Welcome to Piedmont Community College!

On behalf of our esteemed faculty, staff and administration, we are delighted to welcome both our new and returning students. Whether you are beginning your college journey, returning to continue your education, pursuing a new career path or enhancing your professional skills, you are now part of the Piedmont Community College (PCC) family.

At PCC, we are committed to providing a supportive, inclusive, and student-centered environment where every individual has the opportunity to learn, grow, and achieve their goals. This orientation is designed to help you become familiar with our institutional resources, services, opportunities and people who will support your success throughout your educational journey.

College is more than attending classes – it is about building connections, discovering your potential and preparing for your future. We encourage you to engage fully, ask questions, meet new people and take advantage of the many resources available to you.

We are honored that you have chosen PCC and look forward to partnering with you as you pursue your academic, personal and career goals.

Welcome to PCC, where your future starts today!

Student Engagement Team

Programs of Study

Business Studies and Emerging Technologies

New technologies help in transforming enterprises into a digital world. Programs include **Accounting and Finance, Business Administration, and Information Technology.**

Public Safety and Human Services

Work in fields that protect communities, support vulnerable populations and improve quality of life. Explore programs like **911 Telecommunications and Operations, Public Safety Administration, and Social & Human Services.**

University Transfer and General Education

These programs are a first step towards a bachelor's degree if you plan to transfer to a four-year university or college. Programs include **Associate in Arts, Associate in Engineering** and **Associate in Science.**

Health and Wellness

These programs prepare students for careers in the health and wellness fields. Programs include **Nursing, Cosmetology, and Medical Assisting.**

Technical and Manufacturing

These programs prepare students for careers in the technical and manufacturing fields. Programs include **Mechatronics, Welding** and **Plumbing.**

Resources

PCC offers numerous resources to help you succeed. Visit piedmontcc.edu/resources for a full list.

Accessibility Services

At PCC, we're committed to providing equal access to transformative learning experiences by providing academic accommodations and support to students with disabilities.

piedmontcc.edu/accessibility-services

Adult Learner Resources

Whether you are coming back after having been out of school for several years, or this is your first college semester, we want to help you navigate campus resources that will complement your academic, personal and career goals.

piedmontcc.edu/adult

Anti-Hazing Awareness and Prevention

PCC is committed to providing a safe, respectful and inclusive learning environment for all students.

piedmontcc.edu/anti-hazing-awareness-and-prevention

Pacer Pantry

PCC is committed to ensuring that no Pacer goes without food. The College offers multiple on-campus resources for students needing immediate food assistance.
