: ENG 125

Corequisites: None

This course is designed as a workshop approach for advancing imaginative and literary skills. Emphasis is placed on the discussion of style, techniques, and challenges for first publications. Upon completion, students should be able to submit a piece of their writing for publication.

ENG 231 American Literature I

3 0 0 3

Prerequisites: ENG 112

Corequisites: None

This course covers selected works in American literature from its beginnings to 1865. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to interpret, analyze, and respond to literary works in their historical and cultural contexts.

ENG 232 American Literature II

3 0 0 3

Prerequisites: ENG 112, ENG 113, or ENG 114

Corequisites: None

This course covers selected works in American literature from 1865 to the present. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to interpret, analyze, and respond to literary works in their historical and cultural contexts.

This course covers selected works in British literature from the Romantic Period to the present. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to interpret, analyze, and respond to literary works in their historical and cultural contexts.

ENG 273 African American Literature**3 0 0 3**

Prerequisites: ENG 112

Corequisites: None

This course provides a survey of the development of African American literature from its beginnings to the present. Emphasis is placed on historical and cultural context, themes, literary traditions, and backgrounds of the authors. Upon completion, students should be able to interpret, analyze, and respond to selected texts.

EPP 110 Intro to Power Plant Operator**2 0 0 2**

Prerequisites: None

Corequisites: None

This course provides a general overview of power generation theory and the methods and equipment employed in the electrical power industry. Topics include power plant procedures, power plant terminology, professional behavior, communication, and safety. Upon completion, students will have a basic knowledge of power generation, power plant operations, the role of an operator, and working conditions in the field.

EPP 112 Fuels and Combustion**3 0 0 3**

Prerequisites: None

Corequisites: None

This course covers fossil fuels and combustion as they relate to the electrical power production field. Topics include the study of fossil fuels, characteristics of fuel and combustion, fuel/air ratios, and fuel handling equipment. Upon completion, students should have an understanding of fossil fuels and combustion as they occur in a typical power plant.

Prefix No. Course

CL LB CLINIC CR

EPP 210 Power Plant Systems

2 2 0 3

Prerequisites: EPP 110 and EPP 112

Corequisites: None

This course covers the general operations and function of major mechanical, electrical, and emissions control systems employed in fossil-fueled, electrical power generating plants. Topics include the function and interaction of major power plant systems including operation of pumps, heat exchangers, valves, compressors, and electrical switchgear. Upon completion, students should be able to describe the function of major plant systems, interpret schematic diagrams, and describe general operational considerations.

EPP 212 Steam & Combustion TG

2 2 0 3

Prerequisites: EPP 110 and EPP 112

Corequisites: None

This course covers operational and maintenance considerations, general design features of steam and combustion turbines, and associated support systems. Topics include general information on power plant operation, operational consideration, component configuration, control, protective systems, mechanical and electrical support systems, and efficiency considerations. Upon completion, students should be able to demonstrate understanding of steam and combustion turbine generator components and support systems and describe general operational and maintenance considerations.

EPP 214 Power Plant Environ Mgt

2 2 0 2

Prerequisites: EPP 110 and EPP 112

Corequisites: None

This course provides an overview of state and federal environmental regulations as they apply to water, air, and hazardous waste generation. Topics include current and proposed environmental regulations, power plant effluent and waste streams, and basic environmental control systems and equipment. Upon completion, students should be able to demonstrate knowledge of power plant waste streams, environmental impacts, environmental regulations, and system/processes/ equipment used for control.

FIP 120 Introduction to Fire Protection

2 2 0 3

Prerequisites: None

Corequisites: None

This course provides an overview of the development, methods, systems, and regulations that apply to the fire protection field. Topics include history, evolution, statistics, suppression, organizations, careers, curriculum, and related subjects. Upon completion, students should be able to demonstrate a broad understanding of the fire protection field.

FIP 229 Fire Dynamics and Combustion

3 0 0 3

Prerequisites: None

Corequisites: None

Prefix No. Course

| | Title Hours Per Week | | | |

This course introduces the distinctive features of a particular culture. Topics include art, history, music, literature, politics, philosophy, and religion. Upon completion, students should be able to appreciate the unique character of the study culture. This course has been approved for transfer under the CAA as a general education course in Humanities/Fine Arts. This course has been approved for transfer under the ICAA as a general education course in Humanities/Fine Arts.

HYD 110 Hydraulics/Pneumatics I**2 3 0 3**

Prerequisites: None

Corequisites: None

This course introduces the basic components and functions of hydraulic and pneumatic systems. Topics include standard symbols, pumps, control valves, control assemblies, actuators, FRL, maintenance procedures, and switching and control devices. Upon completion, students should be able to understand the operation of a fluid power system, including design, application, and troubleshooting.

ISC 112 Industrial Safety**2 0 0 2**

Prerequisites: None

Corequisites: None

Prefix No. Course

| | CL | LB | CLINIC | CR |
|--|----|----|--------|----|
|--|----|----|--------|----|

This course introduces the principles of industrial safety. Emphasis is placed on industrial safety, OSHA, and environmental regulations. Upon completion, students should be able to demonstrate knowledge of a safe working environment and OSHA compliance.

| | | | | | |
|----------------|-------------------------------|----------|----------|----------|----------|
| ISC 170 | Problem-Solving Skills | 3 | 0 | 0 | 3 |
|----------------|-------------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course covers basic concepts of interpersonal and problem-solving skills. Topics include leadership development, constructive feedback, building relationships, and winning support from others. Upon completion, students should be able to use interpersonal skills effectively and lead others.

| | | | | | |
|----------------|----------------------------|----------|----------|----------|----------|
| MAT 045 | Math Skills Support | 1 | 2 | 0 | 2 |
|----------------|----------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course provides opportunities for students to build a stronger foundation for success in their gateway math course by obtaining skills through a variety of instructional strategies. Emphasis is placed on foundational skills as well as concepts, skills, vocabulary and definitions necessary to master student learning outcomes of the gateway math course. Upon completion, student should be able to apply mathematical concepts and critical thinking skills to solve problems relevant to the student's gateway math course.

| | | | | | |
|----------------|--|----------|----------|----------|----------|
| MAT 110 | Mathematical Measurement & Literacy | 2 | 2 | 0 | 3 |
|----------------|--|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course provides an activity-based approach that develops measurement skills and mathematical literacy using technology to solve problems for non-math intensive programs. Topics include unit conversions and estimation within a variety of measurement systems; ratio and proportion; basic geometric concepts; financial literacy; and statistics including measures of central tendency, dispersion, and charting of data. Upon completion, students should be able to demonstrate the use of mathematics and technology to solve practical problems, and to analyze and communicate results.

| | | | | | |
|----------------|------------------------------|----------|----------|----------|----------|
| MAT 143 | Quantitative Literacy | 2 | 2 | 0 | 3 |
|----------------|------------------------------|----------|----------|----------|----------|

Prerequisites: MAT 003, ENG 002

Corequisites: MAT 045Q

This course is designed to engage students in complex and realistic situations involving the mathematical phenomena of quantity, change and relationship, and uncertainty through project- and activity-based assessment. Emphasis is placed on authentic contexts which will introduce the concepts of numeracy, proportional reasoning, dimensional analysis, rates of growth, personal finance, consumer statistics, practical probabilities, and mathematics for citizenship. Upon completion, students should be able to utilize quantitative information as consumers and to make personal, professional, and civic decisions by decoding,

Prefix No. Course

| | CL | LB | CLINIC | CR |
|--|----|----|--------|----|
|--|----|----|--------|----|

interpreting, using, and communicating quantitative information found in modern media and encountered in everyday life.

|----------------|------------------------------|----------|----------|----------|----------|
| MAT 152 | Statistical Methods I | 3 | 2 | 0 | 4 |
|----------------|------------------------------|----------|----------|----------|----------|

Prerequisites: MAT 003, ENG 002

Corequisites: MAT 045S

This course provides a project-based approach to introductory statistics with an emphasis on using real-world data and statistical literacy. Topics include descriptive statistics, correlation and regression, basic probability, discrete and continuous probability distributions, confidence intervals and hypothesis testing. Upon completion, students should be able to use appropriate technology to describe important characteristics of a data set, draw inferences about a population from sample data, and interpret and communicate results.

| | | | | | |
|----------------|----------------------------|----------|----------|----------|----------|
| MAT 171 | Precalculus Algebra | 3 | 2 | 0 | 4 |
|----------------|----------------------------|----------|----------|----------|----------|

Prerequisites: MAT 003

Corequisites: MAT 045P

This course is designed to develop topics which are fundamental to the study of Calculus. Emphasis is placed on solving equations and inequalities, solving systems of equations and inequalities, and analysis of functions (absolute value, radical, polynomial, rational, exponential, and logarithmic) in multiple representations. Upon completion, students should be able to select and use appropriate models and techniques for finding solutions to algebra-related problems with and without technology.

| | | | | | |
|----------------|---------------------------------|----------|----------|----------|----------|
| MAT 172 | Precalculus Trigonometry | 3 | 2 | 0 | 4 |
|----------------|---------------------------------|----------|----------|----------|----------|

Prerequisites: MAT 171

Corequisites: None

This course is designed to develop an understanding of topics which are fundamental to the study of Calculus. Emphasis is placed on the analysis of trigonometric functions in multiple representations, right and oblique triangles, vectors, polar coordinates, conic sections, and parametric equations. Upon completion, students should be able to select and use appropriate models and techniques for finding solutions to trigonometry-related problems with and without technology.

| | | | | | |
|----------------|--------------------|----------|----------|----------|----------|
| MAT 175 | Precalculus | 4 | 2 | 0 | 5 |
|----------------|--------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course is designed to develop an understanding of topics which are fundamental to the study of Calculus. Emphasis is placed on the analysis of trigonometric functions in multiple representations, right and oblique triangles, vectors, polar coordinates, conic sections, and parametric equations. Upon completion, students should be able to select and use appropriate models and techniques for finding solutions to trigonometry-related problems with and without technology.

| MED 118 | Medical Law and Ethics | 2 | 0 | 0 | 2 |
|----------------|-------------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course covers legal relationships of physicians and patients, contractual agreements, professional liability, malpractice, medical practice acts, informed consent, and bioethical issues. Emphasis is placed on legal terms, professional attitudes, and the principles and basic concepts of ethics and laws involved in

Prefix No. Course

CL **LB** **CLINIC** **CR**

providing medical services. Upon completion, students should be able to meet the legal and ethical responsibilities of a multi-skilled health professional.

MED 121 Medical Terminology I 3 0 0 3

Prerequisites: None

Corequisites: None

This course introduces prefixes, suffixes, and word roots used in the language of medicine. Topics include medical vocabulary and the terms that relate to the anatomy, physiology, pathological conditions, and treatment of selected systems. Upon completion, students should be able to pronounce, spell, and define medical terms as related to selected body systems and their pathological disorders.

MED 122 Medical Terminology II 3 0 0 3

Prerequisites: MED 121

Corequisites: None

This course is the second in a series of medical terminology courses. Topics include medical vocabulary and the terms that relate to the anatomy, physiology, pathological conditions, and treatment of selected systems. Upon completion, students should be able to pronounce, spell, and define medical terms as related to selected body systems and their pathological disorders.

MED 130 Admin Office Proc I 1 2 0 2

Prerequisites: None

Corequisites: None

This course introduces medical office administrative procedures. Topics include appointment processing, written and oral communications, medical records, patient orientation, and safety. Upon completion, students should be able to perform basic administrative skills within the medical environment.

MED 131 Admin Office Proc II 1 2 0 2

Prerequisites: None

Corequisites: None

This course provides medical office procedures in both economic and management skills. Topics include physical plant maintenance, equipment and supplies, liability coverage, medical economics, and introductory insurance procedures. Upon completion, students should be able to manage the economics of the medical office and supervise personnel.

MED 140 Exam Room Procedures I 3 4 0 5

Prerequisites: None

Corequisites: None

This course provides instruction in clinical examining room procedures. Topics include asepsis, infection control, assisting with exams and treatment, patient education, preparation and administration of

Prefix No. Course

Title Hours Per Week
CL LB CLINIC CR

medications, EKG, vital signs, and medical emergencies. Upon completion, students should be able to demonstrate competence in exam room procedures.

MED 150 Laboratory Procedures I 3 4 0 5

Prerequisites: None

Corequisites: None

This course provides instruction in basic lab techniques used by the medical assistant. Topics include lab safety, quality control, collecting and processing specimens, performing selective tests, phlebotomy, screening, and follow-up of test results, and OSHA/CLIA regulations. Upon completion, students should be able to perform basic lab tests/skills based on course topics.

MED 260 MED Clinical Practicum 0 0 15 5

Prerequisites: None

Corequisites: None

This course provides the opportunity to apply clinical, laboratory, and administrative skills in a medical facility. Emphasis is placed on enhancing competence in clinical and administrative skills necessary for comprehensive patient care and strengthening professional communications and interactions. Upon completion, students should be able to function as an entry-level health care professional.

MED 264 Med Assisting Overview 2 0 0 2

Prerequisites: None

Corequisites: None

This course provides an overview of the complete medical assisting curriculum. Emphasis is placed on all facets of medical assisting pertinent to administrative, laboratory, and clinical procedures performed in the medical environment. Upon completion, students should be able to demonstrate competence in the areas covered on the national certification examination for medical assistants.

MED 272 Drug Therapy 3 0 0 3

Prerequisites: None

Corequisites: None

This course focuses on major drug groups, including their side effects, interactions, methods of administration, and proper documentation. Emphasis is placed on the theory of drug administration. Upon completion, students should be able to identify, spell, recognize side effects of, and document the most commonly used medications in a physician's office.

MED 276 Patient Education 1 2 0 2

Prerequisites: None

Corequisites: None

This course is designed to provide communication skills, basic education principles, and knowledge of available community resources and to apply this knowledge to the clinical setting. Emphasis is placed on

Prefix No. Course

Title Hours Per Week
CL LB CLINIC CR

identifying appropriate community resources, developing patient education materials, and perfecting written and oral communication skills. Upon completion, students should be able to instruct, communicate effectively, and act as a liaison between the patient and community agencies.

MHA 140 Treatment Modalities

3 0 0 3

Prerequisites: None

Corequisites: None

This course provides a comprehensive overview of mental health and wellness and the roles, duties, and ethical aspects of providing mental health services. Topics include the history of mental health services, common mental health challenges, professional qualifications, and current trends. Upon completion, students should be able to discuss the impact of mental health, examine various treatment settings, and analyze the requirements for providing mental health services in public, private, nonprofit, and community environments.

MHA 150 Mental Health Interventions

3 0 0 3

Prerequisites: None

Corequisites: None

This course provides exposure to different mental health treatment and intervention modalities. Topics include professional and self-help forms of intervention. Upon completion, students should be able to apply culturally competent mental health intervention principles to individuals and groups in a variety of treatment settings.

MHA 238 Psychopathology

3 0 0 3

Prerequisites: None

Corequisites: None

This course examines the development and use of DSM/ICD in the mental health setting to establish a common language. Emphasis is placed on history, terminology, and assessment practices associated with the DSMIV/ICD in the treatment of psychological disorders. Upon completion, students should be able to explain the core vocabulary of treatment approaches and their applications.

MHA 240 Advocacy

3 0 0 3

Prerequisites: None

Corequisites: None

This course covers the roles and duties of the individual and community advocate. Topics include treatment planning, needs assessment, referral procedures, and follow-up and integration of services. Upon completion, students should be able to effectively advocate for the care of the whole person and community.

Prefix No. Course**Title Hours Per Week**
CL LB CLINIC CR**MKT 120 Principles of Marketing****3 0 0 3**

Prerequisites: None

Corequisites: None

This course introduces principles and problems of marketing goods and services. Topics include promotion, placement, and pricing strategies for products. Upon completion, students should be able to apply marketing principles in organizational decision making.

MKT 123 Fundamentals of Selling**3 0 0 3**

Prerequisites: None

Corequisites: None

This course is designed to emphasize the necessity of selling skills in a modern business environment. Emphasis is placed on sales techniques involved in various types of selling situations. Upon completion, students should be able to demonstrate an understanding of the techniques covered.

MKT 220 Advertising and Sales Promotion**3 0 0 3**

Prerequisites: None

Corequisites: None

This course covers the elements of advertising and sales promotion in the business environment. Topics include advertising and sales promotion appeals, selection of media, use of advertising and sales promotion as a marketing tool, and means of testing effectiveness. Upon completion, students should be able to demonstrate an understanding of the concepts covered through application.

MNT 110 Intro to Maint Procedures**1 3 0 2**

Prerequisites: None

Corequisites: None

This course covers basic maintenance fundamentals for power transmission equipment. Topics include equipment inspection, lubrication, alignment, and other scheduled maintenance procedures. Upon completion, students should be able to demonstrate knowledge of accepted maintenance procedures and practices according to current industry standards.

MNT 230 Pumps & Piping Systems**1 3 0 2**

Prerequisites: None

Corequisites: None

This course covers pump installation and maintenance and related valves and piping systems. Topics include various types of pump systems and their associated valves, piping requirements, and other related topics. Upon completion, students should be able to select and install pump and piping systems and demonstrate proper maintenance and troubleshooting procedures.

interventions, managing care, safety, and advocacy. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

NUR 114 Holistic Health Concepts 3 0 6 5

Prerequisites: NUR 111

Corequisites: None

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of cellular regulation, perfusion, inflammation, sensory perception, stress/coping, mood/affect, cognition, self, violence, health-wellness-illness, professional behaviors, caring interventions, and safety. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

NUR 211 Health Care Concepts 3 0 6 5

Prerequisites: NUR 111

Corequisites: None

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of cellular regulation, perfusion, infection, immunity, mobility, comfort, behaviors, health-wellness-illness, clinical decision-making, caring interventions, managing care, and safety. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

NUR 212 Health Systems Concepts 3 0 6 5

Prerequisites: NUR 111

Corequisites: None

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of grief/loss, violence, health-wellness-illness, collaboration, managing care, safety, advocacy, legal issues, policy, healthcare systems, ethics, accountability, and evidence-based practice. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

NUR 213 Complex Health Concepts 4 3 15 10

Prerequisites: NUR 111

Corequisites: NUR 112, NUR 113, NUR 114, NUR 211, and NUR 212

This course is designed to assimilate the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of fluid/electrolytes, metabolism, perfusion, mobility, stress/coping, violence, health wellness-illness, professional behaviors, caring interventions, managing care, healthcare systems, and quality improvement. Upon completion, students should be able to demonstrate the knowledge, skills, and attitudes necessary to provide quality, individualized, entry level nursing care.

Prefix No. Course**Title Hours Per Week**
CL LB CLINIC CR**OST 131 Keyboarding****1 2 0 2**

Prerequisites: None

Corequisites: None

This course covers basic keyboarding skills. Emphasis is placed on the touch system, correct techniques, and development of speed and accuracy. Upon completion, students should be able to key at an acceptable speed and accuracy level using the touch system.

OST 134 Text Entry & Formatting**2 2 0 3**

Prerequisites: None

Corequisites: None

This course is designed to provide skills needed to increase speed, improve accuracy, and format documents. Topics include letters, memos, tables, and business reports. Upon completion, students should be able to produce documents and key timed writings at speeds commensurate with employability.

OST 135 Adv Text Entry & Format**2 2 0 3**

Prerequisites: OST 134

Corequisites: None

This course is designed to incorporate computer application skills in the generation of office documents. Emphasis is placed on advanced document production with increased speed and accuracy. Upon completion, students should be able to make independent decisions regarding planning, style, and method of presentation.

OST 136 Word Processing**2 2 0 3**

Prerequisites: None

Corequisites: None

This course is designed to introduce word processing concepts and applications. Topics include preparation of a variety of documents and mastery of specialized software functions. Upon completion, students should be able to work effectively in a computerized word processing environment.

OST 148 Medical Insurance and Billing**3 0 0 3**

Prerequisites: None

Corequisites: None

This course introduces fundamentals of medical insurance and billing. Emphasis is placed on the medical billing cycle to include third party payers, coding concepts, and form preparation. Upon completion, students should be able to explain the life cycle of and accurately complete a medical insurance claim.

OST 153 Office Finance Solutions**2 2 0 3**

| OST 247 | Procedure Coding | 2 | 2 | 0 | 3 |
|----------------|-------------------------|----------|----------|----------|----------|

Prerequisites: MED 121 or OST 141

Corequisites: None

Prefix No. Course

| CL | LB | CLINIC | CR |
|----|----|--------|----|
|----|----|--------|----|

This course provides in-depth coverage of procedural coding. Emphasis is placed on CPT and HCPCS coding systems. Upon completion, students should be able to properly code procedures and services performed in a medical facility.

OST 248 Diagnostic Coding

| | | | |
|---|---|---|---|
| 2 | 2 | 0 | 3 |
|---|---|---|---|

Prerequisites: MED 121 or OST 141

Corequisites: None

This course provides an in-depth study of diagnostic coding. Emphasis is placed on ICD coding system. Upon completion, students should be able to properly code diagnoses in a medical facility.

OST 249 Med Coding Certification Prep

| | | | |
|---|---|---|---|
| 2 | 3 | 0 | 3 |
|---|---|---|---|

Prerequisites: OST 247 and OST 248

Corequisites: None

This course provides instruction that will prepare students to sit for a national coding certification exam. Topics include diagnostic and procedural coding. Upon completion, students should be able to sit for various medical coding certification exams.

OST 250 Long-term Care Coding

| | | | |
|---|---|---|---|
| 2 | 2 | 0 | 3 |
|---|---|---|---|

Prerequisites: MED-121 or OST-141

Corequisites: None

This course covers diagnostic coding as it applies to long-term care facilities and home care. Topics include diagnostic coding and reimbursement in long-term care facilities and home care. Upon completion, students should be able to properly code conditions for long-term care and home care services.

OST 280 Electronic Health Records

| | | | |
|---|---|---|---|
| 2 | 2 | 0 | 3 |
|---|---|---|---|

Prerequisites: None

Corequisites: None

This course focuses on the use of electronic health records in medical documentation and patient management. Emphasis is placed on creating and maintaining patient medical information, scheduling patient appointments, documenting patient encounters, and billing/insurance claim processing. Upon completion, students should be able to perform the required software tasks following a patient visit from start to finish.

OST 289 Office Administration Capstone

| | | | |
|---|---|---|---|
| 2 | 2 | 0 | 3 |
|---|---|---|---|

Prerequisites: Take One Set: Set 1: OST-134 and OST-164 or Set 2: OST-136 and OST-164

Corequisites: None

This course is designed to be a capstone course for the office professional and provides a working knowledge of administrative office procedures. Emphasis is placed on written and oral communication skills, office software applications, office procedures, ethics, and professional development. Upon completion, students should be able to adapt in an office environment.

| | | CL | LB | CLINIC | CR |
| PAD 151 | Intro to Public Administration | 3 | 0 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course includes an overview of the role of the public administrator in government and an examination of the development and implementation of public policy. Topics include public personnel administration and management, decision making, public affairs, ethics, organizational theories, budgetary functions within governmental agencies, and other governmental issues. Upon completion, students should be able to explain the functions of government in society and in the lives of people composing that society. | | | | | |
| PAD 152 | Ethics in Government | 3 | 0 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course introduces the ethical issues and problems within the public administration field. Emphasis is placed on building analytical skills, stimulating moral imagination, and recognizing the discretionary power of the administrator's role. Upon completion, students should be able to understand the moral dimensions of public administrative decision making. | | | | | |
| PAD 251 | Public Finance & Budgeting | 3 | 0 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course provides an overview of the public finance and budgeting processes used in the allocation of public resources to meet differing public interests. Topics include the political environment, government expenditures, revenues, taxation, budgetary process theories and techniques, and the relation of government finance to the economy. Upon completion, students should be able to recognize impacts of government revenue and expenditure policies and understand the role of budgeting in executing governmental policy. | | | | | |
| PAD 252 | Public Policy Analysis | 3 | 0 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course is a study of methods and techniques used to determine the effectiveness of public programs. Emphasis is placed on the concept of ecology and environmental impact, informal groups and information networks, and the relationship between public and private sectors. Upon completion, students should be able to analyze case studies with the use of political analysis techniques. | | | | | |

|----------------|---------------------------|----------|----------|----------|----------|
| PSY 150 | General Psychology | 3 | 0 | 0 | 3 |
|----------------|---------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course provides an overview of the scientific study of human behavior. Topics include history, methodology, biopsychology, sensation, perception, learning, motivation, cognition, abnormal behavior, personality theory, social psychology, and other relevant topics. Upon completion, students should be able to demonstrate a basic knowledge of the science of psychology.

| | | | | | |
|----------------|--------------------------|----------|----------|----------|----------|
| PSY 237 | Social Psychology | 3 | 0 | 0 | 3 |
|----------------|--------------------------|----------|----------|----------|----------|

Prerequisites: PSY 150 or SOC 210

Corequisites: None

This course introduces the study of individual behavior within social contexts. Topics include affiliation, attitude formation and change, conformity, altruism, aggression, attribution, interpersonal attraction, and group behavior. Upon completion, students should be able to demonstrate an understanding of the basic principles of social influences on behavior.

| | | | | | |
|----------------|---------------------------------|----------|----------|----------|----------|
| PSY 241 | Developmental Psychology | 3 | 0 | 0 | 3 |
|----------------|---------------------------------|----------|----------|----------|----------|

Prerequisites: PSY 150

Corequisites: None

This course is a study of human growth and development. Emphasis is placed on major theories and perspectives as they relate to the physical, cognitive, and psychosocial aspects of development from conception to death. Upon completion, students should be able to demonstrate knowledge of development across the life span.

| | | | | | |
|----------------|----------------------------|----------|----------|----------|----------|
| PSY 281 | Abnormal Psychology | 3 | 0 | 0 | 3 |
|----------------|----------------------------|----------|----------|----------|----------|

Prerequisites: PSY 150

Corequisites: None

This course provides an examination of the various psychological disorders, as well as theoretical, clinical, and experimental perspectives of the study of psychopathology. Emphasis is placed on terminology, classification, etiology, assessment, and treatment of the major disorders. Upon completion, students should be able to distinguish between normal and abnormal behavior patterns as well as demonstrate knowledge of etiology, symptoms, and therapeutic techniques.

| Prerequisites: | None | | | | |
| Corequisites: | None | | | | |
| This course provides case management activities, including record keeping, recovery issues, community resources, and continuum of care. Emphasis is placed on establishing a systematic approach to monitor the treatment plan and maintain quality of life. Upon completion, students should be able to assist clients in the continuum of care as an ongoing recovery process and develop agency networking. | | | | | |
| SAB 135 | Addictive Process | 3 | 0 | 0 | 3 |
| Prerequisites: | None | | | | |
| Corequisites: | None | | | | |
| This course explores the physical, emotional, psychological, and cultural aspects of the addictive process. Emphasis is placed on addictions to food, sex, alcohol, drugs, work, gambling, and relationships. Upon completion, students should be able to identify the effects, prevention strategies, and treatment methods associated with addictive disorders. | | | | | |
| SAB 210 | Addiction and Recovery Counsel | 2 | 2 | 0 | 3 |
| Prerequisites: | None | | | | |
| Corequisites: | None | | | | |
| This course provides theory and skills acquisition by utilizing intervention strategies designed to obtain therapeutic information, support recovery, and prevent relapse. Topics include counseling individuals and dysfunctional families, screening instruments, counseling techniques and approaches, recovery and relapse, and special populations. Upon completion, students should be able to discuss issues critical to recovery, identify intervention models, and initiate a procedure culminating in cognitive/behavioral change. | | | | | |
| SAB 240 | Sab Issues in Client Serv | 3 | 0 | 0 | 3 |
| Prerequisites: | None | | | | |
| Corequisites: | None | | | | |
| This course introduces systems of professional standards, values, and issues in substance abuse counseling. Topics include confidentiality, assessment of personal values, professional responsibilities, competencies, and ethics relative to multicultural counseling and research. Upon completion, students should be able to understand and discuss multiple ethical issues applicable to counseling and apply various decision-making models to current issues. | | | | | |

| SEC 150 | Secure Communications | 2 | 2 | 0 | 3 |
|----------------|------------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course provides an overview of current technologies used to provide secure transport of information across networks. Topics include data integrity through encryption, Virtual Private Networks, SSL, SSH, and IPSec. Upon completion, students should be able to implement secure data transmission technologies.

| | | | | | |
|----------------|----------------------------------|----------|----------|----------|----------|
| SEC 160 | Security Administration I | 2 | 2 | 0 | 3 |
|----------------|----------------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course provides an overview of security administration and fundamentals of designing security architectures. Topics include networking technologies, TCP/IP concepts, protocols, network traffic analysis, monitoring, and security best practices. Upon completion, students should be able to identify normal network traffic using network analysis tools and design basic security defenses.

| | | | | | |
|----------------|--------------------------|----------|----------|----------|----------|
| SEC 175 | Perimeter Defense | 1 | 4 | 0 | 3 |
|----------------|--------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course introduces the principles of securing networks using routers and firewalls. Topics include networking protocols, threat mitigation, firewall configuration, authentication, authorization, intrusion detection, encryption, IPSec, VPNs, and remote access technologies. Upon completion, students should be able to secure internal networks using router and firewall technologies.

| | | | | | |
|----------------|----------------------------|----------|----------|----------|----------|
| SEC 210 | Intrusion Detection | 2 | 2 | 0 | 3 |
|----------------|----------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course introduces the student to intrusion detection methods in use today. Topics include the types of intrusion detection products, traffic analysis, and planning and placement of intrusion detection solutions. Upon completion, students should be able to plan and implement intrusion detection solution for networks and host-based systems.

| | | | | | |
|----------------|--------------------------|----------|----------|----------|----------|
| SEC 260 | Security Admin II | 2 | 2 | 0 | 3 |
|----------------|--------------------------|----------|----------|----------|----------|

Prerequisites: SEC 160

Corequisites: None

Prefix No. Course

CL **LB** **CLINIC** **CR**

This course provides the skills necessary to design and implement information security controls. Topics include advanced networking and TCP/IP concepts, network vulnerability analysis, and monitoring. Upon completion, students should be able to distinguish between normal and anomalous network traffic, identify common network attack patterns, and implement security solutions.

SGD-111 **Introduction to SGD** **2** **3** **0** **3**

Prerequisites: None

Corequisites: None

This course provides students with an introduction to simulation and game development. Topics include setting, storytelling, narrative, character design, interface design, game play, internal economy, core mechanics, game genres, AI, the psychology of game design and professionalism. Upon completion, students should be able to demonstrate knowledge of the major aspects of simulation and game design and development. This course is active withing the CCL.

SGD-112 **SGD Design I** **2** **3** **0** **3**

Prerequisites: None

Corequisites: None

This course introduces the fundamentals of simulation and game design. Topics include industry standards and design elements for simulation and games. Upon completion, students should be able to design simple simulations and/or games. - This course is active within the CCL

SGD-113 **SGD Programming I** **2** **3** **0** **3**

Prerequisites: None

Corequisites: None

This course introduces the fundamentals of programming languages and tools employed in simulation and game development. Emphasis is placed on programming concepts used to create simulations and games. Upon completion, students should be able to program simple games and/or simulations. - This course is active within the CCL.

SOC 210 **Introduction to Sociology** **3** **0** **0** **3**

Prerequisites: None

Corequisites: None

This course introduces the scientific study of human society, culture, and social interactions. Topics include socialization, research methods, diversity and inequality, cooperation and conflict, social change, social institutions, and organizations. Upon completion, students should be able to demonstrate knowledge of sociological concepts as they apply to the interplay among individuals, groups, and societies.

SOC 213 **Sociology of the Family** **3** **0** **0** **3**

Prerequisites: None

Corequisites: None

Prefix No. Course

| | Title Hours Per Week | | | |
|--|----------------------|----|--------|----|
| | CL | LB | CLINIC | CR |

This course covers the institution of the family and other intimate relationships. Emphasis is placed on mate selection, gender roles, sexuality, communication, power and conflict, parenthood, diverse lifestyles, divorce and remarriage, and economic issues. Upon completion, students should be able to analyze the family as a social institution and the social forces which influence its development and change.

| | | | | | |
|----------------|------------------------|----------|----------|----------|----------|
| SOC 220 | Social Problems | 3 | 0 | 0 | 3 |
|----------------|------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course provides an in-depth study of current social problems. Emphasis is placed on causes, consequences, and possible solutions to problems associated with families, schools, workplaces, communities, and the environment. Upon completion, students should be able to recognize, define, analyze, and propose solutions to these problems.

| | | | | | |
|----------------|-------------------------|----------|----------|----------|----------|
| SOC 225 | Social Diversity | 3 | 0 | 0 | 3 |
|----------------|-------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course provides a comparison of diverse roles, interests, opportunities, contributions, and experiences in social life. Topics include race, ethnicity, gender, sexual orientation, class, and religion. Upon completion, students should be able to analyze how cultural and ethnic differences evolve and how they affect personality development, values, and tolerance.

| | | | | | |
|----------------|--------------------------|----------|----------|----------|----------|
| SOC 240 | Social Psychology | 3 | 0 | 0 | 3 |
|----------------|--------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course examines the influence of culture and social groups on individual behavior and personality. Emphasis is placed on the process of socialization, communication, conformity, deviance, interpersonal attraction, intimacy, race and ethnicity, small group experiences, and social movements. Upon completion, students should be able to identify and analyze cultural and social forces that influence the individual in a society.

| | | | | | |
|----------------|----------------------------|----------|----------|----------|----------|
| SON 110 | Intro to Sonography | 1 | 3 | 3 | 3 |
|----------------|----------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course provides an introduction to medical sonography. Topics include applications, sonographic terminology, history, patient care, ethics, and basic skills. Upon completion, students should be able to define professionalism and sonographic applications and perform basic patient care skills and preliminary scanning techniques.

| Prefix No. | Course | Title Hours Per Week | | | |

| | | CL | LB | CLINIC | CR |
| SON 111 | Sonographic Physics | 3 | 3 | 0 | 4 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course introduces ultrasound physical principles, bioeffects, and sonographic instrumentation. Topics include sound wave mechanics, transducers, sonographic equipment, Doppler physics, bioeffects, and safety. Upon completion, students should be able to demonstrate knowledge of sound wave mechanics, transducers, sonography equipment, the Doppler effect, bioeffects, and safety. | | | | | |
| SON 120 | SON Clinical Ed I | 0 | 0 | 15 | 5 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course provides active participation in clinical sonography. Emphasis is placed on imaging, processing, and technically evaluating sonographic examinations. Upon completion, students should be able to image, process, and evaluate sonographic examinations. | | | | | |
| SON 121 | SON Clinical Ed II | 0 | 0 | 15 | 5 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course provides continued active participation in clinical sonography. Emphasis is placed on imaging, processing, and technically evaluating sonographic examinations. Upon completion, students should be able to image, process, and evaluate sonographic examinations. | | | | | |
| SON 130 | Abdominal Sonography I | 2 | 3 | 0 | 3 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course introduces abdominal and small parts sonography. Emphasis is placed on the sonographic anatomy of the abdomen and small parts with correlated laboratory exercises. Upon completion, students should be able to recognize and acquire basic abdominal and small parts images. | | | | | |
| SON 131 | Abdominal Sonography II | 1 | 3 | 0 | 2 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |
| This course covers abdominal and small parts pathology recognizable on sonograms. Emphasis is placed on abnormal sonograms of the abdomen and small parts with correlated sonographic cases. Upon completion, students should be able to recognize abnormal pathological processes in the abdomen and on small parts sonographic examinations. | | | | | |
| SON 140 | Gynecological Sonography | 2 | 0 | 0 | 2 |
| Prerequisites: None | | | | | |
| Corequisites: None | | | | | |

Prefix No. Course

| | CL | LB | CLINIC | CR |
|--|----|----|--------|----|
|--|----|----|--------|----|

This course is designed to relate gynecological anatomy and pathology to sonography. Emphasis is placed on gynecological relational anatomy, endovaginal anatomy, and gynecological pathology. Upon completion, students should be able to recognize normal and abnormal gynecological sonograms.

| | | | | | |
|----------------|----------------------------|----------|----------|-----------|----------|

This course provides continued active participation in clinical sonography. Emphasis is placed on imaging, processing, and technically evaluating sonographic examinations. Upon completion, students should be able to image, process, and evaluate sonographic examinations.

| | | | | | |
|----------------|---------------------------|----------|----------|-----------|----------|
| SON 221 | SON Clinical Ed IV | 0 | 0 | 24 | 8 |
|----------------|---------------------------|----------|----------|-----------|----------|

Prerequisites: None

Corequisites: None

This course provides continued active participation in clinical sonography. Emphasis is placed on imaging, processing, and technically evaluating sonographic examinations. Upon completion, students should be able to image, process, and evaluate sonographic examinations.

| | | | | | |
|----------------|---------------------|----------|----------|----------|----------|
| SON 225 | Case Studies | 0 | 3 | 0 | 1 |
|----------------|---------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course offers the opportunity to present interesting cases found during clinical education. Emphasis is placed on presentation methods which integrate patient history, laboratory results, and sonographic findings with reference to current literature. Upon completion, students should be able to correlate information necessary for complete presentation of case studies.

| | | | | | |
|----------------|---------------------------------|----------|----------|----------|----------|
| SON 241 | Obstetrical Sonography I | 2 | 0 | 0 | 2 |
|----------------|---------------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course covers normal obstetrical sonography techniques, the normal fetal environment, and abnormal first trimester pregnancy states. Topics include gestational dating, fetal anatomy, uterine environment, and first trimester complications. Upon completion, students should be able to produce gestational sonograms which document age, evaluate the uterine environment, and recognize first trimester complications.

| | | | | | |
|----------------|----------------------------------|----------|----------|----------|----------|
| SON 242 | Obstetrical Sonography II | 2 | 0 | 0 | 2 |
|----------------|----------------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course covers second and third trimester obstetrical complications and fetal anomalies. Topics include abnormal fetal anatomy and physiology and complications in the uterine environment. Upon completion, students should be able to identify fetal anomalies, fetal distress states, and uterine pathologies.

| Prefix No. | Course | Title Hours Per Week | | | |
|--|--------------------------------|----------------------|----------|----------|----------|

| SWK 110 | Intro to Social Work | 3 | 0 | 0 | 3 |
|----------------|-----------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course examines the historical development, values, orientation, and professional standards of social work and focuses on the terminology and broader systems of social welfare. Emphasis is placed on the various fields of practice including those agencies whose primary function is financial assistance, corrections, mental health, and protective services. Upon completion, students should be able to demonstrate an understanding of the knowledge, values, and skills of the social work professional.

| | | | | | |
|----------------|-------------------------------|----------|----------|----------|----------|
| SWK 113 | Working with Diversity | 3 | 0 | 0 | 3 |
|----------------|-------------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course examines and promotes understanding, sensitivity, awareness, and knowledge of human diversity. Emphasis is placed on professional responsibilities, duties, and skills critical to multicultural human services practice. Upon completion, students should be able to integrate and expand knowledge, skills, and cultural awareness relevant to diverse populations.

| | | | | | |
|----------------|---------------------------------|----------|----------|----------|----------|
| WAT 120 | Intro to Water Treatment | 2 | 0 | 0 | 2 |
|----------------|---------------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course covers the basic concepts and theory of the operation of water treatment facilities. Topics include conventional treatment processes, laboratory procedures, maintenance techniques, and regulatory requirements. Upon completion, students should be able to identify the major processes used in water treatment, perform basic laboratory analyses, and maintain treatment plant equipment.

| | | | | | |

This course covers basic knowledge necessary for gaining and maintaining employment. Topics include job search skills, work ethic, meeting employer expectations, workplace safety, and human relations. Upon completion, students should be able to successfully make the transition from school to work.

WLD 110 Cutting Processes

| | | | |
|---|---|---|---|
| 1 | 3 | 0 | 2 |
|---|---|---|---|

Prerequisites: None

Corequisites: None

This course introduces oxy-fuel and plasma-arc cutting systems. Topics include safety, proper equipment setup, and operation of oxy-fuel and plasma-arc cutting equipment with emphasis on straight line, curve and bevel cutting. Upon completion, students should be able to oxy-fuel and plasma-arc cut metals of varying thickness.

WLD 111 Oxy-Fuel Welding

| | | | |
|---|---|---|---|
| 1 | 3 | 0 | 2 |
|---|---|---|---|

Prerequisites: None

Corequisites: None

This course introduces the oxy-fuel welding process. Topics include safety, proper equipment setup, and operation of oxyfuel welding equipment with emphasis on bead application, profile, and discontinuities. Upon completion, students should be able to oxy-fuel weld fillets and grooves on plate and pipe in various positions.

WLD 112 Basic Welding Processes

| | | | |
|---|---|---|---|
| 1 | 3 | 0 | 2 |
|---|---|---|---|

Prerequisites: None

Corequisites: None

This course introduces basic welding and cutting. Emphasis is placed on beads applied with gases, mild steel fillers, and electrodes and the capillary action of solder. Upon completion, students should be able to set up welding and oxy-fuel equipment and perform welding, brazing, and soldering processes.

WLD 115 SMAW (Stick) Plate

| | | | |
|---|---|---|---|
| 2 | 9 | 0 | 5 |
|---|---|---|---|

Prerequisites: None

Corequisites: None

This course introduces the shielded metal arc (stick) welding process. Emphasis is placed on padding, fillet, and groove welds in various positions with SMAW electrodes. Upon completion, students should be able to perform SMAW fillet and groove welds on carbon plates with prescribed electrodes.

WLD 116 SMAW (Stick) Plate/Pipe

| | | | |
|---|---|---|---|
| 1 | 9 | 0 | 4 |
|---|---|---|---|

Prerequisites: WLD 115

Corequisites: None

This course is designed to enhance skills with the shielded metal arc (stick) welding process. Emphasis is placed on advancing manipulative skills with SMAW electrodes on varying joint geometry. Upon completion,

Prefix No. Course

students should be able to perform groove welds on carbon steel with prescribed electrodes in the flat, horizontal, vertical, and overhead positions.

| | | | | | |
|----------------|------------------------------|----------|----------|----------|----------|
| WLD 121 | GMAW (MIG) FCAW/Plate | 2 | 6 | 0 | 4 |
|----------------|------------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course introduces metal arc welding and flux core arc welding processes. Topics include equipment set up and fillet and groove welds with emphasis on the application of proper GMAW and FCAW consumables on carbon steel plate. Upon completion, students should be able to perform fillet welds on carbon steel with prescribed filler materials in the flat, horizontal, and overhead positions.

| | | | | | |
|----------------|------------------------------|----------|----------|----------|----------|
| WLD 122 | GMAW (MIG) Plate/Pipe | 1 | 6 | 0 | 3 |
|----------------|------------------------------|----------|----------|----------|----------|

Prerequisites: WLD 121

Corequisites: None

This course is designed to enhance skills with the gas metal arc (MIG) welding process. Emphasis is placed on advancing skills with the GMAW process making groove welds on carbon steel plates and pipes in various positions. Upon completion, students should be able to perform groove welds with prescribed electrodes on various joint geometry.

| | | | | | |
|----------------|-------------------------|----------|----------|----------|----------|
| WLD 131 | GTAW (TIG) Plate | 2 | 6 | 0 | 4 |
|----------------|-------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

This course introduces the gas tungsten arc (TIG) welding process. Topics include correct selection of tungsten, polarity, gas, and proper filler rod with emphasis placed on safety, equipment setup, and welding techniques. Upon completion, students should be able to perform GTAW fillet and groove welds with various electrodes and filler materials.

| | | | | | |
|----------------|------------------------------|----------|----------|----------|----------|
| WLD 132 | GTAW (TIG) Plate/Pipe | 1 | 6 | 0 | 3 |
|----------------|------------------------------|----------|----------|----------|----------|

Prerequisites: WLD 131

Corequisites: None

This course is designed to enhance skills with the gas tungsten arc (TIG) welding process. Topics include setup, joint preparation, and electrode selection with emphasis on manipulative skills in all welding positions on plate and pipe. Upon completion, students should be able to perform GTAW welds with prescribed electrodes and filler materials on various joint geometry.

| | | | | | |
|----------------|-------------------------------------|----------|----------|----------|----------|
| WLD 141 | Symbols & Specifications | 2 | 2 | 0 | 3 |
|----------------|-------------------------------------|----------|----------|----------|----------|

Prerequisites: None

Corequisites: None

Prefix No. Course

| | Title Hours Per Week | | | |
|--|----------------------|----|--------|----|
| | CL | LB | CLINIC | CR |

This course introduces the basic symbols and specifications used in welding. Emphasis is placed on interpretation of lines, notes, welding symbols, and specifications. Upon completion, students should be able to read and interpret symbols and specifications commonly used in welding.

| | | | | | |
|----------------|----------------------|----------|----------|----------|----------|
| WLD 151 | Fabrication I | 2 | 6 | 0 | 4 |
|----------------|----------------------|----------|----------|----------|----------|

Prerequisites: WLD 110, WLD 115, WLD 116, and WLD 131

Corequisites: None

This course introduces the basic principles of fabrication. Emphasis is placed on safety, measurement, layout techniques, joining techniques, and the use of fabrication tools and equipment. Upon completion, students should be able to perform layout activities and operate various fabrication and material handling equipment.

| | | | | | |
|----------------|--------------------------------|----------|----------|----------|----------|
| WLD 261 | Certification Practices | 1 | 3 | 0 | 2 |
|----------------|--------------------------------|----------|----------|----------|----------|

Prerequisites: WLD 115, WLD 121, and WLD 131

Corequisites: None

This course covers certification requirements for industrial welding processes. Topics include techniques and certification requirements for prequalified joint geometry. Upon completion, students should be able to perform welds on carbon steel plate and/or pipe according to applicable codes.

Full-Time Personnel Listing

View our most updated list at piedmontcc.edu

Ashley, Alicia E.

Executive Administrative Assistant, President & Board of Trustees

A.A.S. - Piedmont Community College

Ashworth, Hunter

Institutional Researcher

B.S. - Averett University

Bailey, Bernadette

Director, Advising & Quality Enhancement Plan (QEP)

B.S. – Fayetteville State University

M.A. – Saint Mary’s University of Minnesota

M.Ed. – The University of North Carolina Greensboro

Barnette, Iris C.

Instructor, Cosmetology

Diploma - Dickerson Beauty Academy

A.A.S. - Piedmont Community College

B.S. - Averett University

Licensed Cosmetology Instructor, State of North Carolina

Bartlett, Mary Jo

Executive Administrative Assistant, Vice President, Student Development

A.A.S. - Piedmont Community College

Bass, Vanessa L.

Coordinator of Library Services

B.A. - Meredith College

M.L.S. - North Carolina Central University

M.Ed. - University of Phoenix

Benyamin, Louis

Director/Instructor, Sonography

B.S. – Cleveland College

M.Ed.- Western Governors University

Bernard, Lucas B.

Coordinator/Instructor, Agribusiness Technology

A.A.S. - Wake Technical Community College

B.S.-North Carolina A&T State University

Blackwell, Jody

Dean, Technical & Manufacturing Programs

B.S East Carolina University

Certified Forklift Instructor

Certified Scissor Lift Instructor

OSHA Compliance Trainer

AHA Certified CPR Instructor

Blackwood, Diane

Instructor, Nurse Aide

A.A.S. - Durham Technical Institute RN License

Bottoms, Janet

Instructor, Web Technologies

A.A. - Palm Beach State College

Bachelor - Lima University

M.S. - NOVA Southeastern University

Certified Internet Web Professional

Administration of Information Security

Brandon, Samuel

Maintenance Technician

PCC, Certificate – Gunsmithing

Brandon, Tracey

Accountability and Compliance Officer

A.A.S.-Piedmont Community College

Brann, Grayson

Director, Small Business Center

B.S. – East Carolina University

M.B.A. – East Carolina University

Briggs, Hortense

Instructor, Practical Nursing

A.A.S. – Borough of Manhattan Community College

B.S.N. – South University

M.S.N. – Duke University

Brooks, Amy M.

Instructor, Psychology

B.A. – Meredith College

M.A.T - Meredith College

Brown, Edna H.

Director, Student Development-Caswell County Campus

A.A.S. - Alamance Community College

A.A.S. - Piedmont Community College

B.A.S. - Averett University

Master CIW Designer

Microsoft Office User Specialist in Excel (MOUS)

Cisco Certified Network Associate (CCNA) Network+ Certification

i-Net+ Certification

A+ Certification

Microsoft Certified Systems Administrator on MS Windows 2000 Microsoft Certified Professional

Browning, Nicole

Accounting Associate

A.A.S.-Vance-Granville Community College

Browning, Dr. Reggie J.

Vice President, Administrative Services/ Chief Financial Officer

B.S. – University of South Carolina

M.B.A. – Webster University

Ed.D. – Converse University

Certified Public Accountant

Buchanan, Dr. Barbara

Vice President, Instruction/ Chief Academic Officer

B.A. - Stephen F. Austin University

M.A. - Stephen F. Austin University

Ph.D. - Texas A&M University

Buchanan, Emily

Director, Caswell County Campus Operations/Deputy Coordinator, Title IX

B.A. - Elon University

M. Ed. - High Point University

Carter, Kimberly

Director, Child Development Center

B.A. – Greensboro College

NC Division of Child Care & Early Education: Level 3 Administrator Qualification

Early Childhood Credentials 1 & 2

Early Childhood Administration 1 & 2

Carter, Michael

Maintenance Technician/Evening Porter

Diploma - Bartlett Yancey High School

Cates, Kathy

Director, Student Engagement

A.S. – Piedmont Community College

B.S.B.A. – Averett University

M.S. – Averett University

Clayton, Sherrie

Student Records Technician

B.S. – University of Mount Olive

Conner, Angela A.

Instructor/Coordinator, Nursing Assistant

A.A.S. - National Business College

Diploma - Memorial Hospital School of Nursing

R.N. - Registered Nurse, State of North Carolina

Cook, Jean

Executive Administrative Assistant, Vice President, Administrative Services/CFO &

Executive Director, PCC Foundation

Crockett, Scottie

Instructor, Information Technology

B.S.-Averett University

M.B.A.-Averett University

Cross, Rosalind M.

Director, Federal Programs

A.A.S. - Central Carolina Community College

B.S. – Franklin University

M.B.A. – Franklin University

Davis, Chris L.

Instructor/Coordinator, Advanced Manufacturing Curriculum

A.S. – Piedmont Community College

A.A. – Piedmont Community College

Davis, Chris S.

Director/ Instructor, Information Technology

B.S. – American Intercontinental University

M.S. – Western Governor's University

Davis, David

Maintenance Technician

Davis, Emily

Career Coach, Person County

B.A. – *Wingate University*

M.Div. – *Wake Forest University*

DeSimone, Stephen D.

Instructor, Biology

B.A. - *Quinnipiac College*

M.S. - *North Carolina State University*

Clinical Laboratory Science Certificate - Duke University

Duncan, April P.

Lead Teacher, Child Development Center

Diploma - Piedmont Community College

A.A.S. - *Piedmont Community College*

Duncan, Jeannette J.

Administrative Assistant, EOC

A.A. - *Piedmont Community College*

Duncan, Kathy M.

Instructor, Associate Degree Nursing Program

B.S.N. - *East Carolina University*

R.N. - *Registered Nurse, State of North Carolina*

Duncan, Tammy W.

Foundation Gifts Coordinator

A.A.S. - *Piedmont Community College*

B.B.A. - *American Public University*

Dunkley, Nadine C.

Assistant Teacher, Child Development Center

A.A.S. - *Piedmont Community College*

Evans, Michelle P.

Day Porter

Diploma - Durham High School

Ferguson, James

Instructor, Industrial Maintenance

A.A.S. – *Piedmont Community College*

Floyd, Natashaia

Registrar

B.A. – Southern New Hampshire University

M.S.H.R.M. – Southern New Hampshire University

Foote, Gordon

Instructor, Certified Logistics Technician/Certified Production Technician (Corrections)

B.S. – Eastern Illinois University

NCCER – Industrial Electrician

MSSC Certified Production Technician

National Career Readiness Certificate

Foster, Shirley

Reception/Switchboard Operator (Caswell County)

A.A.S. – Piedmont Community College

Foust, Holly

Instructor/Coordinator, Cosmetology

A.A.S. – Piedmont Community College

Fry, Dr. Chandler

Instructor, English

B.A. – The University of North Carolina at Chapel Hill

M.A. – Duke University

Ph.D. – Duke University

Gonzalez, Jose

Technology Support Technician

Harris, Amy R.

Administrative Assistant to the Dean, Learning Commons & Educational Partnerships

A.A.S. - Piedmont Community College

Harris, John

Instructor, Welding

A.A.S. - Piedmont Community College

Hatcher, Pattie

Instructor, Associate Degree Nursing

Hayes, Bob

Maintenance/Environmental Technician

Diploma - Orange High School

Hein, Valerie

Instructor, Cosmetology

North Carolina State – Cosmetologist License

North Carolina State – Cosmetology Teacher License

Helms, Dr. Joel

Instructor, Mathematics

A.S. – Niagara County Community College

B.S. – University of Albany

M.S. – Clarkson University

Ph.D. – University of Southern California

Hester, Katharine H.

Instructor, Biology

B.S. - The University of North Carolina at Greensboro

M.S. - North Carolina Central University

Hicks, Brian

Instructor, English

B.A.-St. Joseph's College

M.A.-King's College London

M.A.-New York University

Hill, Erin G.

Director/Instructor, Cultural Arts Program

B.A. - Carson-Newman College

M.F.A. - Florida State University

M.A. - The University of Westminster

Holeman, Wendy

Student Financial Aid/ Veterans Affairs Technician

GTCC, Diploma – Dental Assisting

Holder, Marvin

Instructor, Horticulture

Holt, Felicia

Communications Manager

B.S. - Liberty University

Notary Public, State of North Carolina

Holt, Tammy S.

Receptionist/Switchboard Operator

A.A.S. - Piedmont Community College

Howell, S. Drake

Administrative Assistant to the Dean, University Transfer and General Education
A.A.S. - Piedmont Community College

Hubbard, Christen

Academic Advisor
B.S. - Appalachian State University

Irby, Adam W.

Director, College Safety/Title IX Investigator
B.L.E.T. - Durham Technical Community College
A.A.S. - Piedmont Community College

Jarman, Katharine

Instructor, Business Administration
B.S. – University of North Carolina at Wilmington
MBA – Camp

Jeffers, Howard

Instructor, Welding (Corrections)

Johnson, Bryan

Instructor, CDL

Johnson, Rachel

Director, Financial Aid & Veterans Affairs
A.A.S. - Piedmont Community College
B.B.A. - North Carolina Central University

Jones, Laura

Payroll & Benefits Specialist

Jones, Ryan

Network & Systems Administrator
B.S. – University of Virginia
M.Ed. – George Mason University

Lane, Kory

Director/Instructor, Emergency Medical Services
B.S. – Guilford College
M.Ed. – North Carolina State University
National Registry Paramedic
Certified Flight Paramedic (FP-C)

Certified Critical Care Paramedic (CCP-C)
Nationally Certified EMS Educator (NCEE)

Lawrence, Tina

HR Business Partner
B.S. - Tarleton State University

Lea, Destiny

Executive Coordinator, Vice President, Information Technology/CIO
A.A.S. - Kaplan University
B.S. American Intercontinental University

Lennon, Kelli

Instructor, Associate Degree Nursing Program

M.S.N. - University of Phoenix

R.N. - Registered Nurse, State of North Carolina

C.P.L.C. – Certified Professional Life Coach

Directions to Person County Campus: 1715 College Drive Roxboro

FROM DURHAM:

Follow U.S. 501 North to Roxboro. Stay on U.S. 501 (which becomes Madison Boulevard) until you get to Carver Drive. Turn left onto Carver Drive and continue on Carver Drive until you get to Northern Middle School (approximately 1 mile). Turn right onto Memorial Drive and then take the next left onto College Drive. All these turns are marked with Piedmont Community College signs.

FROM GREENSBORO-BURLINGTON (I-85):

Take Exit 150 at Roxboro/Alamance Community College/Haw River to N.C. 49 North. Follow N.C. 49 to Roxboro. Turn left on U.S. 501 North Bypass (Madison Boulevard) and continue north to Carver Drive. Turn left onto Carver Drive and continue until you get to Northern Middle School (approximately 1 mile). Turn right onto Memorial Drive and then take the next left onto College Drive. All these turns are marked with Piedmont Community College signs.

FROM SOUTH BOSTON, VA. AREAS:

Follow U.S. 501 South from South Boston, Va. to Roxboro. Turn right onto Memorial Drive, and right onto College Drive.

FROM DANVILLE, VA. AREAS:

Take N.C. 57 to Roxboro. In Roxboro, turn left on N.C. 49 North (Morgan Street) and travel to U.S. 501 North (Madison Boulevard). Turn left onto U.S. 501 until you get to Carver Drive.

Turn left onto Carver Drive and continue until you get to Northern Middle School (approximately 1 mile). Turn right onto Memorial Drive and then take the next left onto College Drive. All these turns are marked with Piedmont Community College signs.

FROM CASWELL COUNTY CAMPUS:

Exit campus and turn right onto NC 62. Turn right onto Main Street. Take U.S. 158 East to Roxboro (you will need to turn left onto U.S. 158 East a short distance out of Yanceyville). In Roxboro, turn left onto N.C. 49 North (at stoplight) and continue to intersection with U.S. 501 (Madison Boulevard). Turn left onto Madison Boulevard and left onto Carver Drive. Continue until you get to Northern Middle School (approximately 1 mile). Turn right onto Memorial Drive and then take the next left onto College Drive.

Parking at the Person County Campus

PCC has ample parking for campus visitors, students, faculty and staff. Motorists are asked to park only in designated parking spaces. When visiting PCC's Administration Building (Building A), take the first turn to the right and park in Parking Lot 1. Parking is limited to one hour. The Administration Building (Building A) is located at the top of the steps on the right. Offices located in Building A include those of the President, Vice Presidents, Human Resources, and Cashier.

Two other parking lots are located on the main campus, Parking Lot 2 is convenient for visitors and students who are going to the Student Information Center, Admissions, Financial Aid, Counseling, and the PCC Bookstore, all located in Building E. It is also convenient to many classrooms, the Timberlake Art Gallery, the Barnette Auditorium, and the PCC Foundation, all in Building D.

Parking Lot 3 is located at the back of the campus, providing convenient parking for several classroom buildings, the Gordon P. Allen Learning Commons, the Cosmetology Program, the Student Success Center, and the Child Development Center.

Handicapped parking is available in Parking Lots 2 and 3.

Directions to Caswell County Campus: 331 Piedmont Drive, Yanceyville

FROM DURHAM:

Take I-85 South to U.S. 70 West. In Hillsborough, take N.C. 86 North to Yanceyville. Go straight onto Main Street; take a left onto U.S. 62 South. Go about one-fourth mile and turn left onto campus (Piedmont Drive).

FROM BURLINGTON:

Take U.S. 62 North. The entrance to campus is on the right (Piedmont Drive), just before the intersection with Main Street, Yanceyville.

FROM DANVILLE, VA.:

Take U.S. 86 South to Yanceyville. At Main Street, take right, then next left onto U.S. 62 South. The campus entrance (Piedmont Drive) is one-fourth mile on the left.

FROM GREENSBORO:

Take U.S. 29 North to N.C. 150 North. Follow N.C. 150 to U.S. 158 East. In Yanceyville, take right onto Main Street; then go right on N.C. 62 South. The campus entrance (Piedmont Drive) is one-fourth mile on the left.

FROM REIDSVILLE:

Take U.S. 158 East. In Yanceyville, take right onto Main Street; then go right onto N.C. 62 South. The campus is one-fourth mile on the left (Piedmont Drive).

FROM ROXBORO/PERSON COUNTY CAMPUS:

Exit Person County Campus and turn right onto Memorial Drive, then left onto Carver Drive, and right onto U.S. 501 South (Madison Boulevard). Turn right on N.C. 49 South (Morgan Street). Turn right onto U.S. 158 West (Leasburg Road) and follow to Yanceyville. In Yanceyville, follow Main Street to N.C. 62 at Bartlett Yancey High School. Turn left at the high school and then left onto Piedmont Drive into campus.

Parking at the Caswell County Campus

Building Key:

K: Administration, Adult Basic Skills, Classrooms, Cosmetology, Faculty Offices, Human Resources Development, JobLink Career Center, Labs, Learning Commons, Computer Lab, Snack Bar, Student Services, Student Success Center

P: Public Safety Training

PCC has ample parking for its visitors, students, faculty and staff on both campuses. Motorists are asked to park only in designated parking spaces.

Visitors to PCC's Caswell County Campus may park in the small lot in front of Building P. Two large parking lots for students, faculty, and staff are also located on the front side of the building on the lower level.

Handicapped parking is available in all PCC lots.
