2026 PCC SUMMER CAMPS

AI FUNDAMENTALS

Gain a foundational understanding of artificial intelligence, including technical underpinnings like natural language processing, practical applications, and ethical considerations. Then, get some hands-on experience by building your own chatbot! Students will receive IBM Skills Badges (Digital) upon completion of the camp.

June 8 - 9 | 9 a.m. – 2 p.m.

Person County Campus | Building C | Room 105

For rising 6 - 12 graders; **FREE!**

AGRIBUSINESS

In this camp, you will learn about plant and animal science! This is your chance to participate in classroom and field instruction. Learn current trends in agriculture and gain exposure to innovative techniques in sustainable agriculture. Also, review the variety of agricultural opportunities within the region to gain perspectives on its importance to our community.

June 29 - July 2 | 9 a.m. – 12 p.m.

Caswell County Campus | Building P, Room 108

For rising 6 - 12 graders; **FREE!**

BUILD DREAMS INTO REALITY WITH ROBOTICS

Explore the world of Robotics and Automation in the Mechatronics Engineering field! Hear all about the exciting careers in this high demand field while learning the fundamentals of Robotics. This hands-on camp covers the design and operation of Mechanical and Electrical Systems including Hydraulics and Pneumatics, Electrical Circuits, Mechanical Drives and Methods of Automation.

June 8 - 11 | 9 a.m. – 12 p.m.

Person County Campus | Building S | Room 120

For rising 6 - 8 graders; **FREE!**

June 15 - 18 | 9 a.m. – 12 p.m.

Person County Campus | Building S | Room 120

For rising 9 - 12 graders; **FREE!**

CYBER SECURITY FUNDAMENTALS

Learn cybersecurity basics to include terminology, roles, and concepts such as encryption, cryptography, and a variety of tactics used by cyber attackers. Students will receive IBM Skills Badges (Digital) upon completion of the camp.

June 10 - 11 | 9 a.m. - 2 p.m.

Caswell County Campus | Building K | Room 152

For rising 6 - 12 graders; **FREE!**

2026 PCC SUMMER CAMPS

LIGHTS, SIRENS, ACTION! (INTRO TO PUBLIC SAFETY CAREERS)

Step into the action at a two-day summer camp designed for students interested in EMS, Fire, or Law Enforcement careers. Experience hands-on simulations, emergency response demonstrations, and team-based challenges led by public safety professionals. Explore lifesaving skills, equipment, and training pathways while building leadership and confidence. Discover how dedication, courage, and service can shape your future in these exciting, high-impact careers.

June 23 - 24 | 8:30 a.m. – 3 p.m.
Caswell County Campus | Building P, Room 112
For rising 9 - 12 graders; **FREE!**

NURSING CAMP: GIVE NURSING A SHOT!

This camp provides an interactive and hands-on introduction to the world of nursing and healthcare. Campers will explore the many roles nurses play in patient care through engaging activities and real-world experiences. Topics include basic nursing skills, infection control and patient safety, simulation lab experiences, community and healthcare teamwork, health technology, wound care, and CPR. Participants will have the opportunity to practice skills, work collaboratively, and gain insight into nursing careers in a fun and supportive environment.
